The expenditure was reviewed subsequent to the reimbursement and no exceptions were noted.

SCHOOL PURCHASING PROGRAM

Contracts and Agreements Requiring Advertisement for Bids

N.J.S.A. 18A:18A-3 states:

- a. Any purchase, contract or agreement for the performance of any work or the furnishing or hiring of materials or supplies, the cost or price of which, together with any other sums expended or foreseeably to be expended for the performance of any work or services in connection with the same project or the furnishing of similar materials or supplies during the same fiscal year paid with or out of school funds, does not exceed the total sum of \$7,500 or the amount determined pursuant to subsection b. of this section, in the fiscal year or, in the case of purchases that are not annually recurring, in a period of one year may be made, negotiated and awarded by a contracting agent when so authorized by resolution of the board of education without public advertising for bids and bidding therefore.
- b. Commencing January 1, 1983 and every two years thereafter, the Governor, in consultation with the Department of Treasury, shall adjust the threshold amount set forth in subsection a. of this section in direct proportion to the rise or fall of the consumer price index for all urban consumers in the New York City and Philadelphia area as reported by the United States Department of Labor. The Governor shall notify all local school districts of the adjustment. The adjustment shall become effective on July 1 of the year in which is it reported.

N.J.S.A. 18A:18A-4 states, "Every contract or agreement for the performance of any work or the furnishing or hiring of any materials or supplies, the cost or the contract price thereof is to be paid with or out of school funds, not included within the terms of N.J.S.A. 18A:18A-3, shall be made and awarded only by the board of education after public advertising for bids and bidding therefore, except as is provided otherwise in this chapter or specifically by any other law. No work, materials or supplies shall be undertaken, acquired or furnished for a sum exceeding in the aggregate the amount set forth in, or calculated by the Governor pursuant to N.J.S.A. 18A:18A-3 except by contract or agreement."

SCHOOL PURCHASING PROGRAM (Continued)

Contracts and Agreements Requiring Advertisement for Bids (Continued)

N.J.S.A. 18A:18A-4 states (Continued)

Effective July 1, 2015 and thereafter the bid thresholds in accordance with N.J.S.A. 18A:18A-2 and 18A:18A-3(a) are \$40,000 (with a Qualified Purchasing Agent) and \$29,000 (without a Qualified Purchasing Agent), respectively. The law regulating bidding for public school student transportation contracts under N.J.S.A. 18A:39-3 is currently \$19,000.

The board of education has the responsibility of determining whether the expenditures in any category will exceed the statutory thresholds within the contract year. Where question arises as to whether any contract or agreement might result in violation of the statute, the Solicitor's opinion should be sought before a commitment is made.

Based on the results of my examination, I did not note any individual payments, contracts, or agreements made for the performance of any work or goods or services, in excess of the statutory thresholds where there had been no advertising for bids in accordance with the provision of N.J.S.A. 18A:18A-4, amended.

Resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S.A. 18A:18A-5.

The system of records did not provide for an accumulation of purchases for which the school board used contracts entered into by the State Department of Purchase and Property pursuant to Ch. 114, P.L. 1977, therefore, the extent of such purchases could not reasonably be ascertained.

School Food Service

The school food service program was not selected as a major federal and/or State program. The program expenditures did not exceed \$100,000 in federal and/or State support. Accordingly, we inquired of school management, or appropriate school food service personnel, as to whether the SFA had any Child Nutrition Program reimbursement overclaims or underclaims. No exceptions were noted.

Student Body Activities

During our review of the student activity funds, the following items were noted.

Cash receipts and cash disbursements journals were maintained.

Cash receipts were promptly deposited.

All cash disbursements tested had proper supporting documentation.

Application for State School Aid

Our audit procedures included a test of information reported in the October 15, 2018 Application for State School Aid (A.S.S.A.) for on-roll, private schools for the handicapped, and low-income. We also performed a review of the district procedures related to its completion. The information on the A.S.S.A. was compared to the district workpapers without exception. The information that was included on the workpapers was verified without exception. The results of our procedures are presented in the Schedule of Audited Enrollments.

The district maintained workpapers on the prescribed state forms or their equivalent.

The district has adequate written procedures for the recording of student enrollment data.

Pupil Transportation

Our audit procedures included a test of on roll status reported in the 2018-2019 District Report of Transported Resident Students (DRTRS). The information that was included on the DRTRS was verified to the DRTRS Eligibility Summary Report without exception. The results of our procedures are presented in the Schedule of Audited Enrollments.

Our procedures also included a review of transportation related contracts and purchases. Based on our review, the district complied with proper bidding procedures and award of contracts. No exceptions were noted in our review of transportation related purchases of goods and services.

Facilities and Capital Assets

There are no capital projects in progress.

Miscellaneous

Testing for Lead of All Drinking Water in Educational Facilities

The school district school project submitted the annual Statement of Assurance to the Department of Education, pursuant to N.J.A.C. 6A:26-12.4(g).

Follow-Up on Prior Years' Findings

In accordance with government auditing standards, our procedures included a review of all prior year recommendations. Corrective action had been taken on all prior year findings.

Acknowledgment

We received the complete cooperation of all the officials of the school district and I greatly appreciate the courtesies extended to the members of the audit team.
