All payrolls were approved by the designee in the Charter School and were certified by the President of the Board of Trustees, the School Business Administrator and the Director.

Salary withholdings were promptly remitted to the proper agencies, including health benefits withholdings due to the general fund.

Payrolls were delivered to the School Business Administrator/Board Secretary who then made cash transfers from the Operating account to the separate bank accounts for net payroll and the withholdings.

Reserve for Encumbrances and Accounts Payable

A review of outstanding issued purchased orders was made as of June 30 for proper classification of orders as reserve for encumbrances and accounts payable. No exceptions were noted.

Classification of Expenditures

The coding of expenditures was tested for proper classification in accordance with NJAC 6A:23-2.2(g) as part of our test of transactions of randomly selected expenditure items. We also reviewed the coding of all expenditures included in our compliance and single audit testing procedures. In addition to randomly selecting a test sample, our sample selection specifically targeted administrative coding classifications to determine overall reliability and compliance with N.J.A.C 6A:23 A-8.3. As a result of the procedures performed, no exceptions were noted.

Instructional Expense

We performed the percentage test for instructional expenses in relation to the general fund expenditures; we noted that the instructional expenses accounted for 62.99% of the total general fund expenditures, which is higher than the required 60%.

We reviewed the financial and accounting records maintained by the Business Office. No exceptions noted.

Treasurer's Records

Our review of the treasurer's records disclosed that the Charter School is in compliance with the State requirements. All cash accounts were reconciled monthly and reporting requirements were met on time.

Our audit of the federal and state funds on a test basis indicated that obligations and expenditures were incurred during the fiscal year or project period for which the project was approved.

The financial exhibits are contained within the Special Revenue Section of the CAFR. This section of the CAFR documents the financial position pertaining to the aforementioned special projects – federal and state.

T.P.A.F. Reimbursement

Our audit procedures included a test of the biweekly reimbursements filed with the Department of Education for Charter School employees who are members of the Teachers Pension and Annuity Fund.

Based on the results of our examination, we did not note any individual payments, contracts, or agreements made for the performance of any work or goods or services, in excess of the statutory thresholds where there had been no advertising for bids in accordance with the provision of N.J.S.A 18A18A-4, amended.

Resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S.A 18A:A8A-5.

In as much as the system of records did not provide for an accumulation of payments for categories for the performance of any work or goods or services, the results of such accumulation could not reasonably be ascertained. Disbursements were reviewed, however, to determine whether any clear-cut violations existed.

The system of records did not provide for an accumulation of purchases for which the Charter School used contracts entered into by the state Department of Purchase and Property pursuant to ch.114,P.L.1977, therefore, the extent of such purchases could not reasonably be ascertained.
