REPORT OF INDEPENDENT AUDITORS

Honorable President and Members of the Board of Education Township of Upper School District County of Cape May, New Jersey

We have audited, in accordance with audit standards generally accepted in the United States of America and <u>Government Auditing Standards</u> issued by the Comptroller General of the United States, the basic financial statements of the Board of Education of the Upper Township School District in the County of Cape May for the year ended June 30, 2018, and have issued our report there on dated January 25, 2019.

As part of our audit, we performed procedures required by the New Jersey Department of Education, and the findings and results thereof are disclosed on the following pages, as listed in the accompanying table of contents.

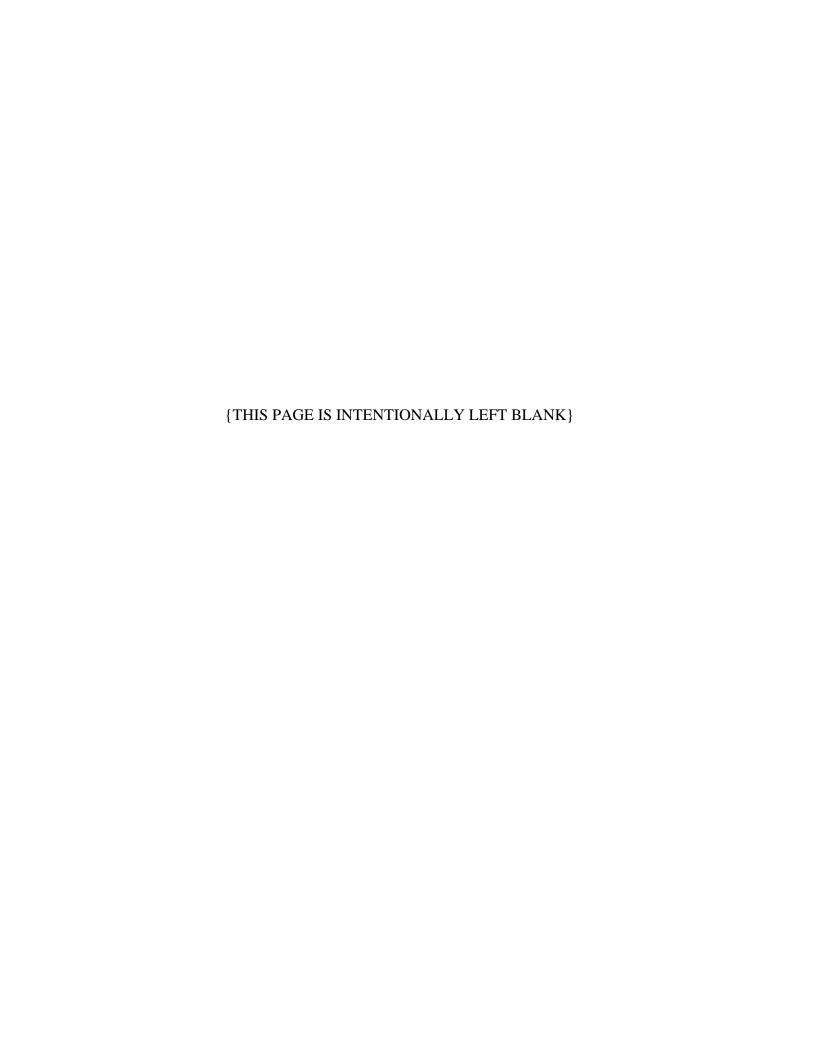

This report is intended for the information of the Upper Township Board of Education's management and the New Jersey State Department of Education. However, this report is a matter of public record and its distribution is not limited.

January 25, 2019

ADMINISTRATIVE FINDINGS - FINANCIAL, COMPLIANCE AND PERFORMANCE REPORTING

Scope of Audit

The audit covered the financial transactions of the Board Secretary/School Business Administrator and the Treasurer of School Moneys, the activities of the Board of Education, and the records of the various funds under the auspices of the Board of Education.

Administrative Practices and Procedures

<u>Insurance</u>

Insurance coverage was carried in the amounts as detailed on Exhibit J-20, Insurance Schedule contained in the District's CAFR.

Official Bonds

Name	Position	 Amount
Laurie Ryan	Board Secretary / School	
	Business Administrator	\$ 10,000.00
Carroll A. Bailey	Treasurer	275,000.00

Tuition Charges

A comparison of tentative tuition charges and actual certified tuition charges was made. The actual costs were different than estimated costs. The Board made proper adjustments to the billings to sending districts for the actual per pupil costs in accordance with N.J.A.C. 6A:23-3.1(f)3.

Financial Planning, Accounting and Reporting

Examination of Claims

An examination of claims paid during the period under review did not indicate any discrepancies with respect to signatures, certification or supporting documentation.

Payroll Account

The net salaries of all employees of the Board were deposited in the Payroll Account. Employees' payroll deductions and employer's share of fringe benefits were deposited in the Payroll Agency Account.

All payrolls were approved by the Superintendent and were certified by the President of the Board and the Board Secretary/School Business Administrator

Salary withholdings were promptly remitted to the proper agencies, including health benefits withholding due to the general fund.

Payrolls were delivered to the treasurer of school moneys with a warrant made to her order for the full amount of each payroll.

Reserve for Encumbrances and Accounts Payable

A review of outstanding issued purchase orders was made as of June 30 for proper classification of orders as reserve for encumbrances and accounts payable. No discrepancies were noted.

Classification of Expenditures

The coding of expenditures was tested for proper classification in accordance with N.J.A.C. 6A:23A-16.2(f) as part of our test of transactions of randomly selected expenditure items. We also reviewed the coding of all expenditures included in our compliance and single audit testing procedures. In addition to randomly selecting a test sample, our sample selection specifically targeted administrative coding classifications to determine overall reliability and compliance with N.J.A.C. 6A:23A-8.3. As a result of the procedures performed, a transaction error rate of 0.00% was noted and no additional procedures were deemed necessary to test the propriety of expenditure classification.

- A. General Classification Findings
- B. Administrative Classification Findings

Business Administrator / Board Secretary's Records

The Board Secretary's Records were in satisfactory condition.

Bids received were summarized in the minutes.

Acknowledgement of the Board's receipt of the Board Secretary's and the Treasurer's monthly financial reports were included in the minutes.

Budget appropriations were not greater than realized revenues and Board authorized use of surplus in all funds except for the Debt Service Fund as noted below.

No budgetary line accounts were over-expended during the fiscal year and at June 30.

Purchase orders were charged to the appropriate line accounts in accordance with State prescribed Uniform Minimum Chart of Accounts (2R2), for New Jersey Public Schools.

Treasurer's Records

The Board Treasurer's Records were in satisfactory condition.

All required reconciliations were performed.

All cash receipts were promptly deposited.

The Treasurer's Records were in agreement with the Board Secretary.

Pupil Transportation

Our audit procedures included a test of on roll status reported in the 2016-17 District Report of Transported Resident Students (DRTRS). The information that was included on the DRTRS was verified to the DRTRS Eligibility Summary Report with one exception noted. The results of our procedures are presented in the Schedule of Audited Enrollments.

Our procedures also include a review of transportation related contracts and purchases. Based on our review, the District complied with proper bidding procedures and award of contracts. The bid specifications for the purchase of buses were in compliance with applicable statutes. No exceptions were noted in our review of transportation related purchases of goods and services.

<u>Elementary and Secondary Education Act (E.S.E.A.) / Improving America's Schools Act (IASA) as</u> reauthorized by the No Child Left Behind Act of 2001.

The E.S.E.A./NCLB financial exhibits are contained within the Special Revenue Section of the CAFR. This section of the CAFR documents the financial position pertaining to the projects under Titles I and VI of the Elementary and Secondary Education Act as amended and reauthorized.

The study of compliance for E.S.E.A. revealed no areas of noncompliance and/or questionable costs.

Other Special Federal and/or State Projects

The District's Special Projects were approved as listed on the Schedule A and Schedule B in the CAFR.

Our audit of the federal and state funds on a test basis indicated that obligations and expenditures were incurred during the fiscal year or project period for which the project was approved.

The financial exhibits are contained within the Special Revenue Section of the CAFR. This section of the CAFR documents the financial position pertaining to the aforementioned special projects.

The study of compliance for Special Federal and/or State Projects revealed no areas of noncompliance and/or questionable costs.

T.P.A.F. Reimbursement

Our audit procedures included a test of the biweekly reimbursement forms filed with the Department of Education for district employees who are members of the Teachers Pension and Annuity Fund. No exceptions were noted.

TPAF Reimbursement to the State for Federal Salary Expenditures

The amount of the expenditures charged to the current year's final reports for all federal awards for the school district to reimburse the State for the TPAF/FICA payments made by the State on-behalf of the school district for those employees whose salaries are identified as being paid from federal funds was made prior to the end of the 60 day grant liquidation period required by the Office of Grants Management. The expenditure was reviewed subsequent to the reimbursement and no exceptions were noted.

School Purchasing Programs

Contracts and Agreements Requiring Advertisement for Bids

The bid Thresholds in accordance with N.J.S.A. 18A:18A-2 and 18A:18A-3(a) are \$40,000 (with a Qualified Purchasing Agent) and \$29,000 (without a Qualified Purchasing Agent), respectively. The law regulating bidding for public school student transportation contracts under N.J.S.A. 18A:39-3 is \$19,000 for 2017-2018.

The Board of Education has the responsibility of determining whether the expenditures in any category will exceed the statutory thresholds within the fiscal year. Where question arises as to whether any contract or agreement might result in violation of the statute, the Solicitor's opinion should be sought before a commitment is made.

The results of my examination indicated that no individual payments, contracts, or agreements were made for the performance of any work or goods or services, in excess of the statutory thresholds where there had been no advertising for bids in accordance with the provision of N.J.S.A. 18A:18A-4, amended.

Resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S.A. 18A:18A-5.

Student Body Activities

During our review of the student activity funds, the records were found to be in satisfactory condition.

Application for State School Aid

Our audit procedures included a test of information reported in the October 15, 2017 Application for State School Aid (ASSA) for on-roll, private schools for the handicapped, low income, and bilingual. We also performed a review of the districts procedures related to its completion. The information on the ASSA was compared to the district workpapers without exception. The information that was included on the workpapers was verified without exception. The results of our procedures are presented in the Schedule of Audited Enrollments.

The District maintained workpapers on the prescribed state forms or their equivalent.

The District has adequate written procedures for the recording of student enrollment data.

Testing for Lead of All Drinking Water in Educational Facilities

The School District adhered to all the requirements of N.J.A.C. 26-1.2 and 12.4 related to the testing for lead of all drinking water in educational facilities.

Follow-Up on Prior Year Findings

Not Applicable

Acknowledgment

We received the complete cooperation of all the officials of the school district and we greatly appreciate the courtesies extended to the members of the audit team.
