**AUDITOR'S MANAGEMENT REPORT ON ADMINISTRATIVE
FINDINGS – FINANCIAL, COMPLIANCE AND PERFORMANCE**

Honorable President and Members
of the Board of Education
Florence Township School District
County of Burlington
Florence, New Jersey

We have audited, in accordance with generally accepted audit standards and *Government Auditing Standards* issued by the Comptroller General of the United States, the basic financial statements of the Florence Township School District in the County of Burlington for the year ended June 30, 2020, and have issued our report thereon dated January 21, 2021.

As part of our audit, we performed procedures required by the New Jersey Department of Education, and the findings and results thereof are disclosed on the following pages, as listed in the accompanying table of contents.

This report is intended for the information of the Florence Township School District's management and the New Jersey Department of Education. However, this report is a matter of public record and its distribution is not limited.

Respectfully submitted,

HOLT MCNALLY & ASSOCIATES, INC.

**ADMINISTRATIVE FINDINGS -
FINANCIAL, COMPLIANCE AND PERFORMANCE**

Scope of Audit

The audit covered the financial transactions of the Board Secretary/School Business Administrator and the Treasurer of School Moneys, the activities of the Board of Education, and the records of the various funds under the auspices of the Board of Education.

Administrative Practices and Procedures

Insurance

Fire insurance coverage was carried in the amounts as detailed on Exhibit J-20, Insurance Schedule contained in the School District's CAFR.

Official Bonds (N.J.S.A. 18A:17-26, 18A:17-32, 18A:13-13)

<u>Name</u>	<u>Position</u>	<u>Amount</u>
Melissa Livengood	Board Secretary/School Business Administrator	\$225,000
Donald J. Cammus	Treasurer	\$225,000

There is a Public Employee's Faithful Performance Blanket Position Bond covering all other employees with coverage of \$200,000.

Tuition Charges

A comparison of tentative tuition charges and actual certified tuition charges was made. The actual costs were less than estimated costs. The School District made a proper adjustment to the billings to sending districts for the decrease in per pupil cost in accordance with *N.J.A.C.6A:23A-17.1(f)3*.

Financial Planning, Accounting and Reporting

Examination of Claims

A sample examination of claims paid during the period under the review did not indicate any discrepancies with respect to signatures, certification or supporting documentation.

Payroll Account

The net salaries of sampled employees of the board were deposited in the Payroll Account. Employee's payroll deductions and employer's share of fringe benefits were deposited in the Payroll Agency Account.

618 Stokes Road, Medford, NJ 08055

P: 609.953.0612 • **F:** 609.257.0008

www.hmacpainc.com

Financial Planning, Accounting and Reporting (continued)

Payroll Account (continued)

Sampled payrolls were approved by the Superintendent and were certified by the President of the Board and the School Business Administrator/Board Secretary.

Sampled salary withholdings were promptly remitted to the proper agencies, including health benefits premium amounts withheld due to the general fund.

Payrolls were delivered to the School Business Administrator/Board Secretary who then deposited with warrants in separate bank accounts for net payroll and withholdings.

Employee Position Control Roster

A sample inquiry and subsequent review of the Position Control Roster found no inconsistencies between the payroll records, employee benefit records (e.g. pension reports and health benefit coverage reports), the general ledger accounts to where wages are posted (administrative versus instruction), and the Position Control Roster.

Reserve for Encumbrances and Accounts Payable

A sample of outstanding issued purchase orders was made as of June 30 for proper classification of orders as reserve for encumbrances and accounts payable. No exceptions were noted.

Classification of Expenditures

The coding of expenditures was tested for proper classification in accordance with *N.J.A.C. 6A:23 A-16.29(f)* as part of our test of transactions of randomly selected expenditure items. We also reviewed the coding of a sample of expenditures included in our compliance and single audit testing procedures. In addition to randomly selecting a test sample, our sample selection specifically targeted administrative coding classifications to determine overall reliability and compliance with *N.J.A.C. 6A:23A-8.3*. As a result of the procedures performed, a transaction error rate of 0% percent overall was noted and no additional procedures were deemed necessary to test the propriety of expenditure classification.

Board Secretary's Records

Our review of the financial and accounting records maintained by the board secretary were found to be in satisfactory condition.

Treasurer's Records

Our review of the financial and accounting records maintained by the Treasurer of School Monies were found to be in satisfactory condition.

Financial Planning, Accounting and Reporting (continued)

Elementary and Secondary Education Act (E.S.E.A.) as amended by the Every Student Succeeds Act (ESSA)

The E.S.E.A. financial exhibits are contained within the Special Revenue Section of the CAFR. This section of the CAFR documents the financial position pertaining to the projects under Titles I, II, III, and IV of the Elementary and Secondary Education Act as amended and reauthorized.

The study of compliance for E.S.E.A. indicated no areas of noncompliance and/or questionable costs.

Other Special Federal and/or State Projects

The School District's Special Projects were approved as listed on Schedule A and Schedule B located in the CAFR.

Our audit of the federal and state funds on a sample test basis indicated that obligations and expenditures were incurred during the fiscal year or project period for which the project was approved.

The financial exhibits are contained within the Special Revenue Section of the CAFR. This section of the CAFR documents the financial position pertaining to the aforementioned special projects.

T.P.A.F. Reimbursement

Our audit procedures included a sample test of the biweekly reimbursements forms filed with the Department of Education for district employees who are members of the Teachers Pension and Annuity Fund. No exceptions were noted.

T.P.A.F. Reimbursement to the State for Federal Salary Expenditures

The amount of the expenditure charged to the current year's Final Report(s) for all federal awards for the school district to reimburse the State for the TPAF/FICA payments made by the State on-behalf of the school district for those employees whose salaries are identified as being paid from federal funds was made prior to the end of the 90 day grant liquidation period required by the Office of Grants Management. The expenditure was reviewed subsequent to the reimbursement and no exceptions were noted.

School Purchasing Programs

Contracts and Agreements Requiring Advertisement for Bids

N.J.S.A.18A:18A-1 et seq. (Public School Contracts Law), the associated rules and related information on the statute, and school contracts in general is available on the website: <http://www.state.nj.us/dca/divisions/dlgs/programs/lpcl.html>

Current statute is posted on the New Jersey Legislature website at: http://lis.njleg.state.nj.us/cgi-bin/om_isapi.dll?clientID=1319801&depth=2&expandheadings=off&headigswithhits=on&infobase=statutes.nfo&softpage=TOC_Frame_Pg42

School Purchasing Programs (continued)

The bid thresholds in accordance with *N.J.S.A.* 18A:18A-2 and 18A:18A-3(a) are \$40,000 (with a Qualified Purchasing Agent) and \$29,000 (without a Qualified Purchasing Agent), respectively. The law regulating bidding for public school student transportation contracts under *N.J.S.A.* 18A:39-3 is \$19,000 for 2019-2020.

The district board of education has the responsibility of determining whether the expenditures in any category will exceed the statutory thresholds within the contract year. Where question arises as to whether any contract or agreement might result in violation of the statute, the Solicitor's opinion should be sought before a commitment is made.

Based on the results of our tests on sample basis, we did not note any individual payments, contracts, or agreements made for the performance of any work or goods or services, in excess of the statutory thresholds where there had been no advertising for bids in accordance with the provision of *N.J.S.A.* 18A:18A-4.

Resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services" per *N.J.S.A.* 18A:18A-5.

School Food Service

The school food service program was not selected as a major federal and/or state program. However, the program expenditures exceeded \$100,000 in federal and/or state support. Accordingly, we inquired of school management, or appropriate school food service personnel, as to whether the SFA had any Child Nutrition Program reimbursement overclaims or underclaims. No exceptions were noted.

We also inquired of school management, or appropriate school food service personnel, as to whether the SFA's expenditures of school food service revenues were limited to allowable direct and indirect costs. No exceptions were noted.

The Statement of Revenues, Expenses, and Changes in Net Position (CAFR Schedule B-5) does separate program and non-program revenue and program and non-program costs of goods sold.

Cash receipts and bank records were reviewed on a sample basis for timely deposit.

The district utilizes a food service management company (FSMC) and is depositing and expanding program monies in accordance with *N.J.S.A.* 18A:17-34, and 19-1 through 19-4.1. Provisions of the FSMC contract/addendum were reviewed and audited.

Expenditures were separately recorded as food, labor and other costs. Vendor invoices were reviewed on samples basis and costs verified.

We also inquired of management about the emergency COVID-19 procedures/practices that the SFA instituted to provide meals to eligible students, maintenance of all applicable production records; meal counts; noncompetitive procurements; modification of existing contracts and applicable financial records to document the specific costs applicable to the emergency operations.

Student Body Activities

Our review of the financial and accounting records for student activities indicated they were in satisfactory condition.

Application for State School Aid (ASSA)

Our audit procedures included a sample test of information reported in the October 15, 2019 Application for State School Aid (A.S.S.A.) for on-roll, private schools for the handicapped and low-income, and bilingual. We also performed a review on a sample basis of the School District's procedures related to its completion. The information on the ASSA was compared to the School District workpapers without exception. The information that was included on the workpapers was verified without exception. The results of our procedures are presented in the Schedule of Audited Enrollments

The School District maintained workpapers on the prescribed state forms or their equivalent. The School District written procedures appear to be adequate for the recording of student enrollment data.

Pupil Transportation

Our audit procedures included a sample test of on roll status reported in the 2019-2020 District Report of Transported Resident Students (DRTRS). The information that was included on the DRTRS was verified to the DRTRS Eligibility Summary Report without exception. The results of our procedures are presented in the Schedule of Audited Enrollments.

Our procedures also included a sample of transportation contracts and purchases. Based on our sample, the School District complied with proper bidding procedures and award of contracts. The bid specifications for the purchase of buses were in compliance with applicable statutes. No exceptions were noted in our sampling of transportation related purchases of goods and services.

Testing for Lead of All Drinking Water in Educational Facilities

The school district submitted the annual Statement of Assurance to the Department of Education, pursuant to N.J.A.C. 6A:26-12.4(g)

Follow-up on Prior Year Findings

In accordance with audit requirements prescribed by the Office of School Finance, Department of Education, State of New Jersey, our procedures included a review of all prior year findings reported in the prior year's Auditor's Management Report on Administrative Findings – Financial, Compliance and Performance. There were no prior year findings.

Office of Fiscal Accountability and Compliance (OFAC) Findings

There were no Office of Fiscal Accountability and Compliance (OFAC) audit reports issued during the fiscal year ended June 30, 2020.

Acknowledgment

We received the complete cooperation of all the officials of the school district and we greatly appreciate the courtesies extended to the members of the audit team.
