The net salaries of all employees of the Board were deposited in the Payroll Account. Employees' payroll deductions and the Board's required payroll contributions were deposited in the Agency Reserve Account.

All payrolls were approved by the Superintendent and were certified by the President of the Board and the Board Secretary/Business Administrator.

Salary withholdings were promptly remitted to the proper agencies, including health benefits premium withholding due to the general fund.

#### **Reserve for Encumbrances and Accounts Payable**

A review of outstanding issued purchase orders was made as of June 30, 2020 or proper classification of orders as reserve for encumbrances and accounts payable. No discrepancies were noted.

#### Travel

No exceptions were noted.

#### FINANCIAL PLANNING, ACCOUNTING AND REPORTING (Continued)

#### **Classification of Expenditures**

The coding of expenditures was tested for proper classification in accordance with N.J.A.C. 6A:23-2.2(f) as part of our test of transactions of randomly selected expenditure items. We also reviewed the coding of all expenditures included in our compliance and single audit testing procedures. In addition to randomly selecting a test sample, our sample selection specifically targeted administrative coding classification to determine overall reliability and compliance with N.J.A.C. 6A:23-8.3. As a result of the procedures performed, no transaction errors were noted and no additional procedures were deemed necessary to test the propriety of expenditure classification.

A. General Classification Findings - No exceptions were noted

B. Administrative Classification Findings - No exceptions were noted

#### **Board Secretary's Records/Business Administrator**

Our review of the financial and accounting records maintained by the Board Secretary/Business Administrator did not disclose any exceptions.

#### Elementary and Secondary Education Act (E.S.E.A.) as amended by the Every Student Succeeds Act (ESSA)

The E.S.E.A. financial exhibits are contained within the Special Revenue Section of the CAFR. This section of the CAFR documents the financial position pertaining to the projects under Titles I and VI of the Elementary and Secondary School Education Act as amended and reauthorized.

#### **Other Special Federal and/or State Projects**

The District's Special Projects were approved as listed on Schedule A and Schedule B located in the CAFR.

Our audit of the federal and state funds on a test basis, indicated that obligations and expenditures were incurred during the fiscal year or project period for which the project was approved.

The financial exhibits are contained within the Special Revenue Section of the CAFR. This section of the CAFR documents the financial position pertaining to the aforementioned special projects.

#### T.P.A.F. Reimbursement

Our audit procedures included a test of the semi-monthly reimbursement forms filed with the Department of Education for District employees who are members of the Teachers' Pension and Annuity Fund. No exceptions were noted.

#### T.P.A.F. Reimbursement to the State for Federal Salary Expenditures

The amount of the expenditure charged to the current year's Final Report for all federal awards for the District to reimburse the State for the TPAF/FICA payment made by the State on-behalf of the District for those employees whose salaries are identified as being paid from federal funds was made subsequent to the end of the 60 day grant liquidation period required by the Office of Grants Management, but prior to the 90 days required by *N.J.S.A.* 18A:66-90. Accordingly, the expenditure was made in accordance with State law (90 days) and properly reported as obligated and not expended and as an unliquidated balance in the current year's Final Report for all federal awards.

#### SCHOOL PURCHASING PROGRAMS

#### **Contracts and Agreements Requiring Advertisement for Bids**

Effective July 1, 2010 and thereafter, the bid thresholds in accordance with N.J.S.A. 18A:18A-2 and 18A:39-3(a) are \$40,000 with a Qualified Purchasing Agent (QPA) and \$29,000 without a QPA, respectively. The law regulating bidding for public school student transportation contracts under N.J.S.A. 18A:39-3 is currently \$19,000 for 2017-18.

The District Board of Education has the responsibility of determining whether the expenditures in any category will exceed the statutory thresholds within the contract year. Where question arises as to whether any contract or agreement might result in violation of the statute, the Solicitor's opinion should be sought before a commitment is made.

Inasmuch as the system of records did not provide for an accumulation of payments for categories for the performance of any work or goods or service, the results of such an accumulation could not reasonably be ascertained. Disbursements were reviewed, however, to determine whether any clear-cut violations existed.

Based on the results of our examination, we did not note any individual payments, contracts, or agreements made for the performance of any work or goods or services, in excess of the statutory thresholds where there had been no advertising for bids in accordance with the provision of *N.J.S.A.* 18A:18A-4.

Resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S.A. 18A:18A-5.

#### SCHOOL FOOD SERVICES

#### COVID – 19 Emergency

In accordance with the Governor's Declaration of Emergency pertaining to the COVID 19 Virus all Public schools were ordered to close effective as of March 18, 2020 for an undetermined period to limit the spread of the virus. As a result, the District was required to institute alternate procedures to provide meals to free and reduced price eligible students during the period of school closures.

The District was authorized to solicit and award emergency noncompetitive procurements and contracts with its food service management company (FSMC) in accordance with 2 CFR 200.320 and N.J.S.A.18A:18A-7. The District was also authorized to submit contract modifications to their existing cost reimbursable or fixed price contracts as necessary to ensure the feeding of free and reduced price meal eligible students.

The District was notified of the requirement to maintain and report separate meal count records and financial records of all applicable costs incurred in providing meals to all free and reduced price meal eligible students during the emergency.

The school food service program was not selected as a major federal and/or State program. However, the program expenditures exceeded \$100,000 in federal and/or State support. Accordingly, we inquired of school management, or appropriate school food service personnel, as to whether the School Food Authority (SFA) had any Child Nutrition Program reimbursement overclaims or underclaims. No exceptions were noted.

We also inquired of school management, or appropriate school food service personnel, as to whether the schedule of federal award's expenditures of school food service revenues were limited to allowable direct and indirect costs. No exceptions were noted.

The Statement of Revenues, Expenses, and Changes in Fund Net Poisition (CAFR Schedule B-5) does separate program and non-program revenue and program and non-program cost of goods sold.

Exhibits reflecting Child Nutrition Program operations are included in the section entitled Enterprise Funds, Section G, of the CAFR.

#### SCHOOL FOOD SERVICES (Continued)

We also inquired of management about the emergency COVID-19 procedures/practices that the District instituted to provide meals to eligible students, maintenance of all applicable production records; meal counts; noncompetitive procurements; modification of existing contracts and applicable financial records to document the specific costs applicable to the emergency operations.

#### **STUDENT BODY ACTIVITIES**

Overall, cash receipts and disbursements records for the schools were maintained in satisfactory condition.

#### APPLICATION FOR STATE SCHOOL AID

Our audit procedures included a test of information reported in the October 15, 2019, Application for State School Aid (ASSA) for on-roll, private schools for the handicapped, low income and bilingual. We also performed a review of the district procedures related to its completion. The information on the ASSA was compared to the district workpapers without exception. The information that was included on the workpapers was verified. The results of our procedures are presented in the Schedule of Audited Enrollments.

The District maintained workpapers on the prescribed state forms or their equivalent. The District has adequate written procedures for the recording of student enrollment data.

#### PUPIL TRANSPORTATION

Our audit procedures included a test of on roll status reported in the 2019-20 District Report of Transported Resident Students (DRTRS). The information that was included on the DRTRS was verified to the DRTRS Eligibility Summary Report with some exceptions. The results of our procedures are presented in the Schedule of Audited Enrollments.

Our procedures also included a review of transportation related contracts and purchases. Based on our review, the District complied with proper bidding procedures and award of contracts. No exceptions were noted in our review of transportation related purchases of goods and services.

#### FACILITIES AND CAPITAL ASSETS

Our procedures included a review of the SDA grant agreement for consistency with recording SDA revenue, transfer of local funds from the General Fund and awarding of contracts for eligible facilities construction. No exceptions were noted.

#### TESTING FOR LEAD OF ALL DRINKING WATER IN EDUCATIONAL FACILITIES

The District adhered to all the requirements of N.J.A.C. 26-1.2 and 12.4 related to the testing for lead of all drinking water in educational facilities.

The District submitted the annual Statement of Assurance to the Department of Education pursuant to N.J.A.C. 6A:26-12.4(g).

#### OTHER SUGGESTIONS TO MANAGEMENT

#### **Governmental Accounting Standards Board (GASB) Statements**

The next GASB Statement which will have an impact on the District's financial statements is GASB Statement No. 84, Fiduciary Activities, which is effective for the fiscal year ended June 30, 2020, but has been postponed to the succeeding fiscal year. This Statement establishes criteria for identifying fiduciary activities. The focus of the criteria generally is on (1) whether a government is controlling the assets of the fiduciary activity and (2) the beneficiaries with whom a fiduciary relationship exists. The Statement will likely have an impact on the financial statement presentation of the Payroll Agency Fund and may have an impact on the presentation of the Student Activities Agency Fund and Trust Funds such as the Unemployment Compensation Trust and Flexible Spending Trust.

#### FOLLOW-UP ON PRIOR YEAR FINDINGS

In accordance with *Government Auditing Standards*, our procedures included a review of all prior year recommendations including findings. Corrective action had been taken on all prior year findings.

#### ACKNOWLEDGMENT

We received the complete cooperation of all the officials of the School District and we greatly appreciate the courtesies extended to the members of the audit team.
