The information presented in columns 1 through 3 as well as the related descriptions of the per pupil cost calculations are contained in the Taxpayers' Guide to Education Spending and can be found on the Department of Education's Internet website: <http://www.nj.gov/education/guide/>. This publication is also available in the board office and public libraries. The same calculations were performed using the 2025-26 revised appropriations and the 2026-27 budgeted appropriations presented in this advertised budget. Total Budgetary Comparative Per Pupil Cost is defined as current expense exclusive of tuition expenditures, transportation, residential costs, and judgments against the school district. For all years it also includes the restricted entitlement aids. With the exception of Total Equipment Cost, each of the other per pupil cost calculations presented is a component of the total comparative per pupil cost, although all components are not shown.

| Insurance Coverages and Benefits        | The school district is a member of an insurance group called NESBIG (Northeast School Board Insurance Group). In this group of approximately 40 districts in Bergen County, the district saves money by obtaining lower insurance premiums.                                                                        | 0                       |
| Municipal/Public Works                  | The school district shares maintenance and emergency services with the township. Equipment and sometimes labor is offered to the district to assist in completing a project which in turn keeps costs down. The township also assists in plowing and salting the school parking lots if needed.                    | 0                       |
| Others                                  | The school district purchases gas and electricity through a consortium called the alliance for Competitive Energy Services (ACES) to lower costs of these utilities.                                                                                                                                               | 0                       |
| Purchasing                              | The school district purchases a majority of the school supplies through the New Jersey Cooperative Bidding Program. All participating school districts receive the lowest overall pricing for consumable supplies in the State.                                                                                    | 0                       |
| Transportation Services, including Fuel | The school district contracts with the South Bergen Jointure Commission for the transportation of students to other special education school districts and non-public schools. The school district saves money because the jointure joins several other school districts for a bus route therefore lowering costs. | 0                       |
