#### Administrative Findings - Financial, Compliance and

#### Performance

#### Scope of Audit

The audit covered the financial transactions of the Board/School Business Administrator and the Treasurer of School Moneys, the activities of the Board of Education and the records of the various funds under the auspices of the Board of Education.

#### Administrative Practices and Procedures

#### Insurance

Insurance coverage was carried in the amounts as detailed on Exhibit J-20, Insurance Schedule contained in the district's CAFR.

#### Official Bonds

Name Position Amount

Andrea Wasserman Board Secretary/Business Administrator \$ 225,000.00

There is Public Employee's Dishonesty coverage with the School Alliance Insurance Fund covering all other employees with multiple coverage of \$500,000.00.

#### **Tuition Charges**

A comparison of tentative tuition charges and actual certified tuition charges for the school year 2018-2019 was made. The Board did not make adjustments to the billings to sending districts in accordance with an agreement among the districts comprising the Pascack Valley Regional High School District.

#### Financial Planning, Accounting and Reporting

#### **Examination of Claims**

Claims paid during the period under review were examined on a test basis to determine that they are submitted on Board vouchers, itemized, signed by the officials as to approval for payment, endorsement for receipt of materials, allocated to the proper accounts, charged to the proper fiscal period and in agreement with bill list set forth in the approved minutes of the Board.

The review and inquiry indicate good scrutiny on the part of the Board and Board Officials regarding expenditures.

#### Financial Planning, Accounting and Reporting (Continued)

#### Payroll Account

The net salaries of all employees of the Board were deposited in the Payroll Account. Employees' payroll deductions and the Board's required payroll contributions were deposited in the Payroll agency Account.

All payrolls were approved by the Superintendent and were certified by the President of the Board and the Board Secretary.

Salary withholdings were promptly remitted to the proper agencies.

An inquiry and subsequent review of the Position Control Roster found no inconsistencies between the payroll records, employee benefit records (e.g. pension reports and health benefit coverage reports), the general ledger accounts to where wages are posted (administrative versus instruction), and the Position Control Roster.

#### Reserve for Encumbrances and Accounts Payable

A review of outstanding issued purchase orders was made as of June 30 for proper classification of orders as reserve for encumbrances and accounts payable.

#### Classification of Expenditures

The coding of expenditures was tested for proper classification in accordance with N.J.A.C. 6A:23A-16.2 (f) as part of our test of transactions of randomly selected expenditure items. We also reviewed the coding of all expenditures included in our compliance and single audit testing procedures. In addition to randomly selecting a test sample, our sample selection specifically targeted administrative coding classifications to determine overall reliability and compliance with N.J.A.C. 6A:23A-8.3. As a result of the procedures performed no errors were noted and no additional procedures were deemed necessary to test the propriety of expenditure classification.

#### **School Purchasing Programs**

#### Contracts and Agreements Requiring Advertisement for Bids

Effective April 17, 2000, N.J.S.A. 18A:18A (Public School Contracts Law) was revised by P.L. 1999, c. 440 (originally known as Assembly bill No. 35190). The associated rules were drafted by the Division of Local Government Services in the Department of Community Affairs, with consultation from the Commissioner of Education.

Effective July 1, 2017 and thereafter the bid threshold in accordance with N.J.S.A. 18A:39-3 (Transportation) is \$19,000.00.

Effective July 1, 2015 and thereafter the bid threshold in accordance with N.J.S.A. 18A:18A-3 (as amended) is \$29,000.00 or \$40,000.00 with a Qualified Purchasing Agent

In accordance with N.J.S.A. 18A:18A-3a., The Board of Education has increased the bid threshold from \$36,000.00 to \$40,000.00.

It is pointed out that the Board of Education has the responsibility of determining whether the commitments and expenditures are in compliance with the statutes and, where question arises as to whether any contract or agreement might result in violation of these statutes the Board attorney's opinion should be sought before commitment is made.

#### School Purchasing Programs (Continued)

#### Contracts and Agreements Requiring Advertisement for Bids (Continued)

Inasmuch as the system of records is not required to provide and therefore did not provide for an accumulation of payments by categories for the performance of any work or the furnishings or hiring of any materials or supplies, the results of such an accumulation could not reasonably be ascertained. Disbursements were reviewed, however, to determine whether any clear cut violations existed. None were disclosed.

The results of our examination indicated that no individual payments, contracts or agreements were made "for the provision or performance of any goods or services," in excess of the statutory limit where there had been no advertising for bids in accordance with the provision of N.J.S.A. 18A:18A-4.

Resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S.A. 18A:18A-5.

The system of records is not required to provide and therefore did not provide for an accumulation of purchases for which the school board used contracts entered into by the State Department of Purchase and Property pursuant to Ch. 114, P.L. 1977, therefore, the extent of such purchases could not reasonably be ascertained. Our examination did reveal however, that the following purchases were made through the use of State contracts: School Supplies.

#### Special Milk Program

#### Student Activity Funds

A cash receipts and disbursement records were maintained in satisfactory condition.

All receipts were promptly deposited in the bank.

Payment authorizations were presented for audit and vendor invoices were available for examination.

The Board is in the process of amending its policy to include that all financial and bookkeeping controls are adequate to ensure appropriate fiscal accountability and sound business practices.

#### Application for State School Aid

Our audit procedures included a test of information reported in the October 15, 2019 Application for State School Aid (A.S.S.A.) for on-roll, private schools for the disabled, low-income and bilingual education. We also performed a review of the district procedures related to its completion. The information on the A.S.S.A. was compared to the district workpapers without exceptions. The information that was included on the workpapers was verified without exceptions. The results of our procedures are presented in the Schedule of Audited Enrollments.

The district maintained workpapers on the prescribed state forms or their equivalent.

The district has adequate written procedures for the recording of student enrollment data.

#### Pupil Transportation

Our audit procedures included a test of on roll status reported in the 2019-2020 District Report of Transported Resident Student (DRTRS). The information that was included on the DRTRS was verified to the DRTRS Eligibility Summary Report without exception. The results of our procedures are presented in the Schedule of Audited Enrollments.

Our procedures also included a review of transportation related contracts and purchases. Based on our review, the district complied with proper bidding procedures and award of contracts. No exceptions were noted in our review of transportation related purchases of goods and services.

#### **Facilities and Capital Assets**

Our review of the prior years' SDA grant agreements disclosed that the recording of SDA revenue, transfer of local funds from the general fund or from the capital reserve account, and awarding of contracts for eligible facilities construction were performed subsequent to the signing of the agreements.

#### Miscellaneous

The school district complied with continuing disclosure agreements made in relation to prior years bond issuances.

#### Status of Prior Years' Audit Findings/Recommendations

Not Applicable

#### Acknowledgment

We wish to express our appreciation for the assistance and courtesles extended to us by Board officials and employees during the course of our audit.
