REPORT OF INDEPENDENT AUDITORS

Honorable President and
Members of the Board of Education
Little Egg Harbor Township School District
County of Ocean, New Jersey

We have audited, in accordance with audit standards generally accepted in the United States of America and Government Auditing Standards issued by the Comptroller General of the United States, the basic financial statements of the Board of Education of the Little Egg Harbor Township School District in the County of Ocean for the year ended June 30, 2020, and have issued our report thereon dated January 15, 2021.

As part of our audit, we performed procedures required by the New Jersey Department of Education, and the findings and results thereof are disclosed on the following pages, as listed in the accompanying table of contents.

This report is intended for the information of the management of the Little Egg Harbor Township Board of Education, the New Jersey State Department of Education (cognizant audit agency), other state and federal awarding agencies and pass-through entities. However, this report is a matter of public record and its distribution is not limited.

ADMINISTRATIVE FINDINGS - FINANCIAL, COMPLIANCE AND PERFORMANCE REPORTING

Scope of Audit

The audit covered the financial transactions of the Board Secretary/School Business Administrator and the Treasurer of School Moneys, the activities of the Board of Education, and the records of the various funds under the auspices of the Board of Education.

Administrative Practices and Procedures

Insurance

Fire insurance coverage was carried in the amounts as detailed on Exhibit J-20, Insurance Schedule contained in the district's CAFR.

Official Bonds (N.J.S.A. 18A:17-26, 18A:17-32, 18A:13-13)

Name	Position		Amount
Nicholas Brown	Board Secretary/School Business Administrator	\$	10,000.00
Patrick Christopher	Treasurer	\$	250,000.00

The Treasurer was bonded in a surety bond in accordance with provisions of Title 18A:17-32 within minimum limits of State Board promulgated schedule.

Tuition Charges

The Board is not a receiving district for tuition purposes. There is a small amount of tuition revenue for individual students enrolled in the district. The board made a proper adjustment to the billings to sending districts for the decrease in per pupil costs in accordance with N.J.A.C. 6A:23A-17.1(f)3.

Financial Planning, Accounting and Reporting

Examination of Claims

An examination of claims paid during the period under review did not indicate any discrepancies with respect to signatures, certification or supporting documentation.

Payroll Account

The net salaries of all employees of the Board were deposited in the Payroll Account. Employees' payroll deductions and employer's share of fringe benefits were deposited in the Payroll Agency Account.

All payrolls were approved by the Superintendent and were certified by the President of the Board and the Board Secretary/School Business Administrator.

Salary withholdings were promptly remitted to the proper agencies, including health benefits premium amounts due to the general fund.

Amounts withheld due to the general fund.

Payrolls were delivered to the treasurer of school moneys with a warrant made to his order for the full amount of each payroll.

Employee Position Control Roster

An inquiry and subsequent review of the Position Control Roster found no inconsistencies between the payroll records, employee benefit records (e.g. pension reports and health benefit coverage reports), the general ledger accounts to where wages are posted (administrative versus instruction), and the Position Control Roster.

Reserve for Encumbrances, Liability for Accounts Payable

A review of outstanding issued purchase orders was made as of June 30 for proper classification of orders as reserve for encumbrances and accounts payable. No discrepancies were noted.

Travel

The district did obtain prior written approval of the Executive County Superintendent for a travel event that exceeded \$5,000 as required by N.J.A.C. 6A:23A-5.9.

Classification of Expenditures

The coding of expenditures was tested for proper classification in accordance with N.J.A.C. 6A:23A-16.2(f) as part of our test of transactions of randomly selected expenditure items. We also reviewed the coding of all expenditures included in our compliance and single audit testing procedures.

In addition to randomly selecting a test sample, our sample selection specifically targeted administrative coding classifications to determine overall reliability and compliance with N.J.A.C. 6A:23A-8.3. As a result of the procedures performed, no transaction errors were noted and no additional procedures were deemed necessary to test the propriety of expenditure classification.

A. *General Classification Findings*
None

B. *Administrative Classification Findings*
None

Board Secretary's Records

The Board Secretary's Records were in satisfactory condition.

Bids received were summarized in the minutes.

Acknowledgement of the Board's receipt of the Board Secretary's and the Treasurer's monthly financial reports were included in the minutes.

Budget appropriations were not greater than realized revenues and Board authorized use of surplus.

No budgetary line accounts were over-expended during the fiscal year and at June 30.

Purchase orders were charged to the appropriate line accounts in accordance with State prescribed Uniform Minimum Chart of Accounts (2R2), for New Jersey Public Schools.

Treasurer's Records

The Board Treasurer's Records were in satisfactory condition.

All required reconciliations were performed.

All cash receipts were promptly deposited.

The Treasurers Records were in agreement with the Board Secretary.

Pupil Transportation

Our audit procedures included a test of on roll status reported in the 2019-20 District Report of Transported Resident Students (DRTRS). The information that was included on the DRTRS was verified to the DRTRS Eligibility Summary Report without exception. The results of our procedures are presented in the Schedule of Audited Enrollments.

Our procedures also include a review of transportation related contracts and purchases. Based on our review, the district complied the proper bidding procedures and award of contracts. The bid specifications for the purchase of buses were in compliance with applicable statutes. No exceptions were noted in our review of transportation related purchases of goods and services.

Elementary and Secondary Education Act of 1965 (E.S.E.A.) as amended by the Every Student Succeeds Act (ESSA)

The E.S.E.A. financial exhibits are contained within the Special Revenue Section of the CAFR. This section of the CAFR documents the financial position pertaining to the projects under Titles I and VI of the Elementary and Secondary Education Act as amended and reauthorized.

The study of compliance for E.S.E.A. revealed no areas of noncompliance and/or questionable costs.

Other Special Federal and/or State Projects

The District's Special Projects were approved as listed on the Schedule A and Schedule B in the CAFR.

Our audit of the federal and state funds on a test basis indicated that obligations and expenditures were incurred during the fiscal year or project period for which the project was approved.

The financial exhibits are contained within the Special Revenue Section of the CAFR. This section of the CAFR documents the financial position pertaining to the aforementioned special projects.

The study of compliance for Other Special Federal and/or State Projects revealed no areas of noncompliance and/or questioned costs.

I.D.E.A. Part B

The study of compliance for IDEA revealed no areas of noncompliance and/or questioned costs.

T.P.A.F. Reimbursement

Our audit procedures included a test of the biweekly reimbursement forms filed with the Department of Education for district employees who are members of the Teachers Pension and Annuity Fund. No exceptions were noted.

TPAF Reimbursement to the State for Federal Salary Expenditures

The amount of the expenditure charged to the current year's Final Report for all federal awards for the Little Egg Harbor Township school district to reimburse the State for the TPAF/FICA payments made by the State on-behalf of the school district for those employees whose salaries are identified as being paid from federal funds was made prior to the end of the 90-day grant liquidation period required by the Office of Grants Management. The expenditure was reviewed subsequent to the reimbursement and no exceptions were noted.

School Purchasing Programs

Contracts and Agreements Requiring Advertisement for Bids

N.J.S.A. 18A:18A-1 et seq. (Public School Contracts Law), the associated rules and related information on the statute, and school contracts in general is available on the NJ Local Agency Procurement Laws webpage: <https://www.state.nj.us/dca/divisions/dlgs/programs/lpcl.html>.

Current statute is posted on the New Jersey Legislature <http://www.njleg.state.nj.us> website.

The bid Thresholds in accordance with N.J.S.A. 18A:18A-2 and 18A:18A-3(a) are \$40,000 (with a Qualified Purchasing Agent) and \$29,000 (without a Qualified Purchasing Agent), respectively. The law regulating bidding for public school student transportation contracts under N.J.S.A. 18A:39-3 is \$19,000 for 2019-2020.

The Board of Education has the responsibility of determining whether the expenditures in any category will exceed the statutory thresholds within the contract year. Where question arises as to whether any contract or agreement might result in violation of the statute, the Solicitor's opinion should be sought before a commitment is made.

Based on the results of my examination, I did not note any individual payments, contracts, or agreements were made for the performance of any work or goods or services, in excess of the statutory thresholds where there had been no advertising for bids in accordance with the provision of N.J.S.A. 18A:18A-4, amended.

Resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S.A. 18A-5.

School Food Service

In accordance with the Governor's Declaration of Emergency pertaining to the COVID 19 Virus all Public, Charter, Non-Public schools were ordered to close effective as of March 18, 2020 for an undetermined period to limit the spread of the virus. As a result, School Food Authorities (SFA) were required to institute alternate procedures to provide meals to Free and Reduced Price eligible students during the period of school closures.

Therefore, SFAs were authorized to solicit and award emergency noncompetitive procurements and contracts with Food Service Management Companies in accordance with 2 CFR 200.320 and N.J.S.A.18A:18A-7. The SFAs were also authorized to submit contract modifications to their existing Cost Reimbursable or Fixed Price contracts as necessary to ensure the feeding of Free and Reduced Price meal eligible students.

SFAs were notified of the requirement to maintain and report separate meal count records and financial records of all applicable costs incurred in providing meals to all free and reduced price meal eligible students during the emergency.

The financial transactions and statistical records of the school food service fund were reviewed. The financial accounts, meal count records and eligibility applications were reviewed on a test-check basis. No Exceptions noted.

Cash receipts and bank records were reviewed for timely deposit.

The district utilizes a food service management company Nutri-Serve and is depositing and expending program monies in accordance with N.J.S.A. 18A:17-34, and 19-1 through 19-4.1. Provisions of the FSMC Cost Reimbursable or Fixed Price contract/addendum were reviewed and audited. The Nutri-Serve contract includes a guarantee of \$20,000.00 profit. The operating results provision has been met. All vendor discounts, rebates, and credits from vendors and/or Nutri-Serve were tracked and credited to the Food Service Account and reconciled to supporting documentation at least annually.

Expenditures should be separately recorded as food, labor and other costs. Vendor invoices were reviewed, and costs verified. Inventory records on food and supply items were currently maintained and properly applied in determining the cost of food and supplies used.

The cash disbursements records reflected expenditures for program related goods and services. The appropriate revenue and expenditure records were maintained in order to substantiate the non-profit status of the school food service.

Net cash resources did not exceed three months average expenditures.

Time sheets were reviewed, and labor costs verified. Payroll records were maintained on all School Food Services employees authorized by the board of education. No exceptions were noted.

The number of meals claimed for reimbursement was compared to sales and meal count records. As part of the claims review process the Edit Check Worksheet was completed. Reimbursement claims were submitted/certified in a timely manner.

Applications for free and reduced price meals were reviewed for completeness and accuracy. The number of free and reduced price meals claimed as served was compared to the number of valid applications /or to the list of directly certified students on file, times the number of operating days, on a school-by-school basis. Sites approved to participate in Provisions I and II were examined for compliance with all counting and claiming requirements. The required verification procedures for free and reduced price applications were completed and available for review.

USDA Food Distribution Program (food and/or commodities) were received and a single inventory was maintained on a first-in, first-out basis. No exceptions were noted.

The Statement of Revenues, Expenses, and Changes in Fund Net Assets (CAFR Schedule B-5) does separate program and non-program revenue AND program and non-program cost of goods sold.

Exhibits reflecting Child Nutrition Program operations are included in the section entitled Enterprise Funds, Section G of the CAFR.

Student Body Activities

During our review of the student activity funds, the records were found to be in satisfactory condition.

Community School

During our review of the Community School funds, the records were found to be in satisfactory condition. However, a growing deficit was noted during our review.

Finding 2020-1 AMR:

There was a deficit net position in the Community School Fund at the end of the 19-20 School year. However, during the 19-20 School Year, the Community School saw a decrease in both expenses and revenues that resulted in an increase in the deficit. In addition, the Enterprise Funds, as a whole, had an increase in net position at the end of the 19-20 School Year. While we do recommend funding the deficit in the Community School in the near future, no formal recommendation is warranted.

Regional Professional Development Academy

During our review of the Regional Professional Development Academy funds, the records were found to be in satisfactory condition.

Application for State School Aid

Our audit procedures included a test of information reported in the October 15, 2019 Application for State School Aid (ASSA) for on-roll, private schools for the handicapped, low income and bilingual. We also performed a review of the districts procedures related to its completion. The information on the ASSA was compared to the district workpapers without exception. The information that was included on the workpapers was verified without exception. The results of our procedures are presented in the Schedule of Audited Enrollments.

The district maintained workpapers on the prescribed state forms or their equivalent.

The district has adequate written procedures for the recording of student enrollment data.

Facilities and Capital Assets

Our procedures included a review of the SDA grant agreements for consistency and recording SDA revenue, transfer of local funds from the general fund or from the capital reserve account, and the awarding of contracts for eligible facilities construction. No exceptions were noted.

Testing for Lead of All Drinking Water in Educational Facilities

The school district adhered to all the requirements of N.J.A.C. 26-1.2 and 12.4 related to the testing for lead of all drinking water in educational facilities.

Follow-Up on Prior Year Findings

In accordance with government auditing standards, our procedures included a review of all prior year recommendations. There was one prior year finding, however, no formal recommendation was deemed necessary.

Acknowledgment

We received the complete cooperation of all the officials of the school district and I greatly appreciate the courtesies extended to the members of the audit team.

Respectfully submitted,
