**AUDITOR'S MANAGEMENT REPORT ON ADMINISTRATIVE  
FINDINGS - FINANCIAL, COMPLIANCE AND PERFORMANCE**

Honorable President and Members  
of the Board of Education  
Roosevelt School District  
County of Monmouth  
Roosevelt, NJ 08555-0160

We have audited, in accordance with generally accepted audit standards and Government Auditing Standards issued by the Comptroller General of the United States, the basic financial statements of the Roosevelt School District in the County of Monmouth for Roosevelt School District in the County of Monmouth for the year ended June 30, 2019, and have issued our report thereon dated December 17, 2019.

As part of our audit, we performed procedures required by the New Jersey Department of Education, and the findings and results thereof are disclosed on the following pages, as listed in the accompanying table of contents.

This report is intended for the information of the School District's management and the New Jersey Department of Education. However, this report is a matter of public record and its distribution is not limited.

Respectfully Submitted,  
HOLMAN FRENIA ALLISON, P.C.

**ADMINISTRATIVE FINDINGS -  
FINANCIAL, COMPLIANCE AND PERFORMANCE**

**Scope of Audit**

The audit covered the financial transactions of the Board Secretary/School Business Administrator, the activities of the Board of Education, and the records of the various funds under the auspices of the Board of Education.

**Administrative Practices and Procedures**

**Insurance**

Fire insurance coverage was carried in the amounts as detailed on Exhibit J-20, Insurance Schedule contained in the School District's CAFR.

**Official Bonds (N.J.S.A. 18A:17-26, 18A:17-32, 18A:13-13)**

<u>Name</u>	<u>Position</u>	<u>Amount</u>
Bernard Biesiada	Board Secretary/School Business Administrator	\$ 150,000.00

**Tuition Charges**

A comparison of tentative tuition charges and actual certified tuition charges was made. The actual costs were less than estimated costs. The School District made a proper adjustment to the billings to sending districts for the decrease in per pupil cost in accordance with *N.J.A.C.6A:23A-17.1(f)3*.

**Financial Planning, Accounting and Reporting**

**Examination of Claims**

A sample examination of claims paid during the period under the review did not indicate any discrepancies with respect to signatures, certification or supporting documentation.

**Payroll Account**

The net salaries of sampled employees of the board were deposited in the Payroll Account. Employee's payroll deductions and employer's share of fringe benefits were deposited in the Payroll Agency Account.

Sampled payrolls were approved by the Superintendent and were certified by the President of the Board and the School Business Administrator/Board Secretary.

Sampled salary withholdings were promptly remitted to the proper agencies, including health benefits premium amounts withheld due to the general fund.

Payrolls were delivered to the School Business Administrator/Board Secretary who then deposited with warrants in separate bank accounts for net payroll and withholdings.

### **Employee Position Control Roster**

A sample inquiry and subsequent review of the Position Control Roster found no inconsistencies between the payroll records, employee benefit records (e.g. pension reports and health benefit coverage reports), the general ledger accounts to where wages are posted (administrative versus instruction), and the Position Control Roster.

### **Reserve for Encumbrances and Accounts Payable**

A sample of outstanding issued purchase orders was made as of June 30 for proper classification of orders as reserve for encumbrances and accounts payable. No exceptions were noted.

### **Classification of Expenditures**

The coding of expenditures was tested for proper classification in accordance with N.J.A.C. 6A:23 A-16.29(f) as part of our test of transactions of randomly selected expenditure items. We also reviewed the coding of a sample of expenditures included in our compliance and single audit testing procedures. In addition to randomly selecting a test sample, our sample selection specifically targeted administrative coding classifications to determine overall reliability and compliance with N.J.A.C. 6A:23A-8.3. As a result of the procedures performed, a transaction error rate of 0% percent overall was noted and no additional procedures were deemed necessary to test the propriety of expenditure classification.

### **Board Secretary's Records**

Our review of the financial and accounting records maintained by the board secretary were found to be in satisfactory condition.

### **Treasurer's Records**

The school does not utilize a treasurer of school monies.

### **Elementary and Secondary Education Act (E.S.E.A.)/Improving America's Schools Act (I.A.S.A.) as Reauthorized by the No Child Left Behind Act of 2001.**

The E.S.E.A. / N.C.L.B. financial exhibits are contained within the Special Revenue Section of the CAFR. This section of the CAFR documents the financial position pertaining to the projects under Titles I, II and III of the Elementary and Secondary Education Act as amended and reauthorized.

### **T.P.A.F. Reimbursement**

Our audit procedures included a sample test of the biweekly reimbursements forms filed with the Department of Education for district employees who are members of the Teachers Pension and Annuity Fund. No exceptions were noted.

### **T.P.A.F. Reimbursement to the State for Federal Salary Expenditures**

The amount of the expenditure charged to the current year's Final Report(s) for all federal awards for the school district to reimburse the State for the TPAF/FICA payments made by the State on-behalf of the school district for those employees whose salaries are identified as being paid from federal funds was made prior to the end of the 90 day grant liquidation period required by the Office of Grants Management. The expenditure was reviewed subsequent to the reimbursement and no exceptions were noted.

## **School Purchasing Programs**

### **Contracts and Agreements Requiring Advertisement for Bids**

N.J.S.A.18A:18A-1 et seq. (Public School Contracts Law), the associated rules and related information on the statute, and school contracts in general is available on the website: <http://www.state.nj.us/dca/divisions/dlgs/programs/lpcl.html>

Current statute is posted on the New Jersey Legislature website at: [http://lis.njleg.state.nj.us/cgi-bin/om\\_isapi.dll?clientID=1319801&depth=2&expandheadings=off&headigswithhits=on&infobase=statutes.nfo&softpage=TOC\\_Frame\\_Pg42](http://lis.njleg.state.nj.us/cgi-bin/om_isapi.dll?clientID=1319801&depth=2&expandheadings=off&headigswithhits=on&infobase=statutes.nfo&softpage=TOC_Frame_Pg42)

The bid thresholds in accordance with N.J.S.A. 18A:18A-2 and 18A:18A-3(a) are \$40,000 (with a Qualified Purchasing Agent) and \$29,000 (without a Qualified Purchasing Agent), respectively. The law regulating bidding for public school student transportation contracts under N.J.S.A. 18A:39-3 is \$18,800 for 2018-19.

The district board of education has the responsibility of determining whether the expenditures in any category will exceed the statutory thresholds within the contract year. Where question arises as to whether any contract or agreement might result in violation of the statute, the Solicitor's opinion should be sought before a commitment is made.

Based on the results of our tests on sample basis, we did not note any individual payments, contracts, or agreements made for the performance of any work or goods or services, in excess of the statutory thresholds where there had been no advertising for bids in accordance with the provision of N.J.S.A. 18A:18A-4.

Resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S.A. 18A:18A-5.

### **School Food Service**

The school food service program was not selected as a major federal and/or state program. The District does not participate in the Child Nutrition Program.

We inquired of school management, or appropriate school food service personnel, as to whether the SFA's expenditures of school food service revenues were limited to allowable direct and indirect costs. No exceptions were noted.

The Statement of Revenues, Expenses, and Changes in Net Position (CAFR Schedule B-5) does separate program and non-program revenue and program and non-program costs of goods sold.

Cash receipts and bank records were reviewed on a sample basis for timely deposit.

The district utilizes a food service management company (FSMC) and is depositing and expending program monies in accordance with N.J.S.A. 18A:17- 34, and 19-1 through 19-4.1. Provisions of the FSMC contract/addendum were reviewed and audited.

Expenditures should be separately recorded as food, labor and other costs. Vendor invoices were reviewed on sample basis and costs verified. Inventory records on food and supply items were currently maintained and properly applied in determining the cost of food and supplies used.

### **School Food Service (Continued)**

The cash disbursements records reflected expenditures for program related goods and services. The appropriate revenue and expenditure records were maintained in order to substantiate the non-profit status of the school food service.

Net cash resources did not exceed three months average expenditures.

Applications for free and reduced price meals were reviewed on sample basis for completeness and accuracy. The number of free and reduced price meals claimed as served was compared to the number of valid applications /or to the list of directly certified students on file, times the number of operating days, on a school-by-school basis. The free and reduced price meal and free milk policy was reviewed for uniform administration throughout the school system. Sites approved to participate in Provisions I and II were examined for compliance with all counting and claiming requirements. The required verification procedures for free and reduced price applications were completed and available for review.

The Statement of Revenues, Expenses, and Changes in Net Position (CAFR Schedule B-5) does separate program and non-program revenue and program and non-program cost of goods sold.

The School District maintains the detailed revenue and expenditure information necessary in order to execute the USDA mandated Non-Program Food Revenue Tool at least annually.

### **Student Body Activities**

Our review of the financial and accounting records for student activities indicated they were in satisfactory condition.

### **Application for State School Aid (ASSA)**

Our audit procedures included a sample test of information reported in the October 15, 2018 Application for State School Aid (A.S.S.A.) for on-roll, private schools for the handicapped and low-income, and bilingual. We also performed a review on a sample basis of the School District's procedures related to its completion. The information on the ASSA was compared to the School District workpapers without exception. The information that was included on the workpapers was verified without exception. The results of our procedures are presented in the Schedule of Audited Enrollments

The School District maintained workpapers on the prescribed state forms of their equivalent.

The School District written procedures appear to be adequate for the recording of student enrollment data.

### **Pupil Transportation**

Our audit procedures included a sample test of on roll status reported in the 2018-2019 District Report of Transported Resident Students (DRTRS). The information that was included on the DRTRS was verified to the DRTRS Eligibility Summary Report without exception. The results of our procedures are presented in the Schedule of Audited Enrollments.

Our procedures also included a sample of transportation contracts and purchases. Based on our sample, the School District complied with proper bidding procedures and award of contracts. No exceptions were noted in our sampling of transportation related purchases of goods and services.

### **Facilities and Capital Assets**

Our review of the financial and accounting records for capital assets indicated they were in satisfactory condition.

### **Miscellaneous**

The School District complied with its most recent continuing disclosure agreements in relation to prior year bond issuances.

### **Follow-up on Prior Year Findings**

In accordance with audit requirements prescribed by the Office of School Finance, Department of Education, State of New Jersey, our procedures included a review of all prior year findings reported in the prior year's Auditor's Management Report on Administrative Findings – Financial, Compliance and Performance. There were no prior year findings.

### **Office of Fiscal Accountability and Compliance (OFAC) Findings**

There were no Office of Fiscal Accountability and Compliance (OFAC) audit reports issued during the fiscal year ended June 30, 2019.

### **Acknowledgment**

We received the complete cooperation of all the officials of the school district and we greatly appreciate the courtesies extended to the members of the audit team.

Respectfully Submitted,

Total Excess Surplus [(C3)+(E)] \$ 318,228.96 (D)

**Footnotes:**

\*Allowable adjustment to expenditures on line K must be detailed as follows. This adjustment line (as detailed below) is to be utilized when applicable for:

- (H) Federal Impact Aid. The passage of P.L.2015, c.46 amended N.J.S.A. 18A:7F-41 to permit a board of education to appropriate federal impact aid funds to establish or supplement a federal impact aid legal reserve in the general fund. Accordingly, effective for the year ending June 30, 2016 the Section 8002 and Section 8003 received during the fiscal year and recognized as revenue on the General Fund Budgetary Comparison Schedule, but not transferred to the Federal Impact Aid Reserve - General (8002 or 8003) by board resolution during June 1 to June 30 of the fiscal year under audit. Amounts transferred to the reserve are captured on line (C4);
- (I) Sale and Lease-back (Refer to the Audit Program Section II, Chapter 10);
- (J1) Extraordinary Aid;
- (J2) Additional Nonpublic School Transportation Aid;
- (J3) Recognized Current Year School Bus Advertising revenue; and
- (J4) Family Crisis Transportation Aid.

**Detail of Allowable Adjustments**

Impact Aid	\$ <u>-</u>	(H)
