Travel

The District has an approved board travel policy as required by N.J.A.C.6A:23A-6.13 and N.J.S.A. 18A:11-12.

Payments made to employees for travel were in accordance with the approved travel policy.

Classification of Expenditures

The coding of expenditures was tested for proper classification in accordance with N.J.A.C. 6A:23-2.2(f) as part of our test of transactions of randomly selected expenditure items. We also reviewed the coding of all expenditures included in our compliance and single audit testing procedures. In addition to randomly selecting a test sample, our sample selection specifically targeted administrative coding classifications to determine overall reliability and compliance with NJAC 6A:23A-8.3. As a result of the procedures performed, no errors were noted and no additional procedures were deemed necessary to test the propriety of expenditure classification.

Board Secretary's Records

The records of the Board Secretary and Treasurer were in agreement.

The Board Secretary's and Treasurer's reports were presented monthly to the Board and were submitted to the Executive County Superintendent as prescribed by N.J.S.A. 18A:17-9 and 18A:17-36.

Bids received were summarized in the minutes (N.J.S.A. 18A:18A-21).

The Treasurer did perform cash reconciliations for the general operating account and payroll accounts.

The Treasurer's records were in agreement with the records of the Board Secretary.

Elementary and Secondary Education Act (E.S.E.A.) as amended by the Every Student Succeeds Act (ESSA)

The E.S.E.A. financial exhibits are contained within the Special Revenue section of the CAFR. This section of the CAFR documents the financial position pertaining to projects under Titles I, IIA, III and IV of the Elementary and Secondary Education Act, as amended, and reauthorized.

Our examination of the Federal funds on a test basis indicated that obligations and expenditures were incurred during the fiscal year or project period for which the project was approved.

Financial Planning, Accounting and Reporting (Continued)

I.D.E.A Part B

Separate accounting records were maintained for each approved project.

Grant application approvals and acceptance of grant funds were made by Board resolution.

Other Special Federal and/or State Projects

The district's Special Projects were approved as listed on Exhibit K-3 and Exhibit K-4 located in the single audit section of the CAFR.

Our examination of the Federal and State funds on a test basis indicated that obligations and expenditures were incurred during the fiscal year or project period for which the project was approved.

The financial exhibits are contained within the special revenue section of the CAFR. This section of the CAFR documents the financial position pertaining to the aforementioned special projects.

T.P.A.F. Reimbursements

Our audit procedures included a test of the semi-monthly reimbursement forms filed with the Department of Education for district employees who are members of the Teachers Pension and Annuity Fund. No exceptions were noted.

T.P.A.F. Reimbursement to the State for Federal Salary Expenditures

The reimbursement to the State for the amount of the expenditure charged to the current year's Final Report for all federal awards for the school district to reimburse the State for TPAF/FICA payments made by the State on-behalf of the school district for those employees whose salaries are identified as being paid from federal funds was made subsequent to the end of the 90 day grant liquidation period required by the Office of Grants Management. The expenditure was reviewed subsequent to the reimbursement and no exceptions were noted.

School Purchasing Programs

Contracts and Agreements Requiring Advertisement for Bids

Effective July 1, 2015 and thereafter the bid thresholds in accordance with *N.J.S.A 18A:18A-2* and 18A:18A-3(a) are \$40,000 (with a Qualified Purchasing Agent) and \$29,000 (without a Qualified Purchasing Agent), respectively. The District's Business Administrator is qualified and the bid threshold of \$40,000 has been established by Board resolution. The law regulating bidding for public school student transportation contracts under N.J.S.A. 18A:39-3 is currently \$19,000.

The district board of education has the responsibility of determining whether the expenditures in any category will exceed the statutory thresholds within the contract year. Where question arises as to whether any contract or agreement might result in violation of the statute, the Board attorney's opinion should be sought before a commitment is made.

Based on the results of our examination, we did not note any individual payments, contracts, or agreements made for the performance of any work or goods or services, in excess of the statutory thresholds where there had been no advertising for bids in accordance with the provision of *N.J.S.A.* 18A:18A-4, amended.

Resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S.A. 18A:18A-5.

School Food Service

The school food service program was not selected as a major federal and/or State program. However, the program expenditures exceeded \$100,000 in federal and/or State support. Accordingly, we inquired of school management, or appropriate school food service personnel, as to whether the SFA had any Child Nutrition Program reimbursement overclaims or underclaims. No exceptions were noted.

We also inquired of school management, or appropriate school food service personnel, as to whether the SFA's expenditures of school food service revenues were limited to allowable direct and indirect costs. No exceptions were noted. In addition, non-program foods were not purchased, prepared, sold or offered for sale.

Non-program foods were not purchased, prepared, sold, or offered for sale by the District.

Student Body Activities

The Board has a policy, which clearly established the regulation of student activity funds.

Cash receipts and disbursements records were maintained and bank reconciliations were performed.

All receipts were promptly deposited.

Cash disbursements were supported by proper documentation.

Application for State School Aid

Our audit procedures included a test of information reported in the October 15, 2018 Application for State School Aid (A.S.S.A.) for on-roll, private schools for the handicapped, low-income and bilingual. We also performed a review of the district procedures related to its completion. The information on the A.S.S.A. was compared to the district workpapers with no exceptions noted. The results of our procedures are presented in the Schedule of Audited enrollments.

The district maintained workpapers on the prescribed state forms or their equivalent.

The district has adequate written procedures for the recording of student enrollment data.

Pupil Transportation

Our audit procedures included a test of on-roll status reported in the 2018-2019 District Report of Transported Resident Students (DRTRS). The information that was included on the DRTRS was verified to the DRTRS Eligibility Summary without exception. The results of our procedures are presented in the Schedule of Audited enrollments.

Our procedures included a review of transportation-related contracts and purchases. Based on our review, the district complied with proper bidding procedures and award of contracts. No exceptions were noted in our review of transportation related purchases of goods and services.
