Report of Nonpublic Auxiliary and Handicapped Services for 2025-2026 Funding

The Report of Nonpublic Auxiliary and Handicapped Services (Ch192-193) is available online on the New Jersey Department of Education's [Homerom](#) webpage.

The 2025-2026 State Aid for Chapters 192 and 193 services will be allocated based on the information collected through this report. Districts that do not complete and finalize this report online by the November 4, 2024 deadline will not be able to receive initial funding for Chapters 192 and 193 services for the 2025-2026 school year.

This report requires an accurate count of the number of Chapter 192 and 193 *services provided* to nonpublic school students as of the last school day of June of the prebudget year. Take this information from the district-approved 2023-24 student applications (i.e., 407-1 forms) sent to you by the nonpublic schools. Before completing the Report of Nonpublic Auxiliary and Handicapped Services for 2025-2026, please reference the [User Manual](#) for detailed instructions.
