INDEPENDENT AUDITOR'S REPORT

Honorable President and
Members of the Board of Education
River Dell Regional School District
County of Bergen
River Edge, New Jersey

We have audited, in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards* issued by the Comptroller General of the United States, the basic financial statements of the Board of Education of River Dell Regional School District in the County of Bergen, State of New Jersey, for the year ended June 30, 2015, and have issued our report thereon dated December 16, 2015.

As part of our audit, we performed procedures required by the New Jersey Department of Education and the findings and results thereof, are disclosed on the following pages, as listed in the accompanying table of contents.

This report is intended solely for the information and use of the management of the River Dell Regional Board of Education and the New Jersey Department of Education. However, this report is a matter of public record and its distribution is not limited.

ADMINISTRATIVE FINDINGS - FINANCIAL, COMPLIANCE AND PERFORMANCE REPORTING

Scope of Audit

The audit covered the financial transactions of the Board Secretary/School Business Administrator and the Treasurer of School Moneys, the activities of the Board of Education, and the records of the various funds under the auspices of the Board of Education.

Administrative Practices and Procedures

Insurance

Fire insurance coverage was carried in the amounts as detailed on Exhibit J-20, Insurance Schedule contained in the District's Comprehensive Annual Financial Report (CAFR).

Officials' Bonds (N.J.S.A. 18A:17-26, 18A:17-32)

<u>Name</u>	<u>Position</u>	<u>Amount</u>
Irwin S. Cohen	Treasurer of School Moneys	\$ 300,000
Thomas L. Bonfiglio	School Business Administrator/ Board Secretary	100,000

The Board has coverage in the amount of \$500,000, for employee dishonesty with faithful performance with School Alliance Insurance Fund.

Tuition Charges

A comparison of tentative tuition charges and actual certified tuition charges were made. The District made a proper adjustment to the billings to sending districts for the adjustment in per pupil costs in accordance with N.J.A.C. 6A:23A-17.1(f)3.

Financial Planning, Accounting and Reporting

Examination of Claims

An examination of claims paid during the period under review did not indicate any discrepancies with respect to signatures, certification or supporting documentation.

Payroll Account

The net salaries of all employees of the Board were deposited in the Payroll Account. Employees' payroll deductions and employer's share of fringe benefits were deposited in the Payroll Agency Account.

All payrolls were approved by the President of the Board, the School Business Administrator/Board Secretary, and the Chief School Administrator.

Salary withholdings were promptly remitted to the proper agencies, including health benefits withholding due to the general fund. No exceptions were noted in our examination of the account.

Financial Planning, Accounting and Reporting (Continued)

Employee Position Control Roster

A sample of the Employee Position Control Roster indicated it was in satisfactory condition.

Reserve for Encumbrances and Accounts Payable

A review of outstanding issued purchase orders was made as of June 30 for proper classification of orders as reserve for encumbrances and accounts payable. No exceptions were noted.

Classification of Expenditures

The coding of expenditures was tested for proper classification in accordance with N.J.A.C. 6A:23A-16.2(f) as part of our test of transactions of randomly selected expenditure items. We also reviewed the coding of all expenditures included in our compliance and single audit testing procedures. In addition to randomly selecting a test sample, our sample selection specifically targeted administrative coding classifications to determine overall reliability and compliance with N.J.A.C. 6A:23A-8.2. As a result of the procedures performed, no errors were noted.

Board Secretary's Records

The Board Secretary's records were maintained in satisfactory condition with no exceptions.

Treasurer's Records

There were no exceptions noted on the Treasurer's records.

Elementary and Secondary Education Act (E.S.E.A.)/Improving America's Schools Act (IASA) as reauthorized by the No Child Left Behind Act of 2001

The E.S.E.A./NCLB financial exhibits are contained within the Special Revenue Section of the CAFR. This section of the CAFR documents the financial position pertaining to the projects under Titles II and III of the Elementary and Secondary Education Act as amended and reauthorized.

The study of compliance for E.S.E.A./NCLB indicated there were no areas of noncompliance and/or questioned costs.

Other Special Federal and/or State Projects

The District's Special Projects were approved as listed on K-4 (Schedule B) located in the CAFR and on Schedule A located in this report.

Our audit of the Federal and State funds on a test basis indicated that obligations and expenditures were incurred during the fiscal year or project period for which the project was approved.

The financial exhibits are contained within the Special Revenue Section of the CAFR. This section of the CAFR documents the financial position pertaining to the aforementioned special projects.

The study of compliance for special projects indicated there were no areas of noncompliance and/or questioned costs.

Financial Planning, Accounting and Reporting (Continued)

T.P.A.F. Reimbursement

Our audit procedures included a test of the semimonthly reimbursement forms filed with the Department of Education for District employees who are members of the Teachers' Pension and Annuity Fund. No exceptions were noted.

TPAF Reimbursement to the State for Federal Salary Expenditures

There were no salaries identified as being paid from federal funds that required reimbursement to the State for TPAF/FICA payments made by the State on-behalf of the District. The report was timely filed and no exceptions were noted.

School Purchasing Programs

Contracts and Agreements Requiring Advertisement for Bids

Effective July 1, 2010 and thereafter the bid thresholds in accordance with N.J.S.A. 18A:18A-2 and 18A:18A-3(a) are \$36,000 (with a Qualified Purchasing Agent) and \$26,000 (without a Qualified Purchasing Agent), respectively. The Board appointed the School Business Administrator as Purchasing Agent. The law regulating bidding for public school student transportation contracts under N.J.S.A. 18A:39-3 is currently \$18,300.

The Board of Education has the responsibility of determining whether the expenditures in any category will exceed the statutory thresholds within the contract year. Where question arises as to whether any contract or agreement might result in violation of the statute, the Solicitor's opinion should be sought before a commitment is made.

Inasmuch as the system of records did not provide for an accumulation of payments for categories for the performance of any work or goods or services, the results of such an accumulation could not be ascertained. Disbursements were reviewed, however, to determine whether any clear-cut violations existed.

The results of our procedures indicated that there were individual payments, contracts or agreements made for the performance of any work or goods or service, in excess of the statutory thresholds where there had been no advertising for bids in accordance with the provision of N.J.S.A. 18A: 18A-4, as amended.

In accordance with N.J.S.A 18A:18A-37, for all contracts that in the aggregate are less than the bid threshold but 15 percent or more of that amount, the purchasing agent shall award the contract after soliciting at least two competitive quotations, if practicable. The award shall be made to a vendor whose response is most advantageous, price and other factors considered. The purchasing agent shall retain the record of the quotation solicitation and shall include a copy of the record with the voucher used to pay the vendor. No exceptions were noted.

School Purchasing Programs (Continued)

Contracts and Agreements Requiring Advertisement for Bids (continued)

Finding 2015-1

The accumulation of payments for the 2014-15 school year for categories for the performance of work or receipt of goods or services by the following vendors, exceeded the bid threshold (N.J.S.A. 18A:18A-3).

<u>Vendor</u>	<u>Goods Provided/ Services Performed</u>	<u>Amount</u>
Four Strong Builders	Asbestos abatement	\$ 32,900 *
Lilich Corporation	Asbestos abatement	35,800 *
VMC Company	Asbestos abatement	30,000 *
		<u>\$ 98,700</u>

* - The Board did receive quotes for purchases when required

Recommendation

That the Board seek bids for the performance of any work or the furnishing of materials or supplies, the cost of which, together with any other sums expended or foreseeably to be expended, exceed the bid threshold.

Resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services" as per N.J.S.A. 18A:18A-5.

The system of records did not provide for an accumulation of purchases for which the School Board used contracts entered into by the State Department of Purchase and Property pursuant to Ch. 114, P.L. 1988; therefore, the extent of such purchases could not reasonably be ascertained. Our procedures did reveal, however, that the following purchases were made through the use of State contracts:

- | | |
|-----------------------|--------------------------------|
| Computers | Paving |
| Maintenance Equipment | Janitorial and Office Supplies |

School Food Service

The Board of Education had a contract with an outside catering firm to provide the service in the cafeteria for the 2014 - 2015 school year. The financial records of the outside caterer were subject to various audit tests. Additionally, a service audit report on the food service management company's internal control structure policies and procedures was reviewed and no exceptions were noted. The Board did not participate in the Child Nutrition Programs and received no federal or state subsidies. No exceptions were noted.

Exhibits reflecting Food Service Program operations are included in the CAFR entitled Enterprise Fund - Food Service Fund, Exhibit B.

Athletics and Student Body Activities

A review of the athletics and student body activities funds account was performed and no exceptions were noted.

Application for State School Aid

Our audit procedures included a test of information reported in the October 15, 2014 Application for State School Aid (A.S.S.A.) for on-roll, private schools for the disabled, bilingual, and low-income. We also performed a review of the district procedures related to its completion. The information on the A.S.S.A. was compared to the district workpapers with an exception. The information that was included on the workpapers was verified with no exceptions. The results of our procedures are presented in the Schedule of Audited Enrollments.

The District maintained workpapers on the prescribed state forms or their equivalent.

The District has adequate written procedures for the recording of student enrollment data.

Pupil Transportation

Our audit procedures included a test of on roll status reported in the 2014-2015 District Report of Transported Resident Students (DRTRS). The information that was included on the DRTRS was verified to the DRTRS Eligibility Summary Report with no exceptions. The results of our procedures are presented in the Schedule of Audited Enrollments.

Our procedures also included a review of transportation related contracts and purchases. Based on our review, the district complied with proper bidding procedures and award of contracts. No exceptions were noted in our review of transportation related purchases of goods and services.

Facilities and Capital Assets

A review of the capital assets fund was performed and no exceptions were noted.

Follow-up on Prior Year Findings

In accordance with Government Auditing Standards, our procedures included a review of all prior year recommendations. Corrective action had been taken on all prior year findings with no exceptions.

Acknowledgment

We wish to express our appreciation for the cooperation and assistance extended to us by Patrick J. Fletcher, Superintendent, and Thomas L. Bonfiglio, School Business Administrator/Board Secretary, and the Business Office staff, during the course of our audit.
