**AUDITORS' MANAGEMENT REPORT ON ADMINISTRATIVE
FINDINGS - FINANCIAL, COMPLIANCE AND PERFORMANCE**

The Honorable President and

Cinnaminson School District
Cinnaminson, New Jersey

I have audited, in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards*, issued by the Comptroller General of the United States, the basic financial statements of the Board of Education of the Cinnaminson Township School District, in the County of Burlington, for the year ended June 30, 2020, and have issued my report thereon dated December 18, 2020.

As part of my audit, I performed procedures required by the New Jersey Department of Education, and the findings and results thereof are disclosed on the following pages, as listed in the accompanying table of contents.

This report is intended for the information of the Cinnaminson Township Board of Education and the New Jersey Department of Education. However, this report is a matter of public record and its distribution is not limited.

ADMINISTRATIVE FINDINGS - FINANCIAL, COMPLIANCE AND PERFORMANCE

Scope of Audit

The audit covered the financial transactions of the Board Secretary/School Business Administrator and the Treasurer of School Moneys, the activities of the Board of Education, and the records of the various funds under the auspices of the Board of Education.

Administrative Practices and Procedures

Insurance

Fire insurance coverage was carried in the amounts as detailed on Exhibit J-20, Insurance Schedule contained in the district's CAFR.

Officials Bonds

<u>Name</u>	<u>Position</u>	<u>Amount</u>
Thomas W. Egan, Jr.	Board Secretary / School Business Administrator	\$ 100,000.00
Mark Gidjunis	Treasurer of School Monies	300,000.00

There is a Public Employees' Faithful Performance Blanket Position Bond with Utica Mutual Insurance Company covering all other employees with multiple coverage of \$100,000.

Tuition Charges

A comparison of tentative tuition charges and actual certified tuition charges was made. The proper increases/decreases were made by the Board to be in compliance with N.J.A.C. 6A:23-3.1(f)3.

Unemployment Compensation Insurance Fund

The Board of Education has adopted the direct reimbursement method and has established an Unemployment Compensation Insurance Fund (Exhibit H-2) in the fiduciary trust fund.

The Unemployment Compensation Insurance Fund was maintained in satisfactory condition.

Examination of Claims

An examination of claims paid during the period under audit did not indicate any material noncompliance with respect to signatures, certifications or supporting documentation.

Financial Planning, Accounting and Reporting (Continued)

Payroll Account

The net salaries of all employees of the District were deposited in the Payroll Account. Employees' payroll deductions and employer's share of fringe benefits were deposited in the Payroll Agency Account.

All payrolls were approved by the Superintendent and were certified by the President of the Board, the Board Secretary/Business Administrator, and the Chief School Administrator.

Salary withholdings were promptly remitted to the proper agencies, including health benefits withholding due to the general fund.

Payrolls were delivered to the Treasurer of School Moneys with a warrant made to his order for the full amount of each payroll.

The required certification (E-CERT1) of compliance with requirements for income tax on compensation of administrators to the NJ Department of Treasury was filed by the March 15 due date.

The Payroll Account records were maintained in satisfactory condition.

Employee Position Control Roster

No exceptions were noted during my examination of the Employee Position Control Roster

Reserve for Encumbrances and Accounts Payable

A review of outstanding issued purchase orders was made as of June 30 for proper classification of orders as reserve for encumbrances and accounts payable. My review did not indicate any material discrepancies to the classification of orders.

Obligations of Federal Grant Awards and Requests for Reimbursement of Expenditures against those Federal Grant Awards

No exceptions were noted during my examination of obligations of federal grant awards and requests for reimbursement of expenditures against those federal grant awards made during the period under audit.

Travel

No exceptions were noted in my study of compliance for travel expenses.

Classification of Expenditures

The coding of expenditures was tested for proper classification in accordance with *N.J.A.C. 6A:23A-16.2(f)* as part of my test of transactions of randomly selected expenditure items. I also reviewed the coding of all expenditures included in my compliance and single audit testing procedures. In addition to randomly selecting a test sample, my sample selection specifically targeted administrative coding classifications to determine overall reliability and compliance with *N.J.A.C. 6A:23A-8.2*. My review did not indicate any material discrepancies with respect to classification of expenditures.

Board Secretary/School Business Administrator's Record

The financial and accounting records of the Board Secretary/School Business Administrator's office were maintained in good condition.

Treasurer's Records

The financial and accounting records of the Treasurer were maintained in good condition.

Elementary and Secondary Education Act (E.S.E.A.) as amended by the Every Student Succeeds Act (ESSA)

The E.S.E.A./ESSA financial exhibits are contained within the Special Revenue Section of the CAFR. This section of the CAFR documents the financial position pertaining to the projects under Titles I, IIA, III, and IV of the Elementary and Secondary Education Act as amended and reauthorized.

The study of compliance for E.S.E.A./ESSA did not indicate any exceptions.

Other Special Federal and/or State Projects

The District's Special Projects were approved as listed on Schedule A and Schedule B located in the CAFR.

My audit of the Federal and State funds on a test basis indicated that obligations and expenditures were incurred during the fiscal year or project period for which the project was approved.

The financial exhibits are contained within the Special Revenue Section of the CAFR. This section of the CAFR documents the financial position pertaining to the aforementioned special projects.

The study of compliance for special projects indicated no areas of noncompliance and/or questionable costs.

T.P.A.F. Reimbursement

My audit procedures included a test of the biweekly reimbursements filed with the Department of Education for district employees who are members of the Teachers Pension and Annuity Fund. No exceptions were noted.

T.P.A.F. Reimbursement to the State for Federal Salary Expenditures

The amount of the expenditure charged to the current year's Final Reports for all federal awards for the school district to reimburse the state for the TPAF/FICA payments made by the State on be-half of the school district for those employees whose salaries are identified as being paid from federal funds was made prior to the end of the 90 day grant liquidation period required by the Office of Grants Management. The expenditure was reviewed subsequent to the reimbursement and no exceptions were noted.

Nonpublic State Aid

The study of compliance for nonpublic state aid indicated no areas of noncompliance and/or questionable costs.

School Purchasing Programs

The bid thresholds in accordance with N.J.S.A. 18A:18A-2 and 18A:18A-3(a) are \$40,000 (with a Qualified Purchasing Agent) and \$29,000 (without a Qualified Purchasing Agent), respectively. The law regulating bidding for public school student transportation contracts under N.J.S.A. 18A:39-3 is \$19,000.

The district board of education has the responsibility of determining whether the expenditures in any category will exceed the statutory thresholds within the contract year. Where question arises as to whether any contract or agreement might result in a violation of the statute, the solicitor’s opinion should be sought before a commitment is made.

Based on the results of my examination, I did not note any individual payments, contracts, or agreements made for the performance of any work or goods or services, in excess of the statutory thresholds where there had been no advertising of bids in accordance with the provision of N.J.S.A.18A:18A-4.

Resolutions were adopted authorizing the award of contracts or agreements for “Professional Services” per N.J.S.A.18A:18A-5.

School Food Service

COVID-19 Emergency

In accordance with the Governor’s Declaration of Emergency pertaining to the COVID-19 Virus all public, charter and non-public schools were ordered to close effective as of March 18, 2020 for an undetermined period to limit the spread of the virus. As a result, School Food Authorities (SFA) were required to institute alternate procedures to provide meals to Free and Reduced Price eligible students during the period of school closures.

Therefore, SFAs were authorized to solicit and award emergency noncompetitive procurements and contracts with Food Service Management Companies in accordance with 2 CFR 200.320 and N.J.S.A. 18A:18A-7. The SFAs were also authorized to submit contract modifications to their existing Cost Reimbursable or Fixed Price contracts as necessary to ensure the feeding of Free and Reduced Price meal eligible students.

SFAs were notified of the requirement to maintain and report separate meal count records and financial records of all applicable costs incurred in providing meals to all free and reduced price meal eligible students during the emergency.

Net cash resources did not exceed three months average expenditures.

The school food service program was not selected as a major federal and/or State program. However, the program expenditures exceeded \$100,000 in federal and/or State support. Accordingly, we inquired of school management, or appropriate school food service personnel, as to whether the School Food Authority (SFA) had any Child Nutrition Program reimbursement overclaims or underclaims. No exceptions were noted.

We also inquired of school management, or appropriate school food service personnel, as to whether the SFA’s expenditures of school food service revenues were limited to allowable direct and indirect costs. No exceptions were noted.

The Statement of Revenues, Expenses, and Changes in Fund Net Assets (CAFR Schedule B-5) separates program and non-program revenue and program and non-program cost of goods sold.

We also inquired of management about the emergency COVID-19 procedures/practices that the SFA instituted to provide meals to eligible students, maintenance of all applicable production records; meal counts; noncompetitive procurements; modification of existing contracts and applicable financial records to document the specific costs applicable to the emergency operations.

School Food Service (Continued)

Exhibits reflecting Child Nutrition Program operations are included in the section entitled Enterprise Funds, Section G of the CAFR.

Student Body Activities

The financial records for the Student Activity Fund were maintained in satisfactory condition.

Application for State School Aid

My audit procedures included a test of information reported in the October 15, 2019 Application for State School Aid (A.S.S.A.) for on-roll, private schools for the handicapped, low-income and bilingual. I also performed a review of the District procedures related to its completion. The information on the A.S.S.A. was compared to the District workpapers with no exceptions noted. The results of my procedures are presented in the Schedule of Audited Enrollments.

The District maintained workpapers on the prescribed state forms or their equivalent.

The District has adequate written procedures for the recording of student enrollment data.

Pupil Transportation

My procedures included a test of on roll status reported in the 2019-2020 District Report of Transported Resident Students (DRTRS). The information that was included on the DRTRS was verified to the DRTRS Eligibility Summary Report without exception. The results of my procedures are presented in the Schedule of Audited Enrollments.

My procedures also included a review of transportation related contracts and purchases. Based on my review, the District complied with proper bidding procedures and award of contracts. No exceptions were noted in my review of transportation related purchases of goods and services.

Facilities and Capital Assets

Not applicable.

Testing for Lead of all Drinking Water in Educational Facilities

The School District adhered to all the requirements of N.J.A.C. 26-1.2 and 12.4 related to the testing for lead of all drinking water in educational facilities.

Follow-up on Prior Years' Findings

In accordance with government auditing standards, my procedures included a review of all prior year recommendations. There were no prior year recommendations.

Acknowledgment

I received the complete cooperation of all the officials of the Cinnaminson Township School District and I greatly appreciate the courtesies extended to the members of the audit team.
