RE: 2ND FLOOR app virtual launch invitation

Dear colleague,

Exciting news! 2NDFLOOR is offering youth ***another*** way to connect to emotional and mental health support – with an app!

Just like its text and phone hotline, and its online messaging capability, the 2<sup>ND</sup> FLOOR app includes a message board and option to access a counselor for immediate intervention 24/7/365!

Spread the news!

**On Thursday, September 12th at 4:00pm, we're hosting a virtual launch party for this important resource.**

Please share the attached flyer with students, school professionals and parents.

We want New Jersey's youth to know **'It only takes a second.'** 2NDFLOOR is here to help!
