INDEPENDENT AUDITORS' REPORT

Honorable President and Members
of the Board of Education
Livingston Township School District
County of Essex, New Jersey

We have audited, in accordance with generally accepted auditing standards and *Government Auditing Standards* issued by the Comptroller General of the United States, the basic financial statements of the Board of Education of the Livingston Township School District in the County of Essex as of and for the year ended June 30, 2018, and have issued our report thereon dated February 14, 2019.

As part of our audit, we performed procedures required by the New Jersey Department of Education, and the findings and results thereof are disclosed on the following pages, as listed in the accompanying table of contents.

This report is intended solely for the information of the Livingston Township Board of Education's management and Board Members and the New Jersey Department of Education. However, this report is a matter of public record and its distribution is not limited.

Scott A. Clelland
Licensed Public School Accountant
No. 1049

LIVINGSTON TOWNSHIP SCHOOL DISTRICT

**MANAGEMENT REPORT ON ADMINISTRATIVE FINDINGS –
FINANCIAL, COMPLIANCE AND PERFORMANCE**

Scope of Audit

The audit covered the financial transactions of the Board Secretary/School Business Administrator and Manager of Accounting and Finance, the activities of the Board of Education and the records of the various funds under the auspices of the Board of Education.

Administrative Practices and Procedures

Insurance

Fire insurance coverage was carried in the amounts as detailed on J-20, Insurance Schedule contained in the District's CAFR.

Official Bonds (N.J.S.A.18A:17-26, 18A:17-32, 18A:13-13)

<u>Name</u>	<u>Position</u>	<u>Amount</u>
Steven Robinson	Board Secretary/School Business Administrator	\$ 500,000
Patricia Ramos	Assistant Business Administrator	\$ 10,000

There is a Public Employees' Faithful Performance Blanket Position Bond with the General Property and Casualty Co. covering all other employees with multiple coverage of \$400,000.

Tuition Charges

A comparison of tentative tuition charges and actual certified tuition charges was made. The District made a proper adjustment to the billings to sending Districts for the increase (decrease) in per pupil costs in accordance with *N.J.A.C. 6A:23A-17.1(f)3*, which is performed as part of the District's annual budget process. No exceptions were noted.

Financial Planning, Accounting and Reporting

Examination of Claims

An examination of claims paid during the period did not indicate any discrepancies with respect to signatures, certification or supporting documentation.

Payroll Account and Position Control Roster

The net salaries of all employees of the Board were deposited in the payroll account. Employees' payroll deductions and employer's share of fringe benefits were deposited in the payroll agency account.

All payrolls tested were approved by the Superintendent and were certified by the President of the Board and the Board Secretary/Business Administrator.

Salary withholdings were promptly remitted to the proper agencies, including health benefits withholding due to the general fund.

LIVINGSTON TOWNSHIP SCHOOL DISTRICT

MANAGEMENT REPORT ON ADMINISTRATIVE FINDINGS – FINANCIAL, COMPLIANCE AND PERFORMANCE

Payrolls were delivered to the secretary of the board who then deposited with warrants in separate bank accounts for net payroll and withholdings.

Our review of the payroll accounts did not reveal any exceptions.

An inquiry and subsequent review of the Position Control Roster did not identify any inconsistencies between the payroll records, employee benefit records, the general ledger accounts to where wages are posted, and the Position Control Roster.

Reserve for Encumbrances and Accounts Payable

A review of outstanding issued purchase orders was made as of June 30 for proper classification of orders as reserve for encumbrances and accounts payable. No exceptions were noted.

Classification of Expenditures

The coding of expenditures was tested for proper classification in accordance with *N.J.A.C. 6A:23A-16.2(f)* as part of our test of transactions of randomly selected expenditure items. We also reviewed the coding of all expenditures included in our compliance and single audit testing procedures. In addition to randomly selecting a test sample, we also selected a sample of administrative coding classifications to determine overall reliability and compliance with *N.J.A.C. 6A:23A-8.3*. As a result of the procedures performed, a transaction error rate of 0% was noted and no additional procedures were deemed necessary to test the propriety of expenditure classification.

Board Secretary's Records

Our review of the financial and accounting records maintained by the Board Secretary did not identify any exceptions.

Treasurer's Records (optional position)

Our review of the financial and accounting records maintained by the Manager of Accounting and Finance disclosed no exceptions.

Elementary and Secondary Education Act (E.S.E.A.) as amended by the Every Student Succeeds Act (ESSA)

The E.S.E.A. financial exhibits are contained within the Special Revenue Section of the CAFR. This section of the CAFR documents the financial position pertaining to the projects under Titles I, II, III and IV of the Elementary and Secondary Education Act as amended and reauthorized.

The study of compliance for E.S.E.A. indicated no instances of noncompliance and/or questionable costs.

Other Special Federal and/or State Projects

The District's special projects were approved as listed on Schedules A (K-3) and B (K-4) located in the CAFR.

Our audit of the federal and state funds on a test basis, indicated that obligations and expenditures were incurred during the fiscal year or project period for which the project was approved.

LIVINGSTON TOWNSHIP SCHOOL DISTRICT
MANAGEMENT REPORT ON ADMINISTRATIVE FINDINGS –
FINANCIAL, COMPLIANCE AND PERFORMANCE

The financial exhibits are contained within the Special Revenue Section of the CAFR. This section of the CAFR documents the financial position pertaining to the aforementioned special projects.

The study of compliance for the special projects indicated no instances of noncompliance that are required to be reported in accordance with the Uniform Guidance or State OMB 15-08.

T.P.A.F. Reimbursement

Our audit procedures included a test of the biweekly reimbursements filed with the Department of Education for District employees who are members of the Teachers' Pension and Annuity Fund. No exceptions were noted.

T.P.A.F. Reimbursement to the State for Federal Salary Expenditures

The amount of the expenditure charged to the current year's Final Report for all federal awards for the school district to reimburse the State for the TPAF/FICA payments made by the State on-behalf of the school district for those employees whose salaries are identified as being paid from federal funds was made prior to the end of the 90 day grant liquidation period required by the Office of Grants Management. The expenditure was reviewed subsequent to the reimbursement and no exceptions were noted.

Nonpublic State Aid

Our review of the Nonpublic State Aid completion reports disclosed no exceptions.

School Purchasing Programs

Contracts and Agreements Requiring Advertisement for Bids

The bid thresholds in accordance with *N.J.S.A. 18A:18A-2* and *18A:39-3(a)* are \$40,000 (with a Qualified Purchasing Agent) and \$29,000 (without a Qualified Purchasing Agent), respectively. The law regulating bidding for public school transportation contracts under *N.J.S.A. 18A:39-3* is \$19,000 for 2017-18.

The District Board of Education has the responsibility of determining whether the expenditures in any category will exceed the statutory thresholds within the contract year. Where question arises as to whether any contract or agreement might result in violation of the statute, the solicitor's opinion should be sought before a commitment is made.

Based on the results of our examination, I did not note any individual payments, contracts, or agreements made for the performance of any work or goods or services, in excess of statutory thresholds where there had been no advertising for bids in accordance with the provision of *N.J.S.A. 18A:18A-4*.

Resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services" per *N.J.S.A. 18A:18A-5*. No exceptions were identified.

LIVINGSTON TOWNSHIP SCHOOL DISTRICT
MANAGEMENT REPORT ON ADMINISTRATIVE FINDINGS –
FINANCIAL, COMPLIANCE AND PERFORMANCE

School Food Service

The District does not participate in the federal or state Child Nutrition Program.

Exhibits reflecting the food service enterprise fund are included in the B-4 through B-6 section of the CAFR.

Student Body Activities

Our audit procedures included a test of items selected from cash receipts and cash disbursements for the student activity funds for various District schools. No exceptions were noted.

Application for State School Aid (ASSA)

Our audit procedures included a test of information reported in the October 13, 2017 Application for State School Aid (A.S.S.A.) for on-roll, private schools for the handicapped, low-income and bilingual. We also performed a review of the District procedures related to its completion. The information on the A.S.S.A. was compared to the District workpapers with exceptions as noted in the accompanying Schedule of Audited Enrollments. The first exception is where a student was receiving a free lunch, but should have been paying a reduced price for lunch. The second exception is where the classification between low-income and not low-income for LEP students did not agree for one student. The information that was included on the workpapers was verified, with exceptions as noted in the accompanying Schedule of Audited Enrollments. The results of our procedures are presented in the Schedule of Audited Enrollments.

The District maintained workpapers on the prescribed state forms or their equivalent.

The District written procedures are adequate for the recording of student enrollment data.

Pupil Transportation

Our audit procedures included a test of on-roll status reported in the 2017-18 District Report of Transported Resident Students (“DRTRS”). The information that was included on the DRTRS was verified to the DRTRS Eligibility Summary Report with minor exceptions as noted in the accompanying Schedule of Audited Enrollments. The results of our procedures are presented in the Schedule of Audited Enrollments.

Our procedures also included a review on a test check basis of transportation related contracts and purchases. Based on our review, the District complied with proper bidding procedures and award of contracts. The bid specifications for the purchase of buses were in compliance statutes, where applicable. No exceptions were noted in our review of transportation related purchases of goods and services.

LIVINGSTON TOWNSHIP SCHOOL DISTRICT
MANAGEMENT REPORT ON ADMINISTRATIVE FINDINGS –
FINANCIAL, COMPLIANCE AND PERFORMANCE

Facilities and Capital Assets

Our procedures included a review of the New Jersey Schools Development Authority (“NJSDA”) grant agreements for consistency with recording NJSDA revenue, transfers of local funds from the general fund or from the capital reserve account, and awarding contracts for eligible facilities construction. No exceptions were noted.

Miscellaneous

Testing for Lead of All Drinking Water in Educational Facilities

The school district adhered to all the requirements of *N.J.A.C. 26-1.2* and *12.4* related to the testing for lead of all drinking water in educational facilities.

The school district submitted the annual Statement of Assurance to the Department of Education, pursuant to *N.J.A.C. 6A:26-12.4(g)*.

Capital Projects

The District has a large accounts receivable balance related to capital projects that have been completed. We suggest the District continue to provide the necessary documentation to the SDA in order to ensure collectability of the outstanding accounts receivable balance. Once the District has received the funds from the State, any remaining local funds should be returned to their original funding sources.

Information Technology

We suggest the District strengthen some of its policies related to information technology, including:

- District employees’ passwords to include additional number of characters and include a combination of numbers, symbols and case, as well as requiring that they be changed more frequently.
- The District should consider performing annual security testing, rather than bi-annually vulnerability assessment.
- The District should maintain a disaster recovery plan that implements a specific security breach plan.

Follow-up on Prior Year Findings

In accordance with *Government Auditing Standards*, our procedures included a review of all prior year recommendations, including findings. There were no prior year findings.

There were no audit reports issued by the Office of Fiscal Accountability and Compliance (OFAC) during the 2018 fiscal year.

Acknowledgment

We received the complete cooperation of all the officials of the School District and we greatly appreciate the courtesies extended to the members of the audit team.
