## AUDITOR'S MANAGEMENT REPORT

Honorable President and Members  
of the Board of Trustees  
Wood-Ridge Board of Education  
Wood-Ridge, New Jersey

We have audited in accordance with auditing standards generally accepted in the United States of America and Government Auditing Standards issued by the Comptroller General of the United States, the basic financial statements of the Wood-Ridge Board of Education as of and for the fiscal year ended June 30, 2020, and have issued our report thereon dated January 5, 2021.

As part of our audit, we performed procedures required by the Office of School Finance, Department of Education, State of New Jersey and the findings and results thereof are disclosed on the following pages, as listed in the accompanying table of contents.

This report is intended solely for the information and use of management, the Board of Trustees, others within the District and the New Jersey State Department of Education. However, this report is a matter of public record and its distribution is not limited.

Respectfully submitted,

  
LERCH, VINCI & HIGGINS, LLP

**WOOD-RIDGE BOARD OF EDUCATION  
ADMINISTRATIVE FINDINGS - FINANCIAL, COMPLIANCE AND PERFORMANCE REPORTING  
FOR THE FISCAL YEAR ENDED JUNE 30, 2020**

**Scope of Audit**

The audit covered the financial transactions of the Board Secretary/School Business Administrator and Chief School Administrator, the activities of the Board of Education and the records of the various funds under the auspices of the Board of Education.

**Administrative Practices and Procedures**

Insurance

Fire insurance coverage was carried in the amounts as detailed on Exhibit J-20, Insurance Schedule contained in the district's Comprehensive Annual Financial Report (the "CAFR").

Official Bonds

<u>Name</u>	<u>Position</u>	<u>Amount</u>
Jenine Murray	Board Secretary/School Business Administrator	\$225,000

There is a Public Employees' Faithful Performance Blanket Position Bond with School Alliance Insurance Fund covering all other employees with multiple coverage of \$500,000.

**Tuition Charges**

A comparison of tentative tuition charges and actual certified tuition charges was made.

**Financial Planning, Accounting and Reporting**

Examination of Claims

An examination of claims paid during the period under review did not indicate any significant discrepancies with respect to signatures, certification or supporting documentation.

Payroll Account

The net salaries of all employees of the Board were deposited in the Payroll Account. Employees' payroll deductions and employer's share of fringe benefits were deposited in the Payroll Agency Account.

All payrolls tested were approved by the Superintendent and were certified by the President of the Board, the Board Secretary/Business Administrator and the Chief School Administrator.

Salary withholdings were promptly remitted to the proper agencies. Health benefits withholdings were transferred to the general fund.

The District filed the required certification (ECERTI) of compliance with requirements for income tax on compensation of administrators with the NJ Department of Treasury by the March 15 due date.

**WOOD-RIDGE BOARD OF EDUCATION  
ADMINISTRATIVE FINDINGS - FINANCIAL, COMPLIANCE AND PERFORMANCE REPORTING  
FOR THE FISCAL YEAR ENDED JUNE 30, 2020**

**Financial Planning, Accounting and Reporting (Continued)**

Payroll Account (Continued)

The Board has implemented and maintains a personnel tracking and accounting (position control) system.

Reserve for Encumbrances and Accounts Payable

A review of outstanding issued purchase orders was made as of June 30, for goods not yet received or services not yet rendered and it was determined that no blanket purchase orders were included in the balance of the reserve for encumbrances. Also, unpaid purchase orders included in the balance of accounts payable were reviewed for propriety and to determine that goods were received and services were rendered, as of June 30.

**Finding** – Our audit of year end liabilities in the General Fund revealed certain encumbrances should have been classified as accounts payable (\$84,363) and deemed overstated (\$101,574) at June 30, 2020.

**Recommendation** – Procedures be reviewed and revised to ensure open purchase orders are reviewed at year end for appropriateness and proper classification as accounts payable or encumbrances.

Classification of Expenditures

The coding of expenditures was tested for proper classification in accordance with N.J.A.C. 6A:23A-16.2(f) as part of our test of transactions of randomly selected expenditure items. We also reviewed the coding of all expenditures included in our compliance and single audit testing procedures. In addition to randomly selecting a test sample, our sample selection specifically targeted administrative coding classifications to determine overall reliability and compliance with N.J.A.C. 6A:23A-8.3. As a result of the procedures performed, no transaction errors were noted and no additional procedures were deemed necessary to test the propriety of expenditure classification.

Board Secretary's Records

The financial records, books of account and minutes were maintained by the Board Secretary.

**Finding** – Certain budget appropriations were overexpended at June 30, 2020. This is a result of audit adjustments, thus a recommendation is not warranted.

**Finding** – The audit indicated that the District did not receive \$1,604,222 of its 2019/20 tax levy as of June 30, 2020. No recommendation is warranted since the amount was subsequently received by the District in July 2020.

The prescribed contractual order system was followed.

Bids received were summarized in the minutes (N.J.S.A. 18A:18A-21).

Monthly Board Secretary's report and certifications were approved by the Board in a timely manner.

Elementary and Secondary Education Act (E.S.E.A.) as amended by the Every Student Succeeds Act (ESSA)

The E.S.E.A./ESSA financial exhibits are contained within the Special Revenue Fund of the CAFR. This section of the CAFR documents the financial position pertaining to projects under Title I, Title II, Title III and Title IV of the Elementary and Secondary Education Act.

Our examination of the Federal and State funds on a test basis indicated that obligations and expenditures were incurred during the fiscal year or project period for which the project was approved.

Other Special Federal and/or State Projects

The district's Special Projects were approved as listed on Exhibit K-3 and K-4 located in the CAFR.

Our examination of the Federal and State funds on a test basis indicated that obligations and expenditures were incurred during the fiscal year or project period for which the project was approved.

The financial exhibits contained herein represent a true statement of the financial position pertaining to the aforementioned special projects.

**WOOD-RIDGE BOARD OF EDUCATION  
ADMINISTRATIVE FINDINGS - FINANCIAL, COMPLIANCE AND PERFORMANCE REPORTING  
FOR THE FISCAL YEAR ENDED JUNE 30, 2020**

**Financial Planning, Accounting and Reporting (Continued)**

Teacher's Pension and Annuity Fund (TPAF)

Our audit procedures included a test of the semi-monthly reimbursement forms filed with the Department of Education for district employees who are members of the Teachers Pension and Annuity Fund. No exceptions were noted.

The amount of the expenditure charged to the current year's Final Report for all federal awards for the school district to reimburse the State for the TPAF/FICA payments made by the State on-behalf of the school district for those employees whose salaries are identified as being paid from federal funds was made prior to the end of the 90 day grant liquidation period required by the Office of Grants Management. The expenditure was reviewed subsequent to the reimbursement and no exceptions were noted.

**School Purchasing Programs**

Contracts and Agreements Requiring Advertisement for Bids

N.J.S.A. 18A:18-4 states, "Every contract for the provision or performance of any goods or services, the cost of which in the aggregate exceeds the bid threshold, shall be awarded only by resolution of the board of education to the lowest responsible bidder after public advertising for bids and bidding therefore, except as is provided otherwise in this chapter or specifically by any other law".

The bid thresholds in accordance with N.J.S.A. 18A:18A-2 and 18A:39-3 are \$40,000 (with a Qualified Purchasing Agent) and \$29,000 (without a Qualified Purchasing Agent), respectively. The law regulating bidding for public school transportation contracts under N.J.S.A. 18A:39-3 is currently \$19,000. The Board has appointed the Board Secretary/School Business Administrator as the Qualified Purchasing Agent.

The board of education has the responsibility of determining whether the expenditures in any category will exceed the statutory thresholds within the fiscal year. Where question arises as to whether any contract or agreement might result in violation of the statute, the Solicitor's opinion should be sought before a commitment is made.

Inasmuch as the system of records did not provide for an accumulation of payments for categories for the performance of any work or goods or service, the results of such an accumulation could not reasonably be ascertained. Disbursements were reviewed, however, to determine whether any clear-cut violations existed.

The results of our examination indicated an instance where individual payments, contracts, or agreements were made for the performance of any work or goods or services, in excess of the statutory thresholds where there had been no advertising for bids in accordance with the provision of N.J.S.A. 18A:18A-4.

Resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S.A. 18A:18A-5.

The system of records did not provide for an accumulation of purchases for which the school board used contracts entered into by the State Department of Purchase and Property pursuant to Ch. 114, P.L. 1977, therefore, the extent of such purchases could not reasonably be ascertained. Our examination did reveal, however, that the district purchased items through the use of State contracts.

**Food Service Fund**

**COVID – 19 Emergency**

In accordance with the Governor's Declaration of Emergency pertaining to the COCID 19 Virus all Public, Charter, Non-Public schools were ordered to close effective as of March 18, 2020 for an undetermined period to limit the spread of the virus. As a result, School Food Authorities (SFA) were required to institute alternate procedures to provide meals to Free and Reduced Price eligible students during the period of school closures.

Therefore, SFA's were authorized to solicit and award emergency noncompetitive procurements and contracts with Food Service Management Companies in accordance with 2 CFR 200.320 and N.J.S.A. 18A:18A-7. The SFA's were also authorized to submit contract modifications to their existing Cost Reimbursable or Fixed Price contracts as necessary to ensure the feeding of Free and Reduced Price meal eligible students.

**WOOD-RIDGE BOARD OF EDUCATION  
ADMINISTRATIVE FINDINGS - FINANCIAL, COMPLIANCE AND PERFORMANCE REPORTING  
FOR THE FISCAL YEAR ENDED JUNE 30, 2020**

**Food Service Fund (Continued)**

SFA's were notified of the requirement to maintain and report separate meal count records and financial records of all applicable costs incurred in providing meals to all free and reduced price meal eligible students during the emergency.

The school food service program was not selected as a major federal and/or state program. However, the program expenditures exceeded \$100,000 in federal and/or state support. Accordingly, we inquired of school management, or appropriate school food service personnel, as to whether the School Food Authority (the "SFA") had any Child Nutrition Program reimbursement overclaims or underclaims. No exceptions were noted.

We also inquired of school management, or appropriate school food service personnel, as to whether the SFA's expenditures of school food service revenues were limited to allowable direct and indirect costs. No exceptions were noted.

The financial transactions and statistical records of the school food services were maintained in satisfactory condition. The financial accounts, meal count records and eligibility applications were reviewed on a test-check basis.

Cash receipts and bank records were reviewed for timely deposits.

The Statement of Revenues, Expenses, and Changes in Fund Net Position (CAFR Schedule B-5) does segregate program and non-program revenue and program and non-program cost of goods sold.

The District has contracted with Nu Way Concessionaires, Inc., as its food service management company (FSMC) and is depositing and expending program monies in accordance with N.J.S.A. 18A:17-34 and 19-1 through 19-4.1. Provisions of the FSMC cost reimbursable for fixed price contract/addendum were reviewed and audited. The FSMC contract includes an operating results provision which guarantees that the food service program will return a profit of least \$25,750. The operating results provision was not met because of the financial impact of COVID-19. All vendor discounts, rebates and credits from vendors and/or the FSMC were tracked and credited to the Food Service Account and reconciled to supporting documentation at least annually.

Expenditures were separately recorded as food, labor and other costs. Vendor invoices were reviewed and costs verified. Inventory records on food supply items were currently maintained and properly applied in determining the cost of food and supplies used.

The cash disbursements records reflected expenditures for program related goods and services. The appropriate revenue and expenditure records were maintained in order to substantiate the non-profit status of the school food service. Net cash resources did not exceed three months average expenditures.

Exhibits reflecting Child Nutrition Program operations are included in the section entitled Enterprise Funds.

**Student Activity Fund**

The Board has a policy, which clearly established the regulation of student activity funds.

Cash receipts and cash disbursements records were maintained in satisfactory condition.

**Application for State School Aid**

Our audit procedures included a test of information reported in the October 15, 2019 Application for State School Aid (A.S.S.A.) for on-roll, private schools for the handicapped, related services, low-income and bilingual. We also performed a review of the district procedures related to its completion. The information on the A.S.S.A. was compared to the district workpapers with an immaterial exception. The information that was included on the workpapers was verified with no exceptions noted. The results of our procedures are presented in the Schedule of Audited Enrollments.

The district maintained workpapers on the prescribed State forms or their equivalent.

The District has adequate written procedures for the recording of student enrollment data.

**WOOD-RIDGE BOARD OF EDUCATION  
ADMINISTRATIVE FINDINGS - FINANCIAL, COMPLIANCE AND PERFORMANCE REPORTING  
FOR THE FISCAL YEAR ENDED JUNE 30, 2020**

**Pupil Transportation**

Our audit procedures included a test of on roll status reported in the 2019-2020 District Report of Transported Resident Students (DRTRS). The information that was included on the DRTRS was verified to the DRTRS Eligibility Summary Report with no exceptions. The results of our procedures are presented in the Schedule of Audited Enrollments.

Our procedures included a review of transportation-related contracts and purchases. Based on our review, the district complied with proper bidding procedures and award of contracts. No exceptions were noted in our review of transportation related purchases of goods and services.

**Facilities and Capital Assets**

Our procedures included a review of the SDA grant agreements for consistency with recording SDA revenue, transfer of local funds from the General Fund or from the Capital Reserve Account, and awarding of contracts for eligible facilities construction. No exceptions were noted.

**Testing for Lead of All Drinking Water in Education Facilities**

The school district adhered to all the requirements of N.J.A.C. 26-1.2 and 12.4 related to the testing for lead of all drinking water in education facilities.

The school district submitted the annual Statement of Assurance to the Department of Education, pursuant to N.J.A.C. 6A:26-12.4(g).

**Suggestions to Management**

- Continued efforts be made to collect the outstanding School Development Authority capital grants receivable.

RECOMMENDATIONS**

I. Administrative Practices and Procedures

There are none.

II. Financial Planning, Accounting and Reporting

It is recommended that procedures be reviewed and revised to ensure open purchase orders are reviewed at year end for appropriateness and proper classification as accounts payable or encumbrances.

III. School Purchasing Program

There are none.

IV. School Food Services

There are none.

V. Student Body Activities

There are none.

VI. Application for State School Aid

There are none.

VII. Pupil Transportation

There are none.

VIII. Facilities and Capital Assets

There are none.

IX. Status of Prior Years' Audit Findings/Recommendations

Corrective action was taken on all prior year recommendations.

ACKNOWLEDGEMENT

We received the complete cooperation of all the officials of the school district and we greatly appreciate the courtesies extended to us.
