Call For Art Submission: Autism Acceptance 2nd Annual Virtual Art Expo

Each year, the New Jersey Department of Education (NJDOE), Office of Special Education (OSE), presents a virtual art expo to celebrate artwork created by students with autism who utilize art as a means of expression as well as pieces created by peers to celebrate autism acceptance. This popular event is held annually in April.

2025 Virtual Art Show Theme: *Spotlight the Spectrum*

OSE is now accepting art submissions for the 2nd Annual Autism Acceptance Virtual Art Expo! This year's theme, *Spotlight the Spectrum*, is a showcase that will highlight the talents and passion within our autism community across New Jersey's schools. This theme can be widely interpreted, and it is an excellent way to encourage students to think about any object or subject matter that expresses their identity and talents. This theme will capture the acceptance of autism through creative expression by and in support of individuals with autism spectrum disorders (ASD). Students with ASD and those who want to support Autism Acceptance Month are encouraged to submit **original** artwork of any medium to be displayed online as part of the 2nd Annual Autism Virtual Art Expo. Group submissions are also encouraged; however, note that if the submissions are part of a school project, upload one (1) submission as a collage with all students' work.

Types of Art

All original artworks must be photographed; however, that does not limit the medium and type of art that can be submitted. Photography, drawings, paintings, sculptures, sketches, and computer animations are acceptable. For classroom art projects, please create a collage of student work and submit it as one submission.

Submission of Information

School personnel (e.g., teachers, administrators, supervisors, directors, etc.) will submit photographed artwork by filling out the [Autism Acceptance Art Expo Submission form](#) and uploading the photographed artwork. In your submission, you must include the following information for each photographed work of art you are submitting:

1. Picture of the students' artwork
2. Title of the artwork
3. Students' first names
4. School district
5. Grade Level
6. Brief description of each artwork (max 100 words)

Only one submission per student will be considered for display, and only original artwork will be considered. Please do not include any submissions that contain a picture of the students' faces. The deadline for all submissions is February 14, 2025.

Tips for Photographing Your Artwork

To ensure optimal presentation, please adhere to the following photography tips for artwork submission:

- Utilize a high-quality camera or smartphone for clear images.
- Ensure ample lighting in the photo-taking environment.
- Eliminate shadows and light glares by adjusting artwork and camera placement.
- Capture images straight-on, minimizing angles for a true representation.
- Place the artwork flat on the ground and shoot from above to avoid leaning against the wall if needed.

Note that original artwork submissions featuring clear and legible images will be considered for selection.
