**Auditors' Management Report On Administrative Findings**  
**Financial, Compliance and Performance**  
**For the Year Ended June 30, 2015**

**Scope of Audit**

The audit covered the financial transactions of the Board Secretary/School Business Administrator, the activities of the Charter School, and the records of the various funds under the auspices of the Charter School.

**Administrative Practices and Procedures**

**Insurance**

Fire insurance coverage was carried in the amounts as detailed on Exhibit J-20, Insurance Schedule contained in the charter school's CAFR.

**Official Bonds (N.J.S.A. 18A:17-32, 18A:13-13)**

<b><u>Name</u></b>	<b><u>Position</u></b>	<b><u>Amount</u></b>
Dr. Brian Falkowski	Board Secretary/School Business Administrator	\$150,000

There is a Public Employee's Faithful Performance Blanket Position Bond Policy covering all other employees with multiple coverage of \$25,000.

School Leaders Errors and Omissions Liability insurance was carried for all members of the Board of Trustees with coverage for each wrongful act of \$1,000,000

**Tuition Charges**

A review of the financial statements indicated that the charter school charged no tuition for any student attending the Charter School. And there is no evidence that the Charter School was engaged in the before/after school program during the year.

**Financial Planning, Accounting and Reporting**

**Examination of Claims**

An examination of claims paid during the period under review did not indicate any discrepancies with respect to signatures, certification or supporting documentation.

**Payroll Account**

The net salaries of all employees of the Charter School were deposited in the Payroll Account. Employees' payroll deductions and employer's share of fringe benefits were deposited in the Payroll Agency Account.

**NEWARK PREP CHARTER SCHOOL**  
**Auditors' Management Report On Administrative Findings**  
**Financial, Compliance and Performance**  
**For the Year Ended June 30, 2015**

All payrolls were approved by the designee in the Charter School and were certified by the President of the Board of Trustees, the School Business Administrator and the Principal/Director.

Salary withholdings were promptly remitted to the proper agencies, including health benefits withholdings due to the general fund.

Payrolls were delivered to the School Business Administrator/Board Secretary who then made cash transfers from the Operating account to the separate bank accounts for net payroll and the withholdings.

**Employee Certification**

***Finding # 2015-01 – Test of Employees Personnel Folders***

During our test of personnel information, we selected 10 employees and noted the following:

- The school nurse does have the New Jersey Board of Nursing certification but does not the New Jersey Department of Education School Nurse certification.
- Ten out of the fifteen employees tested did not have the annual performance evaluation on file.

**Recommendation:**

We recommend that all documentation be maintained on file. This policy helps to protect the interest of the Charter School

**Management Response:**

Management will follow up to ensure that the school nurse is licensed by the New Jersey Department of Education. Regarding the annual performance evaluation, majority of the employees identified were either employed for less than one year and/or had separated from the Charter School. However, efforts will be made to have annual performance evaluation information maintained on file for all employees.

**For the Year Ended June 30, 2015**

**Reserve for Encumbrances and Accounts Payable**

A review of outstanding issued purchased orders was made as of June 30 for proper classification of orders as reserve for encumbrances and accounts payable. No exceptions were noted.

**Classification of Expenditures**

The coding of expenditures was tested for proper classification in accordance with NJAC 6A:23-2.2(g) as part of our test of transactions of randomly selected expenditure items. We also reviewed the coding of all expenditures included in our compliance and single audit testing procedures. In addition to randomly selecting a test sample, our sample selection specifically targeted administrative coding classifications to determine overall reliability and compliance with N.J.A.C 6A:23 A-8.3. As a result of the procedures performed, no transaction error rate was noted.

**Board Secretary's Records**

We reviewed the financial and accounting records maintained by the Business Office. No exceptions noted.

**Treasurer's Records**

Our review of the treasurer's records disclosed that the Charter School is in compliance with the State requirements. All cash accounts were reconciled monthly and reporting requirements were met on time.

**Elementary and Secondary Education Act (E.S.E.A) / Improving America's Schools Act (IASA) as reauthorized by the No Child Left Behind Act of 2001.**

The E.S.E.A financial exhibits are contained within the Special Revenue Section of the CAFR. This section of the CAFR documents the financial position pertaining to the projects under Titles I through VI of the Elementary and Secondary Education Act as amended.

The study of compliance for E.S.E.A did not indicate any areas of noncompliance and/or questionable costs.

**Other Special Federal and/or State Projects**

The Charter School's Special Projects were approved as listed on Schedule A and Schedule B located in the CAFR.

**NEWARK PREP CHARTER SCHOOL**  
**Auditors' Management Report On Administrative Findings**  
**Financial, Compliance and Performance**  
**For the Year Ended June 30, 2015**

Our audit of the federal and state funds on a test basis indicated that obligations and expenditures were incurred during the fiscal year or project period for which the project was approved. No exceptions noted.

The financial exhibits are contained within the Special Revenue Section of the CAFR. This section of the CAFR documents the financial position pertaining to the aforementioned special projects – federal and state.

**T.P.A.F. Reimbursement**

Our audit procedures included a test of the biweekly reimbursements filed with the Department of Education for Charter School employees who are members of the Teachers Pension and Annuity Fund.

We noted that the Charter School claimed all of the TPAF/FICA reimbursements during the year ended June 30, 2015.

**School Purchasing Programs**

**Contracts and Agreements Requiring Advertising for Bids**

Effective July 1, 2010 and thereafter the bid thresholds in accordance with N.J.S.A 18A:18A-3 (as amended) and 18A:39-3 is \$36,000 (with a Qualified Purchasing Agent) and \$26,000 (without a Qualified Purchasing Agent), respectively. The law requiring bidding for public student transportation contract under N.J.S.A. 18A:39-3 is currently \$17,200.

The Charter School Board of Trustees has the responsibility of determining whether the expenditures in any category will exceed the statutory thresholds within the contract year. Where question arises as to whether any contract or agreement might result in violation of the statute, the Solicitor's opinion should be sought before a commitment is made.

Based on the results of our examination, we did not note any individual payments, contracts, or agreements made for the performance of any work or goods or services, in excess of the statutory thresholds where there had been no advertising for bids in accordance with the provision of N.J.S.A 18A:18A-4, amended.

Resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S.A 18A:A8A-5.

In as much as the system of records did not provide for an accumulation of payments for categories for the performance of any work or goods or services, the results of such accumulation could not reasonably be ascertained. Disbursements were reviewed, however, to determine whether any clear-cut violations existed.

**NEWARK PREP CHARTER SCHOOL**  
**Auditors' Management Report On Administrative Findings**  
**Financial, Compliance and Performance**  
**For the Year Ended June 30, 2015**

The system of records did not provide for an accumulation of purchases for which the Charter School used contracts entered into by the state Department of Purchase and Property pursuant to ch.114,P.L.1977, therefore, the extent of such purchases could not reasonably be ascertained.

**School Food Service**

The financial transactions and statistical records of the Charter School food services were maintained in satisfactory condition. The financial accounts, meal count records and eligibility applications were reviewed on a test-check basis.

The number of meals claimed for reimbursement was verified against sales and meal count records. As part of the claims review process the Edit Check Worksheet was completed. We noted that meals claimed agreed with meal count records. No exceptions noted. We also noted that the reimbursement claims were submitted/certified in a timely manner. Applications for free and reduced price meals were reviewed for completeness and accuracy. The number of free and reduced price meals claimed as served was compared to the number of valid applications on file, times the number of operating days, on a class by class basis. No exceptions noted. The free and reduced price meals and free milk policy is uniformly administered throughout the Charter school. The required verification procedures for free and reduced price applications were completed and available for review.

Expenditures were separately recorded as food, labor and other costs. Vendor invoices were reviewed and cost verified.

The cash disbursement records reflected expenditures for program related goods and services. The appropriate revenue and expenditure records were maintained in order to substantiate the non-profit status of the school food service. Net cash resources did not exceed three-month average expenditures.

Cash receipts and bank records were reviewed for timely deposit. No exceptions noted.

The Charter School uses a food service vending company. We noted that the Charter School deposited and expended food program monies in accordance with N.J.S.A 18A:17-34, and 19-1 through 19-4.1.

Food Distribution Program commodities were not received and therefore no inventory were maintained.

Exhibits reflecting Child Nutrition Program operations are included in the section entitled Enterprise Funds, Section G of the CAFR.

**NEWARK PREP CHARTER SCHOOL**  
**Auditors' Management Report On Administrative Findings**  
**Financial, Compliance and Performance**  
**For the Year Ended June 30, 2015**

***Finding 2015-002***

We noted that the Enterprise Fund - Child Nutrition Program incurred a deficit of \$171,515 for the year ended June 30, 2015. We further observed that the Food Program has incurred deficits in the two prior years. The deficit was funded by a transfer from the General Fund.

***Recommendation:***

However, we recommend that the Board should explore other ways of raising unrestricted donations/fund to fund the recurring deficits.

***Management Response:***

The deficit was anticipated at the budget preparation for the 2014-2015 school and covered by the General Fund. Management is reviewing various means of reducing the deficit.

**Student Body Activities**

Our audit did not reveal any student body activities during the fiscal year ended June 30, 2015.

**Enrollment Counts and Submission to the Department**

Our audit procedures included test of information reported on the October 15th, and the last day of school for on-roll, special education, bilingual and low income. We also performed a review of the Charter School procedures related to its completion.

***Finding 2015-003:***

Our audit of the enrollment counts noted the following exceptions:

- Folders not provided for three students on the enrollment report.
- Meals eligibility (free, reduced or paid) was reported as "Paid" for all students in the ninth grade for both the October 15, 2014 and last day of school counts.
- Lunch applications for all non-direct certification students were not subject to eligibility determination, that is, there is no evidence on the face of the lunch application that the eligibility determination was performed.
- Special education schools were reported on the enrollment uploads for both the October 15, 2014 and last day of school counts.

**NEWARK PREP CHARTER SCHOOL**  
**Auditors' Management Report On Administrative Findings**  
**Financial, Compliance and Performance**  
**For the Year Ended June 30, 2015**

***Recommendation:***

We recommend that the enrollment counts procedures should be thoroughly reviewed to ensure that all compliances requirements are met.

***Management Response***

Management considers this finding as an important issue to be address immediately. Administration is making all efforts to ensure that the issue is fully address and does not reoccur in the future.

**Follow-up on Prior Year's Findings**

In accordance with government auditing standards, our procedures included a review of all prior year recommendations and all were resolved except the following

- Employee folders test work revealed several missing required documents.
- The Charter School incurred a comparable deficit in its food service program which was funded by a transfer from the General Fund.
- Enrollment counts procedures still need to be improved on.

**Acknowledgement**

We received the complete cooperation of all the officials of the charter school and we greatly appreciate the courtesies extended to the members of the audit team.
