NJSLA-A and NJGPA-A Information Sessions and Registration

In preparation for the administration of the New Jersey Student Learning Assessments-Adaptive (NJSLA-A) and the New Jersey Graduation Proficiency Assessment-Adaptive (NJGPA-A), the New Jersey Department of Education (NJDOE), with our assessment partner Cambium Assessment, Inc. (CAI), is offering informational sessions for the new assessments.

Session Information

These sessions will provide district personnel and the community with the opportunity to engage with representatives from the NJDOE and CAI. The presentation will address a general overview of the assessments, including the purpose of statewide testing, information on adaptive tests, and the benefits of the new program, along with a question-and-answer period. The in-person sessions are reserved for district personnel, while the virtual sessions are available to both district personnel and the public. A flyer is available on the NJDOE [Assessment website](#) for you to share with your school community to promote the virtual information sessions. The NJDOE will also post presentations for public access after the series concludes.
