ADMINISTRATIVE FINDINGS - FINANCIAL, COMPLIANCE AND PERFORMANCE

Scope of Audit

The audit covered the financial transactions of the Board Secretary/School Business Administrator and the Treasurer of School Moneys, the activities of the School District, and the records of the various funds under the auspices of the Board of Education.

Administrative Practices and Procedures

Insurance

Fire insurance coverage was carried in the amounts as detailed on Exhibit J-20 Insurance Schedule contained in the School District's CAFR.

Officials Bonds

<u>Name</u>	Position	<u> </u>	<u>Amount</u>
Nicholas Vrettos	Board Secretary/School Business Administrator	\$	80,000
Thomas Egan	Treasurer		175,000

There is a Public Employees' Faithful Performance Blanket Position Bond with the School Alliance Insurance Fund covering all other employees with multiple coverage of \$500,000.00.

Tuition Charges

There were no tuition charges which would require the School District to make the necessary adjustment per N.J.A.C. 6:23A-3.1(f)3.

Financial Planning, Accounting and Reporting

Examination of Claims

An examination of claims paid during the period under audit did not indicate any discrepancies with respect to signatures, certifications or supporting documentation.

Payroll Account

The net salaries of all employees of the School District were deposited in the Payroll Account. Employees' payroll deductions and employer's share of fringe benefits were deposited in the Payroll Agency Account.

All payrolls were approved by the Superintendent and were certified by the President of the Board, the Board Secretary/Business Administrator and the Chief School Administrator.

Salary withholdings were promptly remitted to the proper agencies, including health benefits withholding due to the general fund.

Financial Planning, Accounting and Reporting (Continued)

Payroll Account (Continued)

Payrolls were delivered to the Treasurer of School Moneys with a warrant made to his order for the full amount of each payroll.

The Payroll Account records were maintained in good condition.

Employee Position Control Roster

No exceptions were noted during my examination of the Employee Position Control Roster.

Reserve for Encumbrances and Accounts Payable

A review of outstanding issued purchase orders was made as of June 30 for proper classification of orders as reserve for encumbrances and accounts payable. My review did not indicate any material discrepancies with respect to classification of orders.

Obligations of Federal Grant Awards and Requests for Reimbursement of Expenditures against those Federal Grant Awards

No exceptions were noted during my examination of obligations of federal grant awards and requests for reimbursement of expenditures against those federal grant awards made during the period under audit.

Travel

No exceptions were noted in my study of compliance for travel expenses.

Classification of Expenditures

The coding of expenditures was tested for proper classification in accordance with *N.J.A.C.* 6A:23A-16.2(f) as part of my test of transactions of randomly selected expenditure items. I also reviewed the coding of all expenditures included in my compliance and single audit testing procedures. In addition to randomly selecting a test sample, my sample selection specifically targeted administrative coding classifications to determine overall reliability and compliance with N.J.A.C. 6A:23A-8.3. My review did not indicate any material discrepancies with respect to classification of expenditures.

Board Secretary/Business Administrator's Record

The financial and accounting records of the Board Secretary/Business Administrator's office were maintained in excellent condition.

Treasurer's Records

The financial and accounting records of the Treasurer were maintained in excellent condition.

Financial Planning, Accounting and Reporting (Continued)

Elementary and Secondary Education Act (E.S.E.A) as amended by Every Student Succeeds Act (ESSA)

The E.S.E.A./ESSA financial exhibits are contained within the Special Revenue Section of the CAFR. This section of the CAFR documents the financial position pertaining to the projects under Titles I and IIA of the Elementary and Secondary Education Act, as amended and reauthorized.

The study of compliance for E.S.E.A./ESSA did not indicate any exceptions.

Other Special Federal and/or State Projects

The School District's Special Projects were approved as listed on Schedule A and Schedule B located in the CAFR.

My audit of the federal and state funds on a test basis, indicated that obligations and expenditures were incurred during the fiscal year or project period for which the project was approved.

The financial exhibits are contained within the Special Revenue Section of the CAFR. This section of the CAFR documents the financial position pertaining to the aforementioned special projects.

The study of compliance for the special projects did not indicate any exceptions.

T.P.A.F. Reimbursement

My audit procedures included a test of the biweekly reimbursements filed with the Department of Education for School District employees who are members of the Teachers Pension and Annuity Fund. No exceptions were noted.

T.P.A.F. Reimbursement to the State for Federal Salary Expenditures

The amount of the expenditure charged to the current year's Final Reports for all federal awards for the school district to reimburse the state for the TPAF/FICA payments made by the State on-behalf of the school district for those employees whose salaries are identified as being paid from federal funds was made prior to the end of the 60 day grant liquidation period required by the Office of Grants Management. The expenditure was reviewed subsequent to the reimbursement and no exceptions were noted.

Nonpublic State Aid

The study of compliance for Nonpublic State Aid did not indicate any exceptions.

School Purchasing Programs

Contracts and Agreements Requiring Advertisement for Bids

The bid thresholds in accordance with N.J.S.A. 18A:18A-2 and 18A:18A-3(a) are \$40,000 (with a Qualified Purchasing Agent) and \$29,000 (without a Qualified Purchasing Agent), respectively. The law regulating bidding for public school student transportation contracts under N.J.S.A. 18A:39-3 is \$19,000.

The School District has the responsibility of determining whether the expenditures in any category will exceed the statutory thresholds within the contract year.

Where question arises as to whether any contract or agreement might result in violation of the statute, the Solicitor's opinion should be sought before a commitment is made.

Based on the results of my examination, I did not note any individual payments, contracts, or agreements made for the performance of any work or goods or services, in excess of the statutory thresholds where there had been no advertising for bids in accordance with the provision of N.J.S.A. 18A:18A-4.

Resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S.A. 18A:18A-5.

School Food Service

COVID-19 Emergency

In accordance with the Governor's Declaration of Emergency pertaining to the COVID-19 Virus all public, charter and non-public schools were ordered to close effective as of March 18, 2020 for an undetermined period to limit the spread of the virus. As a result, School Food Authorities (SFA) were required to institute alternate procedures to provide meals to Free and Reduced Price eligible students during the period of school closures.

Therefore, SFAs were authorized to solicit and award emergency noncompetitive procurements and contracts with Food Service Management Companies in accordance with 2 CFR 200.320 and N.J.S.A. 18A:18A-7. The SFAs were also authorized to submit contract modifications to their existing Cost Reimbursable or Fixed Price contracts as necessary to ensure the feeding of Free and Reduced Price meal eligible students.

SFAs were notified of the requirement to maintain and report separate meal count records and financial records of all applicable costs incurred in providing meals to all free and reduced price meal eligible students during the emergency.

For the fiscal year ended June 30, 2020, the School District expended less than \$100,000 in federal and/or state funds for its Child Nutrition Program.

Net cash resources did not exceed three months average expenditures.

Student Body Activities

The financial records for the Student Activity Fund were maintained in satisfactory condition.

Application for State School Aid

My audit procedures included a test of information reported in the October 15, 2019 Application for State School Aid (A.S.S.A.) for on-roll, private schools for the handicapped, low-income and bilingual. I also performed a review of the School District procedures related to its completion. The information on the A.S.S.A. was compared

Application for State School Aid (continued)

to the School District workpapers without exception. The information that was included on the workpapers was verified without exception. The results of my procedures are presented in the Schedule of Audited Enrollments.

The School District maintained workpapers on the prescribed state forms or their equivalent.

The School District has adequate written procedures for the recording of student enrollment data.

Pupil Transportation

My procedures included a test of on roll status reported in the 2019-2020 District Report of Transported Resident Students (DRTRS). The information that was included on the DRTRS was verified to the DRTRS Eligibility Summary Report without exception. The results of my procedures are presented in the Schedule of Audited Enrollments.

My procedures also included a review of transportation related contracts and purchases. Based on my review, the School District complied with proper bidding procedures and award of contracts. No exceptions were noted in my review of transportation related purchases of goods and services.

Facilities and Capital Assets

Not Applicable

Miscellaneous

Testing for Lead of all Drinking Water in Educational Facilities

The School District adhered to all the requirements of N.J.A.C. 26-1.2 and 12.4 related to the testing for lead of all drinking water in educational facilities.
