#### **School Purchasing Programs**

#### Contracts and Agreements Requiring Advertisement for Bids

N.J.S.A. 18A:18A-2 contains definitions for terms used throughout N.J.S.A. 18A:18A-1 et seq. It includes as subsection (p) the term 'competitive contracting', which is defined as "the method described in N.J.S.A. 18A:18A-4.1 through 18A:18A-4.5 and in rules promulgated by DCA at N.J.A.C. 5:34-4 of contracting for specialized goods and services in which formal proposals are solicited from vendors; formal proposals are evaluated by the purchasing agent or counsel or school business administrator; and the board of education awards a contract to a vendor or vendors from among the formal proposals received." Also, subsection (aa) defines the term 'concession' to exclude vending machines.

#### YEAR ENDED JUNE 30, 2019

#### **School Purchasing Programs** (continued)

Contracts and Agreements Requiring Advertisement for Bids (continued)

N.J.S.A. 18A:18A-3(a) sets forth the bid threshold and requires award by board resolution. There is a higher threshold when there is a "Qualified Purchasing Agent" (QPA) in the district as defined at N.J.A.C. 5:34-1.1 and certified upon approval of an application submitted to DCA. Pursuant to N.J.S.A. 18A:18A-3(b), the bid threshold may be adjusted by the Governor, in consultation with the Department of Treasury, every five years.

N.J.S.A. 18A:18A-4.4 provides boards of education the authority to pass a resolution authorizing the use of competitive contracting. "In order to initiate competitive contracting, the board of education shall pass a resolution authorizing the use of competitive contracting each time specialized goods or services enumerated in sections 45 of L. 1999, c.440 are desired to be contracted."

Effective July 1, 2015 and thereafter, the bid thresholds in accordance with N.J.S.A. 18A:18A-2 and 18A:18A-3(a) are \$40,000 (with a Qualified Purchasing Agency) and \$29,000 (without a Qualified Purchasing Agent), respectively. The law regulating bidding for public school student transportation contracts under N.J.S.A. 18A:39-3 is currently \$19,000.

The results of our examination indicated that no individual payments, contracts, or agreements were made "for the performance of any work or the furnishing or hiring of any materials or supplies," in excess of the statutory thresholds where there had been no advertising for bids in accordance with the provision of *N.J.S.A.* 18A:18A-4, amended.

Resolutions were adopted authorizing the awarding of contract or agreements for "Professional Services" per *N.J.S.A.* 18A:18A-5.

#### Finding 2019-02:

In multiple cases, business registration certificates were not available for review.

#### Recommendation:

That all business registration certificates be obtained for all vendors whose cumulative payments exceed the quote threshold per N.J.S.A. 54A:7-1.2.

#### Management Response:

The Business Administrator will review all vendors, who, in aggregate, have purchase orders above the \$6,000 threshold to ensure a valid business registration certificate is on hand before an order is released.

#### YEAR ENDED JUNE 30, 2019

#### **School Food Service**

The school food service program was not selected as a major federal and/or state program. However, the program expenditures exceeded 100,000 in federal and/or state support. Accordingly, we inquired of school management, or appropriate school food service personnel, as to whether the SFA had any Child Nutrition Program reimbursement overclaims or underclaims. No exceptions were noted.

We also inquired of school management, or appropriate school food service personnel, as to whether the SFA's expenditures of school food service revenues were limited to allowable direct and indirect costs. No exceptions were noted.

The Statement of Revenues, Expenses, and Changes in Fund Net Position (CAFR Schedule B-5) does separate program and non-program revenue and program and non-program cost of goods sold.

The financial transactions and statistical records of the school food services were reviewed. The financial accounts, meal count records and eligibility applications were reviewed on a test-check basis. Cash receipts and bank records were reviewed for timely deposit, there were no major exceptions noted.

The District utilizes a food service management company (FSMC) and is depositing and expending program monies in accordance with N.J.S.A. 18A:17-34, and 19-1 through 19-4.1. Provisions of the FSMC contract/addendum were reviewed and audited. The operating results provision has been met.

Expenditures were separately recorded as food, labor and other costs. Vendor invoices were reviewed and costs verified. Inventory records on food and supply items were currently maintained and properly applied in determining the cost of food and supplies used.

The cash disbursements records reflected expenditures for program related goods and services. The appropriate revenue and expenditure records were maintained in order to substantiate the non-profit status of the school food service. Net cash resources did not exceed three months average expenditures.

Time sheets were reviewed and labor costs verified. Payroll records were maintained on all School Food Services employees authorized by the Board of Education. No exceptions were noted.

The number of meals claimed for reimbursement was compared to sales and meal count records. As part of the claims review process the Edit Check Worksheet was completed. Reimbursement claims were submitted/certified in a timely manner. No exceptions were noted.

Applications for free and reduced price meals were reviewed for completeness and accuracy, however, the following errors were found. The number of free and reduced price meals claimed as served was compared to the number of valid applications and/or to the list of directly certified students on file, times the number of operating days, on a school by school basis. The free and reduced price meal and free

milk policy was reviewed for uniform administration throughout the school system. Sites approved to participate in provisions I and II were examined for compliance with all counting and claiming requirements. The required verification procedures for free and reduced price applications were completed and available for review.

U.S.D.A. Food Distribution Program food and/or commodities were received and a single inventory was maintained on a first-in, first-out basis. No exceptions were noted.

The School District Food Service Management Company maintains the detailed revenue and expenditure information necessary in order to execute the USDA mandated Non-Program Food Revenue Tool at least annually.

Exhibits reflecting Child Nutrition Program operations are included in the section entitled Enterprise Funds, Section G, of the CAFR.

Cash receipts and disbursement records were maintained in satisfactory condition.

All receipts were promptly deposited in the bank.

Payment Authorizations were presented for audit and vendor invoices were available for examination.

The Board adopted a formal board policy that all financial and bookkeeping controls are adequate to ensure appropriate accountability and sound business practice.

#### **Student Body/Athletic Account Activities**

The cash receipts and disbursement records were maintained in good order, with the exception of the following:

#### Finding 2019-03:

The Lincoln School student activities account does not have a proper cash receipts ledger or timely reconciliation procedures.

#### Recommendation:

That the Lincoln School student activities account have a proper cash receipts ledger and timely reconciliation.

#### YEAR ENDED JUNE 30, 2019

#### Student Body/Athletic Account Activities (continued)

#### Management Response:

The administrative staff of the Lincoln School will be provided training and direction on maintaining an accurate cash receipts ledger, completing monthly bank account reconciliations in a timely manner, and new oversight procedures will be implemented.

All receipts were promptly deposited in the bank.

#### **Application for State School Aid**

Our audit procedures included a test of information reported in the October 13, 2018 Application for State School Aid (A.S.S.A.) for on-roll, private schools for the handicapped, low-income and bilingual. We also performed a review of the district procedures related to its completion. The information on the A.S.S.A. was compared to the district workpapers and the information that was included on the workpapers was verified with the following exception:

#### Finding 2019-04:

Three (3) students were incorrectly listed as free lunch on the A.S.S.A. application.

#### Recommendation:

That school registers be updated for free and reduced lunch applications in a timely manner.

#### Management Response:

The District will implement automated software bi-lateral updates between the District's student enrollment program (OnCourse) and the District's student lunch program (NutriKids) so the free/reduced student population is accurately recorded in each program prior to the October 15<sup>th</sup> NJSmart upload.

The results of our procedures are presented in the Schedule of Audited Enrollments.

The district maintained workpapers on the prescribed state forms or their equivalent.

#### YEAR ENDED JUNE 30, 2019

#### **Pupil Transportation**

Our audit procedures included a test of on roll status reported in the 2018-2019 District Report of Transported Resident Students (DRTRS). The information that was included on the DRTRS was verified to the DRTRS Eligibility Summary Report with the following exception:

#### Finding 2019-05:

Two (2) students were incorrectly listed as regular education - transported on the DRTRS.

#### Recommendation:

That school registers be updated for accurate DRTRS reporting.

#### Management Response:

The District will make sure to use the most up-to-date registers for the DRTRS in the future.

The results of our procedures are presented in the Schedule of Audited Enrollments.

Our procedures also included a review of transportation related contracts and purchases. Based on our review, the district complied with proper bidding procedures and award of contracts. Exceptions were noted in our review of transportation related purchases of goods and services as follows:.

#### **Facilities and Capital Assets**

The general fixed asset records were updated for the additions and disposals of general fixed assets made during the year.

Our procedures included a review of the SDA grant agreements, if any, for consistency with recording SDA revenue, transfer of local funds from the general fund, and awarding of contracts for eligible facilities construction.

#### Testing for Lead of All Drinking Water in Educational Facilities

The School District did submit the annual Statement of Assurance to the Department of Education, pursuant to N.J.A.C. 6A:26-12.4(g).

#### YEAR ENDED JUNE 30, 2019

#### Follow-up on Prior Years' Findings

In accordance with government auditing standards, our procedures included a review of all prior year recommendations including findings. Corrective action has been taken on all prior year audit findings.

#### **Acknowledgment**

We received the complete cooperation of all the officials of the school district and we greatly appreciate the courtesies extended to the members of the audit team.
