RE: Reminder - 2ND FLOOR app virtual launch

Dear colleague,

This is a quick reminder that 2NDFLOOR is offering youth **another** way to connect to emotional and mental health support – through an app!

Just like its text and phone hotline, and its online messaging capability, the 2NDFLOOR app includes a message board and option to access a counselor **for immediate intervention 24/7/365!**

Help us spread the news!

**On Thursday, September 12th at 4:00pm, we're hosting a virtual launch party for this crucial resource.**

Please share the attached flyer with students, school professionals and parents.

We want New Jersey's youth to know **'It only takes a second.'** 2NDFLOOR is here to help!
