#### School Purchasing Programs

#### Contracts and Agreements Requiring Advertisement for Bids

## N.J.S.A. 18A:18A-3 states:

a. "When the cost or price of any contract awarded by the purchasing agent in the aggregate, does not exceed in a contract year the total sum of \$17,500, the contract may be awarded by a purchasing agent when so authorized by resolution of the Board of Education without public advertising for bids and bidding therefore, except that the Board of Education may adopt a resolution to set a lower threshold for the receipt of public bids or the solicitation of competitive quotations. If the purchasing agent is qualified pursuant to subsection b. of section 9 of P.L.1971, c. 198 the Board of Education may establish that the bid threshold may be up to \$25,000. Such authorization may be granted for each contract or by a general delegation of the power to negotiate and award such contracts pursuant to this section.

b. Commencing in the fifth year after the year in which P.L. 1999, c. 440 takes effect and every five years thereafter, the Governor, in consultation with the Department of Treasury, shall adjust the threshold amount and the higher threshold amount which the Board of Education is permitted to establish as set forth in subsection a. of this section or the threshold amount resulting from any adjustment under this subsection, in direct proportion to the rise or fall of the index rate as that term is defined in N.J.S.A. 18A:18A-2, and shall

round the adjustment to the nearest 1,000. The Governor shall notify all local school districts of the adjustment no later than June 1 of every fifth year. The adjustment shall become effective on July 1 of the year in which it is made...."

N.J.S.A. 18A:18A-4 states, "Every contract for the provision or performance of any goods or services the cost of which in the aggregate exceeds the bid threshold, shall be awarded only by resolution of the Board of Education to the lowest responsible bidder after public advertising for bids and bidding therefore, except as is provided otherwise in this chapter or specifically by any other law ....."

Effective July 1, 2015 and thereafter the bid thresholds in accordance with N.J.S.A. 18A:18A-2 and 18A:18A-3(a) are \$40,000 (with a Qualified Purchasing Agent) and \$29,000 (without a Qualified Purchasing Agent), respectively. The law regulating bidding for public school student transportation contracts under N.J.S.A. 18A:39-3 is \$19,000 for 2019-20.

In accordance with N.J.S.A. 18A:18A-3, the Board passed a resolution designating the Business Administrator as a qualified purchasing agent and increasing the bid threshold to \$40,000.

The Board of Education has the responsibility of determining whether the expenditures in any category will exceed the statutory thresholds within the contract year. Where question arises as to whether any contract or agreement might result in violation of the statute, the Attorney's opinion should be sought before a commitment is made.

Inasmuch as the system of records did not provide for an accumulation of payments for categories for the performance of any work or the furnishing or hiring of any materials or supplies, the results of such an accumulation could not reasonably be ascertained. Disbursements were reviewed, however, to determine whether any clear-cut violations existed. None were noted.

The results of our examination indicated that no individual payments, contracts, or agreements were made "for the performance of any work or the furnishing or hiring of any materials or supplies", in excess of the statutory thresholds where there had been no advertising for bids in accordance with the provision of N.J.S.A. 18A:18A-4.

Resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S.A. 18A:18A-5.

The system of records did not provide for an accumulation of purchases for which the school board used contracts entered into by the State Department of Purchase and Property pursuant to Ch. 114, P.L. 1977, therefore, the extent of such purchases could not reasonably be ascertained.

#### School Food Service (Milk Fund)

The District does not participate in the Child Nutrition Program.

#### Student Body Activities

In planning and performing our audit of the financial statements of the Board, we considered the condition of the records of the Student Activities Fund for the purpose of expressing our opinion on the financial statements and not to provide specific assurance on the condition of the records. Based on these procedures, we have no comments except as noted on the following page.

## BOROUGH OF FRANKLIN LAKES SCHOOL DISTRICT ADMINISTRATIVE FINDINGS - FINANCIAL, COMPLIANCE <u>AND PERFORMANCE</u> <u>FISCAL YEAR ENDED JUNE 30, 2020</u> (Continued)

#### Student Body Activities (Cont'd)

## Finding:

Our examination of the student body activities collections revealed that the actual date of receipt was not recorded in all cases at the Franklin Ave Middle School as well as the Colonial Road, High Mountain Road, and Woodside Ave Elementary Schools.

## Recommendation:

It is recommended that the actual date of receipt is recorded in all cases for student body activities collections at the Franklin Ave Middle School as well as the Colonial Road, High Mountain Road, and Woodside Ave Elementary Schools.

## Management's Response:

Procedures will be reviewed and consistently applied to ensure that, in all cases, the actual date of receipt is recorded for student body activities collections at the Franklin Ave Middle School as well as the Colonial Road, High Mountain Road, and Woodside Ave Elementary Schools.

## Application for State School Aid

Our audit procedures included a test of information reported in the October 15, 2019 Application for State School Aid (A.S.S.A.) for on-roll, private schools for the disabled, and bilingual students. We also performed a review of the District procedures related to its completion. The information on the A.S.S.A. was compared to the District workpapers with minor exceptions. The information that was included on the workpapers was verified with offsetting exceptions. The results of our procedures are presented in the Schedule of Audited Enrollments.

The District maintained workpapers on the prescribed State forms or their equivalent.

The District's written procedures appear to be adequate for the recording of student enrollment data.

## **Pupil Transportation**

Our audit procedures included a test of on-roll status reported in the 2019-2020 District Report of Transported Resident Students (DRTRS). The information that was included on the DRTRS was verified to the DRTRS Eligibility Summary Report without exception. The results of our procedures are presented in the Schedule of Audited Enrollments.

Our procedures also included a review of transportation related contracts and purchases. Based on our review, the District complied with proper bidding procedures and award of contracts. No exceptions were noted in our review of transportation related purchases of goods and services.

## Testing for Lead of All Drinking Water in Educational Facilities

The District did submit the annual Statement of Assurance to the NJ Department of Education, pursuant to N.J.A.C. 6A:26-12.4(g).

## BOROUGH OF FRANKLIN LAKES SCHOOL DISTRICT ADMINISTRATIVE FINDINGS - FINANCIAL, COMPLIANCE <u>AND PERFORMANCE</u> <u>FISCAL YEAR ENDED JUNE 30, 2020</u> (Continued)

#### Facilities and Capital Assets

Our procedures included a review of the transfer of local funds from the general fund or from the capital reserve account and awarding of contracts for eligible facilities construction.

## Travel Expense and Reimbursement Policy

Travel regulations require each District to adopt a formal policy and procedure pertaining to travel and expense reimbursement for its employees and board members. The regulations require the District to establish a maximum travel for the year and to ensure that the maximum amount is not exceeded. The regulations also require that all travel be preapproved by the Board of Education and Superintendent and that a brief report detailing the key issues addressed at the travel event must be submitted after the travel event has occurred.

Our review of the District's travel policies and records revealed compliance with the travel regulations.

## Management Suggestions

## Governmental Accounting Standards Board (GASB) Statements

Due to COVID-19, the GASB postponed the implementation of GASB Statement No. 84, *Fiduciary Activities*, until the fiscal year ended June 30, 2021. Based on guidance from the NJ Department of Education and GASB, the activity for student activities, payroll agency, unemployment compensation trust, flexible spending trust and private purpose scholarship trust funds will no longer be reported in the Fiduciary Fund financial statements. This activity will now be reported in the General (payroll agency, flexible spending and unemployment compensation) and Special Revenue (student activities and scholarship) Funds.

## Effect on Internal Controls due to COVID-19

With the increase in employees working remotely due to COVID-19 especially those in the Business Office it is vital that the District routinely reviews the internal controls in place especially with respect to security of passwords as well as access rights to accounting software and bank information including bank wire transfers and the timely back-up of records.

#### Status of Prior Year's Findings/Recommendations

The prior year audit finding with regards to the student body activities collections and maintaining accurate monthly reconciliations for the Colonial Road School have been partially resolved. Accurate monthly reconciliations are being maintained; however, the recording of student body collections has not been resolved and is included as a current year recommendation.
