Preliminary 2026-2027 Perkins V Secondary Grant Allocation Notices

In preparation for the 2026-2027 school year, the New Jersey Department of Education (NJDOE) has released preliminary fiscal year (FY) 2027 Perkins V secondary grant allocations for local educational agencies (LEAs). All eligible school districts can access the allocations through the NJDOE's [Homerom](#) webpage.

If a district Perkins coordinator requires access to NJ Homerom, they should contact their district's Homerom administrator. Homerom Administrators may use the [Homerom Administrator Form](#) to add new users or give existing users access to Perkins allocation notices and other NJDOE Homerom applications.

The Perkins V secondary local application for the 2026-2027 fiscal year is available in the Electronic Web-Enabled Grant (EWEG) system. Once logged in to EWEG, use the New Jersey Grant Management System (NJGMS) link to access the new grant platform. The deadline to submit the Perkins V secondary local application for FY27 is June 30, 2026.

Additional Perkins grant-related information is located on the [Perkins V webpage](#).

Please contact PerkinsNJ@doe.nj.gov with questions or concerns about the Perkins V grant application process.
