Contracts and Agreements Requiring Advertisement for Bids

The bid threshold in accordance with N.J.S.A. 18A:18A-2, 18A:18A-3(a) is \$40,000 with a qualified purchasing agent. The law regulating bidding for public school transportation contracts under N.J.S.A. 18A:39-3 is currently \$19,000.

If the purchasing agent is qualified pursuant to subsection b of section 9 of P.L. 1971, c.198 (c.40A:11-9), the board of education may establish that the bid threshold may be up to \$40,000. Such authorization may be granted for each contract or by a general delegation of the power to negotiate and award such contracts pursuant to this section. The Board has designated the Business Administrator as the qualified purchasing agent and approved the bid threshold at \$40,000.

The District board of education has the responsibility of determining whether the expenditures in any category will exceed the statutory thresholds within the contract year. Where question arises as to whether any contract or agreement might result in violation of the statute, the solicitor's opinion should be sought before a commitment is made.

Based on the results of our examination, we did not note any individual payments, contracts or agreements made for the performance of any work or goods or services, in excess of the statutory thresholds when there had been no advertising bids in accordance with the provision of N.J.S.A. 18A:18A-4, amended.

Resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S.A. 18A:18A-5.

**COVID – 19 EMERGENCY**

In accordance with the Governor’s Declaration of Emergency pertaining to the COVID 19 Virus all Public, Charter, Non-Public schools were ordered to close effective as of March 18, 2020 for an undetermined period to limit the spread of the virus. As a result, School Food Authorities (SFA) were required to institute alternate procedures to provide meals to Free and Reduced Price eligible students during the period of school closures.

Therefore, SFAs were authorized to solicit and award emergency noncompetitive procurements and contracts with Food Service Management Companies in accordance with 2 CFR 200.320 and N.J.S.A. 18A:18A-7. The SFAs were also authorized to submit contract modifications to their existing Cost Reimbursable or Fixed Price contracts as necessary to ensure the feeding of Free and Reduced Price meal eligible students.

SFAs were notified of the requirement to maintain and report separate meal count records and financial records of all applicable costs incurred in providing meals to all free and reduced price meal eligible students during the emergency.

We also inquired of management about the emergency COVID-19 procedures/practices that the SFA instituted to provide meals to eligible students, maintenance of all applicable production records; meal counts; noncompetitive procurements; modification of existing contracts and applicable financial records to document the specific cost applicable to the emergency operations.

The Statement of Revenues, Expenses, and Changes in Fund Net Assets (CAFR Schedule B-5) does separate program and non-program revenue and program and non-program cost of goods sold.

The financial transactions and statistical records of the school food services were maintained in satisfactory condition. The financial accounts and meal count records and eligibility applications were reviewed on a test-check basis.

Cash receipts and bank records were reviewed for timely deposit.

The number of meals claimed for reimbursement was verified against sales and meal count records. As part of the claims review process the Edit Check Worksheet was completed. Meals claimed did agree with meal count records. Reimbursement claims were submitted/certified in a timely manner.

Applications for free and reduced price meals were reviewed for completeness and accuracy. The number of free and reduced price meals claimed as served did not exceed the number of valid applications on file, times the number of operating days, on a school-by-school basis. The free and reduced price meal policy is uniformly administered throughout the school system. The required verification procedures for free and reduced price applications were completed and available for review.

The district utilizes a food service management company (FSMC) and is depositing and expending program monies in accordance with N.J.S.A. 18A:17-34, and 19-1 through 19-4.1. Provisions of the FSMC cost reimbursable contract/addendum were reviewed and audited. The FSMC contract includes an operating results provision which guarantees that the food service program will return a profit of at least \$100,000. The operating results provision has been met. All vendor discounts, rebates and credits from vendors and/or the FSMC were tracked and credited to the Food Service Account and reconciled to supporting documentation at least annually.

Expenditures were separately recorded as food, labor and other costs. Vendor invoices were reviewed and costs verified. Inventory records on food supply items were currently maintained and properly applied in determining the cost of food and supplies used.

The cash disbursements records reflected expenditures for program related goods and services. The appropriate revenue and expenditure records were maintained in order to substantiate the non-profit status of the school food service.

Time sheets were reviewed and labor costs verified. Payroll records were maintained on all school food services employees authorized by the board of education. No exceptions were noted.

**Finding** – The Food Service Fund net cash resources exceeded the maximum amount permitted by the New Jersey State Department of Education.

**Recommendation** – Procedures be implemented to ensure that the year end net cash resources do not exceed three months average expenditures in the Food Service Fund.

**Enrichment Academy**

The District operates an enrichment academy to provide a before and after school program. The District maintains cash receipts and disbursements records. Cash disbursements had proper supporting documentation.

We also performed a review of the district procedures related to its completion. The information on the A.S.S.A. was compared to the district workpapers without exception.
