The net salaries of all employees of the Board were deposited in the Payroll Account. Employees' payroll deductions and employer's share of fringe benefits were deposited in the Payroll Agency Account.

All payrolls tested were certified by the President of the Board, the Board Secretary/School Business Administrator and approved by the Chief School Administrator.

Salary withholdings were promptly remitted to the proper agencies, including health benefits premium withholding due to the General Fund.

The Board has implemented and maintains a personnel tracking and accounting (position control) system.

Financial Planning, Accounting and Reporting

Reserve for Encumbrances and Accounts Payable

A review of outstanding issued purchase orders was made as of June 30, for goods not yet received or services not yet rendered and it was determined that no blanket purchase orders were included in the balance of the reserve for encumbrances. Also, unpaid purchase orders included in the balance of accounts payable were reviewed for propriety and to determine that goods were received and services were rendered, as of June 30.

Classification of Expenditures

The coding of expenditures was tested for proper classification in accordance with N.J.A.C. 6A:23A-16.2(f) as part of our test of transactions of randomly selected expenditure items. We also reviewed the coding of all expenditures included in our compliance and single audit testing procedures. In addition to randomly selecting a test sample, our sample selection specifically targeted administrative coding classifications to determine overall reliability and compliance with N.J.A.C. 6A:23A-8.3.

Board Secretary's Records

The financial records, books of account and minutes maintained by the Board Secretary were in good condition.

The prescribed contractual order system was followed.

Acknowledgement of the Board's receipt of the Board Secretary and Treasurer's monthly financial reports was included in the minutes.

Bids received were summarized in the minutes.

Finding – There was one line item over-expenditure caused by an audit adjustment; therefore no recommendation warranted.

Travel

The District has established a policy regulating travel.

Treasurer's Records

The Treasurer did perform cash reconciliations for all the accounts as required (N.J.S.A. 18A:17-36).

All cash receipts were promptly deposited.

The Treasurer's records were in agreement with the records of the Board Secretary.

<u>Unemployment Compensation Insurance Trust Fund</u>

The Board has adopted the direct reimbursement method and has established an Unemployment Compensation Insurance Trust Fund. The financial transactions of this fund are reported in the Fiduciary Fund.

Elementary and Secondary Education Act (E.S.E.A.)/Improving America's Schools Act (IASA) as reauthorized by the No Child Left Behind Act of 2001.

The E.S.E.A./I.A.S.A. financial exhibits are contained within the Special Revenue section of the CAFR. This section of the CAFR documents the financial position pertaining to projects under Titles I and II of the Elementary and Secondary Education Act as amended and reauthorized.

Financial Planning, Accounting and Reporting (Continued)

Other Special Federal and/or State Projects

The district's Special Projects were approved as listed on Exhibits K-3 and K-4 located in the CAFR.

Our audit of the federal and state funds on a test basis indicated that obligations and expenditures were incurred during the fiscal year or project period for which the project was approved.

The financial exhibits are contained within the Special Revenue Section of the CAFR. This section of the CAFR documents the financial position pertaining to the aforementioned special projects.

T.P.A.F Reimbursement to the State for Federal Salary Expenditures

The amount of the expenditure charged to the current year's Final Report(s) for all federal awards for the school district (or charter school or renaissance school project) to reimburse the State for the TPAF/FICA payments made by the Sate on-behalf of the school district (or charter school or renaissance school project) for those employees whose salaries are identified as being paid from federal funds was made prior to the end of the 90 day grant liquidation period required by the Office of Grants Management. The expenditure was reviewed subsequent to the reimbursement and no exceptions were noted.

T.P.A.F. Reimbursement

Our audit procedures included a test of the semi-monthly reimbursements filed with the Department of Education for district employees who are members of the Teachers Pension and Annuity Fund. No exceptions were noted.

Nonpublic State Aid

Project Completion Reports were finalized and transmitted to the Department by the due date.

School Purchasing Programs

Contracts and Agreements Requiring Advertisement for Bids

The bid thresholds in accordance with N.J.S.A. 18A:18A-2 and 18A:18A-3(a) are \$40,000 (with a qualified purchasing agent) and \$29,000 (without a qualified purchasing agent), respectively. The Board appointed the School Business Administrator as a qualified purchasing agent for the Board which raises the bidding threshold to \$40,000. The law regulating bidding for public school transportation contracts under N.J.S.A. 18A:39-3 is currently \$18,800.

The Cedar Grove Public Schools has the responsibility of determining whether the expenditures in any category will exceed the statutory thresholds within the fiscal year. Where question arises as to whether any contract or agreement might result in violation of the statute, the Solicitor's opinion should be sought before a commitment is made.

Inasmuch as the system of records did not provide for an accumulation of payments for categories for the performance of any work or goods or service, the result of such an accumulation could not reasonably be ascertained. Disbursements were reviewed, however, to determine whether any clear-cut violations existed.

School Purchasing Programs (Continued)

Contracts and Agreements Requiring Advertisement for Bids (Continued)

The results of our examination indicate that no individual payments, contracts, or agreements which were made "for the performance of any work or the furnishing or hiring of any materials or supplies," in excess of statutory thresholds where there had been no advertising for bids in accordance with the provisions of N.J.S.A. 18A:18A-4, as amended.

Resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S.A. 18A:18A-5.

The system of records did not provide for an accumulation of purchases for which the school board used contracts entered into by the State Department of Purchase and Property pursuant to Ch. 114, P.L. 1977, therefore, the extent of such purchases could not reasonably be ascertained. Our examination did reveal, however, that the district purchased items through the use of State contracts.

School Food Service

The financial transactions and statistical records of the school food service fund were maintained in good condition.

Expenditures were separately recorded as food, labor and other costs. Vendor invoices were reviewed and costs verified. Inventory records on food supply items were currently maintained and properly applied in determining the cost of food and supplies used.

Time sheets were reviewed and labor costs verified. Payroll records were maintained on all school food services employees authorized by the board of education.

Cash receipts and bank records were reviewed for timely deposit.

The District has contracted with Pomptonian as its food service management company (FSMC) and is depositing and expending program monies in accordance with N.J.S.A. 18A:17-34 and 19-1 through 19-4.1. Provisions of the FSMC contract/addendum were reviewed and audited. The FSMC contract does not include an operating results provision.

The cash disbursements records reflected expenditures for program related goods and services. The appropriate revenue and expenditure records were maintained in order to substantiate the non-profit status of the school food service.

Student Activity and Athletic Association Accounts

The district has established a policy for the recording and processing of the cash receipts and cash disbursements for the student activity accounts.

Cash receipts and disbursements records of the Student Body Activity and Athletic Association Accounts were maintained in good condition.

Application for State School Aid

Our audit procedures included a test of information reported in the October 15, 2015 Application for State School Aid (A.S.S.A.) for on-roll, private schools for the handicapped, related services, low-income and bilingual. We also performed a review of the district procedures related to its completion. The information on the A.S.S.A. was compared to the district workpapers without exception. The information that was included on the workpapers was verified with isolated exceptions. The results of our procedures are presented in the Schedule of Audited Enrollments.

The District maintained workpapers on the prescribed State forms or their equivalent.

The District written procedures appear to be adequate for the recording of student enrollment data.

Pupil Transportation

Our audit procedures included a test of on roll status reported in the 2015-2016 District Report of Transported Resident Students (DRTRS). The information that was included on the DRTRS was verified to the DRTRS Eligibility Summary Report without exception. The information on the DRTRS was compared to District records with an isolated exception. The results of our procedures are presented in the Schedule of Audited Enrollments.

Our procedures also included a review of transportation-related contracts and purchases. Based on our review, the District did comply with proper bidding procedures and award of transportation contracts.

Follow-Up on Prior Year Findings

A review was performed on all prior year findings, see recommendation for results.

Management Suggestions

The District continue monitoring its potential arbitrage rebate liability during the temporary financing period for the new referendum project.
