STATE BOARD OF EDUCATION

Notice of Receipt of Petition for Rulemaking

Controversies and Disputes

N.J.A.C. 6A:3

Petitioner: Deborah Esposito.

Take notice that on October 13, 2019, the New Jersey State Board of Education (State Board) received a petition for rulemaking from the above petitioner requesting the State Board to create a new rule at N.J.A.C. 6A:3 to require school districts to allow for due process before banning a parent from a school. The petitioner's request states the new rule would require that both sides of an incident must be heard prior to permanently banning a parent(s). The petitioner also requests that the new rule include checks and balances around a ban's scope so banning a parent is not abused or implemented for other reasons. The petitioner's request states the requested rule will ensure there are checks and balances on the authority of superintendents when implementing a ban on individual parents.

The petitioner's request also states the State Board and the Commissioner of Education need to assign a committee to oversee and regulate school district decisions.

In accordance with N.J.A.C. 1:30-4.2, the Department shall subsequently mail to the petitioner, and file with the Office of Administrative Law, a notice of action on the petition.
