## Holocaust Education Grant for Educators

The Mark Schonwetter Holocaust Education Foundation is proud to award financial grants (up to \$1,000) to schools and teachers nationwide, educating students about anti-hate, respect, and kindness through Holocaust education. These school funding grants can be used to fund Holocaust-related learning materials, field trips, Holocaust survivor speakers, and other learning resources.

Through the expansion of Holocaust education, facts, and examples of genocide, we hope that students will learn about the dangers of hatred and discrimination, and how these lessons can lead to kindness, respect, and inclusion in our society today.
