**AUDITORS' MANAGEMENT REPORT ON ADMINISTRATIVE  
FINDINGS - FINANCIAL, COMPLIANCE AND PERFORMANCE**

The Honorable President and  
Members of the Board of Education  
Barrington School District  
Barrington, New Jersey

I have audited, in accordance with generally accepted audit standards and *Government Auditing Standards*, issued by the Comptroller General of the United States, the basic financial statements of the Board of Education of the Barrington School District, in the County of Camden for the year ended June 30, 2018, and have issued my report thereon dated January 31, 2019.

As part of my audit, I performed procedures required by the New Jersey Department of Education, and the findings and results thereof are disclosed on the following pages, as listed in the accompanying table of contents.

This report is intended for the information of the Barrington Board of Education and the New Jersey Department of Education. However, this report is a matter of public record and its distribution is not limited.

## ADMINISTRATIVE FINDINGS - FINANCIAL, COMPLIANCE AND PERFORMANCE

### Scope of Audit

The audit covered the financial transactions of the Board Secretary/School Business Administrator and the Treasurer of School Moneys, the activities of the School District, and the records of the various funds under the auspices of the Board of Education.

### Administrative Practices and Procedures

#### **Insurance**

Fire insurance coverage was carried in the amounts as detailed on Exhibit J-20 Insurance Schedule contained in the School District's CAFR.

### Officials Bonds

<u>Name</u>	<u>Position</u>	<u>Amount</u>
Samuel Dutkin	Board Secretary/School Business Administrator	\$ 50,000
Mary E. Bakey	Treasurer	200,000

There is a Public Employees' Faithful Performance Blanket Position Bond covering all other employees with multiple coverage of \$250,000.

### Tuition Charges

There were no tuition charges which would require the School District to make the necessary adjustment per *N.J.A.C. 6:23A-3.1(f)3*.

### Financial Planning, Accounting and Reporting

#### Examination of Claims

An examination of claims paid during the period under audit did not indicate any discrepancies with respect to signatures, certifications or supporting documentation.

#### Payroll Account

The net salaries of all employees of the School District were deposited in the Payroll Account. Employees' payroll deductions and employer's share of fringe benefits were deposited in the Payroll Agency Account.

All payrolls were approved by the Superintendent and were certified by the President of the Board, the Board Secretary/Business Administrator and the Chief School Administrator.

Salary withholdings were promptly remitted to the proper agencies, including health benefits withholding due to the general fund.

## **Financial Planning, Accounting and Reporting (Continued)**

### **Payroll Account (Continued)**

Payrolls were delivered to the Treasurer of School Moneys with a warrant made to her order for the full amount of each payroll.

The required certification (E-CERT1) of compliance with requirements for income tax on compensation of administrators to the NJ Dept. of Treasury was filed by the March 15 due date.

The Payroll Account records were maintained in good condition.

### **Position Control Roster**

No exceptions were noted during my examination of the Employee Position Control Roster

### **Reserve for Encumbrances and Accounts Payable**

A review of outstanding issued purchase orders was made as of June 30 for proper classification of orders as reserve for encumbrances and accounts payable. My review did not indicate any material discrepancies with respect to classification of orders.

### **Obligations of Federal Grant Awards and Requests for Reimbursement of Expenditures against those Federal Grant Awards**

No exceptions were noted during my examination of obligations of federal grant awards and requests for reimbursement of expenditures against those federal grant awards made during the period under audit.

### **Travel**

No exceptions were noted in my study of compliance for travel expenses.

### **Classification of Expenditures**

The coding of expenditures was tested for proper classification in accordance with *N.J.A.C. 6A:23A-16.2(f)* as part of my test of transactions of randomly selected expenditure items. I also reviewed the coding of all expenditures included in my compliance and single audit testing procedures. In addition to randomly selecting a test sample, my sample selection specifically targeted administrative coding classifications to determine overall reliability and compliance with *N.J.A.C. 6A:23A-8.2*. My review did not indicate any material discrepancies with respect to classification of expenditures.

### **Board Secretary/Business Administrator's Record**

The financial and accounting records of the Board Secretary/Business Administrator's office were maintained in good condition.

### **Treasurer's Records**

The financial and accounting records of the Treasurer were maintained in good condition.

**Financial Planning, Accounting and Reporting (Continued)**

**Elementary and Secondary Education Act (E.S.E.A.) as amended by the Every Student Succeeds Act (ESSA)**

The E.S.E.A./ASSA. financial exhibits are contained within the Special Revenue Section of the CAFR. This section of the CAFR documents the financial position pertaining to the projects under Titles I and VI of the Elementary and Secondary Education Act as amended and reauthorized.

The study of compliance for E.S.E.A./ESSA did not indicate any exceptions.

**Other Special Federal and/or State Projects**

The School District's Special Projects were approved as listed on Schedule A and Schedule B located in the CAFR.

My audit of the federal and state funds on a test basis indicated that obligations and expenditures were incurred during the fiscal year or project period for which the project was approved.

The financial exhibits are contained within the Special Revenue Section of the CAFR. This section of the CAFR documents the financial position pertaining to the aforementioned special projects.

The study of compliance for the special projects did not indicate any exceptions.

**T.P.A.F. Reimbursement**

My audit procedures included a test of the biweekly reimbursements filed with the Department of Education for School District employees who are members of the Teachers Pension and Annuity Fund. No exceptions were noted.

**T.P.A.F. Reimbursement to the State for Federal Salary Expenditures**

The amount of the expenditure charged to the current year's Final Reports for all federal awards for the school district to reimburse the state for TPAF/FICA payments made by the State on behalf of the school district for those employees whose salaries are identified as being paid from federal funds was made prior to the end of the 60 day grant liquidation period required by the Office of Grants Management. The expenditure was reviewed subsequent to the reimbursement and no exceptions were noted.

**Nonpublic State Aid**

The study of compliance for Nonpublic State Aid did not indicate any exceptions.

**School Purchasing Programs**

**Contracts and Agreements Requiring Advertisement for Bids**

The bid thresholds in accordance with N.J.S.A. 18A:18A-2 and N.J.S.A. 18A:18A-3(a) are \$40,000 (with a Qualified Purchasing Agent) and \$29,000 (without a Qualified Purchasing Agent), respectively. The law regulating bidding for public school student transportation contracts under N.J.S.A. 18A:39-3 is \$19,000.

The School District has the responsibility of determining whether the expenditures in any category will exceed the statutory thresholds within the contract year. Where question arises as to whether any contract or agreement might result in violation of the statute, the Solicitor's opinion should be sought before a commitment is made.

### **School Purchasing Programs (Continued)**

Based on the results of my examination, I did not note any individual payments, contracts, or agreements made for the performance of any work or goods or services, in excess of the statutory thresholds where there had been no advertising for bids in accordance with the provision of N.J.S.A. 18A:18A-4, as amended.

Resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S.A. 18A:18A-5.

### **School Food Service**

For the fiscal year ended June 30, 2018, the School District expended less than \$100,000 in federal and/or state funds for its Child Nutrition Program.

### **Student Body Activities**

The following was noted in the review of the Student Activity Funds:

#### **Finding #2015-001**

Cash receipts supporting documentation was not maintained for the Woodland School student activity fund.

#### **Recommendation:**

That supporting documentation is maintained for all student activity receipts.

### **Application for State School Aid**

My audit procedures included a test of information reported in the October 15, 2017 Application for State School Aid (A.S.S.A.) for on-roll, private schools for the handicapped, low-income and bilingual. I also performed a review of the District procedures related to its completion. The information on the A.S.S.A. was compared to the District workpapers with no exceptions noted. The results of my procedures are presented in the Schedule of Audited Enrollments.

The District maintained workpapers on the prescribed state forms or their equivalent.

The District has adequate written procedures for the recording of student enrollment data.

### **Pupil Transportation**

My procedures included a test of on roll status reported in the 2017-2018 District Report of Transported Resident Students (DRTRS). The information that was included on the DRTRS was verified to the DRTRS Eligibility Summary Report without exception. The results of my procedures are presented in the Schedule of Audited Enrollments.

My procedures also included a review of transportation related contracts and purchases. Based on my review, the School District complied with proper bidding procedures and award of contracts. No exceptions were noted in my review of transportation related purchases of goods and services.

**Testing for Lead of all Drinking Water in Educational Facilities**

The School District adhered to all the requirements of N.J.A.C. 26-1.2 and 12.4 related to the testing for lead of all drinking water in educational facilities.

The school district did submit the annual Statement of Assurance to the Department of Education, pursuant to N.J.A.C. 6A:26-12.4(g).

**Follow-up on Prior Years' Findings**

In accordance with government auditing standards, my procedures included a review of all prior year recommendations. Corrective action has been taken on the prior year finding.

**Acknowledgment**

I received the complete cooperation of all the officials of the Barrington School District and I greatly appreciate the courtesies extended to the members of the audit team.
