School Purchasing Programs

Contracts and Agreements Requiring Advertisement for Bids

N.J.S.A. 18A:18A-3 states:

- a. "When the cost or price of any contract awarded by the purchasing agent in the aggregate, does not exceed in a contract year the total sum of \$17,500, the contract may be awarded by a purchasing agent when so authorized by resolution of the Board of Education without public advertising for bids and bidding therefore, except that the Board of Education may adopt a resolution to set a lower threshold for the receipt of public bids or the solicitation of competitive quotations. If the purchasing agent is qualified pursuant to subsection b. of section 9 of P.L.1971, c. 198 the Board of Education may establish that the bid threshold may be up to \$25,000. Such authorization may be granted for each contract or by a general delegation of the power to negotiate and award such contracts pursuant to this section.
- b. Commencing in the fifth year after the year in which P.L. 1999, c. 440 takes effect and every five years thereafter, the Governor, in consultation with the Department of Treasury, shall adjust the threshold amount and the higher threshold amount which the Board of Education is permitted to establish as set forth in subsection a. of this section or the threshold amount resulting from any adjustment under this subsection, in direct proportion to the rise or fall of the index rate as that term is defined in N.J.S.A. 18A:18A-2, and shall round the adjustment to the nearest \$1,000. The Governor shall notify all local school districts of the adjustment no later than June 1 of every fifth year. The adjustment shall become effective on July 1 of the year in which it is made "
- N.J.S.A. 18A:18A-4 states, "Every contract for the provision or performance of any goods or services the cost of which in the aggregate exceeds the bid threshold, shall be awarded only by resolution of the Board of Education to the lowest responsible bidder after public advertising for bids and bidding therefore, except as is provided otherwise in this chapter or specifically by any other law"

Effective July 1, 2015 and thereafter the bid thresholds in accordance with N.J.S.A. 18A:18A-2 and 18A:18A-3(a) are \$40,000 (with a Qualified Purchasing Agent) and \$29,000 (without a Qualified Purchasing Agent), respectively. The law regulating bidding for public school student transportation contracts under N.J.S.A. 18A:39-3 is currently \$19,000 for 2018-19.

(Continued)

School Purchasing Programs (Cont'd)

Contracts and Agreements Requiring Advertisement for Bids (Cont'd)

As per N.J.S.A. 18A:18A-3, the Board passed a resolution authorizing the Business Administrator as a qualified purchasing agent and increasing the bid threshold to \$40,000.

The Board of Education has the responsibility of determining whether the expenditures in any category will exceed the statutory thresholds within the contract year. Where question arises as to whether any contract or agreement might result in violation of the statute, the Attorney's opinion should be sought before a commitment is made.

Inasmuch as the system of records did not provide for an accumulation of payments for categories for the performance of any work or the furnishing or hiring of any materials or supplies, the results of such an accumulation could not reasonably be ascertained. Disbursements were reviewed, however, to determine whether any clear-cut violations existed. General compliance was noted.

The results of our examination indicated that no individual payments, contracts, or agreements were made "for the performance of any work or the furnishing or hiring of any materials or supplies", in excess of the statutory thresholds where there had been no advertising for bids in accordance with the provision of N.J.S.A. 18A:18A-4.

Resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S.A. 18A:18A-5.

The system of records did not provide for an accumulation of purchases for which the school board used contracts entered into by the State Department of Purchase and Property pursuant to Ch. 114, P.L. 1977, therefore, the extent of such purchases could not reasonably be ascertained.

School Food Service

The District does not participate in the federal Child Nutrition Program.

Exhibits reflecting the Food Service Fund operations are included in the section entitled "Proprietary Funds", Section G of the CAFR.

Student Body Activities

In planning and performing our audit of the financial statements of the Board, we considered the condition of the records of the Student Activities Fund for the purpose of expressing our opinion on the financial statements and not to provide specific assurance on the condition of the records. Based on these procedures, we have no comments.

SCOTCH PLAINS-FANWOOD REGIONAL SCHOOL DISTRICT ADMINISTRATIVE FINDINGS - FINANCIAL, COMPLIANCE AND PERFORMANCE FISCAL YEAR ENDED JUNE 30, 2019 (Continued)

Application for State School Aid

Our audit procedures included a test of enrollments and related services reported in the October 15, 2018 Application for State School Aid (A.S.S.A.) for on-roll, private schools for the disabled, low income and bilingual students. We also performed a review of the District procedures related to its completion. The information on the A.S.S.A. was compared to the District workpapers with a few minor exceptions. The information that was included on the workpapers was verified on a test basis with a few minor exceptions. The results of our procedures are presented in the Schedule of Audited Enrollments.

The District maintained workpapers on the prescribed State forms or their equivalent.

The District's written procedures appear to be adequate for the recording of student enrollment data.

Pupil Transportation

Our audit procedures included a test of on-roll status reported in the 2018-2019 District Report of Transported Resident Students (DRTRS). The information that was included on the DRTRS was verified to the DRTRS Eligibility Summary Report without exception. The results of our procedures are presented in the Schedule of Audited Enrollments.

Our procedures also included a review of transportation related contracts and purchases. Based on our review, the District complied with proper bidding procedures and award of contracts. No exceptions were noted in our review of transportation related purchases of goods and services.

Facilities and Capital Assets

Our procedures included a review of the NJSDA grant agreements for consistency with recording NJSDA revenue, transfer of local funds from the General Fund or from the Capital Reserve Account and awarding of contracts for eligible facilities construction. No exceptions were noted.

Travel Expense and Reimbursement Policy

Travel regulations require each District to adopt a formal policy and procedure pertaining to travel and expense reimbursement for its employees and board members. The regulations require the District to establish a maximum travel amount for the year and to account for these expenses within a separate account in the budget to ensure that the maximum is not exceeded. The regulations also require that all travel be approved prior by the Board of Education and Superintendent and that the approval must be itemized by event, event total cost, and individuals attending. Our review of the travel policies and records revealed that the District is in general compliance with the travel regulations.

Testing for Lead of All Drinking Water in Educational Facilities

The District did submit the annual Statement of Assurance to the NJ Department of Education, pursuant to N.J.A.C. 6A:26-12.4(g).

SCOTCH PLAINS-FANWOOD REGIONAL SCHOOL DISTRICT ADMINISTRATIVE FINDINGS - FINANCIAL, COMPLIANCE AND PERFORMANCE FISCAL YEAR ENDED JUNE 30, 2019 (Continued)

Management Suggestions

New Jersey Earned Sick Leave Law

The New Jersey Earned Sick Leave Law was effective October 29, 2018. This law allows employees to accrue 1 hour of earned sick leave for every 30 hours worked, up to 40 hours each calendar year. We suggest that Districts perform a review each year to determine if there are any employees not previously eligible to receive earned sick leave who are now entitled to under this law and that adequate records are maintained for the accrual of the earned sick leave.

Governmental Accounting Standards Board (GASB) Statements

The next GASB Statement which will have an impact on the District's financial statements is GASB Statement No. 84, *Fiduciary Activities*, which is effective for the fiscal year ended June 30, 2020. This Statement establishes criteria for identifying fiduciary activities. The focus of the criteria generally is on (1) whether a government is controlling the assets of the fiduciary activity and (2) the beneficiaries with whom a fiduciary relationship exists. The Statement will likely have an impact on the financial statement presentation of the Payroll Agency Fund and may have an impact on the presentation of the Student Activities Agency Fund and Trust Funds such as the Unemployment Compensation Trust and Flexible Spending Trust.

Status of Prior Year Findings/Recommendations

The prior year finding with regard to supporting documentation for travel expense reimbursements was resolved.
