Contracts and Agreements Requiring Advertisement for Bids

N.J.S.A. 18A:18A-1 et seq. (Public School Contracts Law), the associated rules and related information on the statute, and the school contracts in general are available on the website:

<http://www.state.nj.us/dca/divisions/dlgs/programs/lpcl.html>

The law regulating bidding for public school student transportation contracts under N.J.S.A. 18A:39-3 is \$18,800.00 for 2015-16.

The School District's Board of Education has the responsibility of determining whether the expenditures in any category will exceed the statutory thresholds within the contract year. Where question arises as to whether any contract or agreement might result in violation of the statute, the solicitor's opinion should be sought before a commitment is made.

Based on the results of our, we did not note any individual payments, contracts, or agreements made for the performance of any work or goods or services, in excess of the statutory thresholds where there had been no advertising for bids in accordance with the provision of N.J.S.A. 18A:18A-4, amended.

Resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S.A. 18A:18A-5.

Provisions of the FSMC contract / addendum were reviewed and audited. The FSMC contract includes an operating results provision which guarantees that the food service program will produce a surplus of \$77,469 subject to limitations for the 2015-2016 school year. The operating results provision has not been met and an accounts receivable due from the FSMC was recorded to account for the results of this provision.

Expenditures should be separately recorded as food, labor and other costs. Vendor invoices were sampled and costs verified. Inventory records on food and supply items were currently maintained and properly applied in determining the cost of food and supplies used.
