**FINANCIAL PLANNING, ACCOUNTING AND REPORTING (CONTINUED)**

**Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA)**

The E.S.E.A. financial exhibits are contained within the Special Revenue Section of the CAFR. This section of the CAFR documents the financial position pertaining to the projects under Title II of the Elementary and Secondary Education Act, as amended and reauthorized.

**Other Special Federal and State Projects**

The District's Special Projects were approved as listed on Schedule A and Schedule B located in the CAFR.

Our audit of the federal and state funds on a test basis indicated that obligations and expenditures were incurred during the fiscal year or project period for which the project was approved.

The financial exhibits are contained within the Special Revenue section of the CAFR. This section of the CAFR documents the financial position pertaining to the aforementioned special projects.

**T.P.A.F. Reimbursement**

Our audit procedures included a test of the biweekly reimbursement filed with the Department of Education for district employees who are members of the Teachers Pension and Annuity Fund. No exceptions were noted.

Our audit procedures also included a test of the reimbursement of the employer share of pensions, group life insurance, FICA and other benefits of the Teacher's Pension and Annuity Fund for TPAF members carrying out and paid from federally funded programs in accordance with N.J.S.A. 18A:66-90. The District filled out the required form and submitted it for audit. Our test included verification of eligible employees to be included, and, if applicable, a recalculation to verify proper amounts was used. No exceptions were noted.

The amount of the expenditure charged to the current year's Final Report(s) for all federal awards for the school district to reimburse the State for the TPAF/FICA payments made by the State on-behalf of the school district for those employees whose salaries are identified as being paid from federal funds was made prior to the end of the 60 day grant liquidation period required by the Office of Grants Management. The expenditure was reviewed subsequent to the reimbursement. No exceptions were noted.

**Independent Auditor's Management Report of Administrative  
Findings - Financial and Compliance**

**SCHOOL PURCHASING PROGRAMS**

**Contracts and Agreements Requiring Advertisement for Bids**

N.J.S.A.18A:18A-3 states "a. When the cost or price of any contract awarded by the purchasing agent in the aggregate, does not exceed in a contract year the total sum of \$32,000.00, the contract may be awarded by a purchasing agent when so authorized by resolution of the board of education without public advertising for bids and bidding therefor, except that the board of education may adopt a resolution to set a lower threshold for the receipt of public bids or the solicitation of competitive quotations. If the purchasing agent is qualified pursuant to subsection b. (pending before the Legislature as section 15 of this bill) of section 9 of P.L. 1971 c. 198 (C.40A:11-9) the board of education may establish that the bid threshold may be up to \$44,000.00. Such authorization may be granted for each contract for by a general delegation of the power to negotiate and award such contracts pursuant to this section.

b. Commencing in the fifth year after the year in which P.L. 1999 c. 440 takes effect, and every five years thereafter, the Governor, in consultation with the Department of Treasury, shall adjust the threshold amount and the higher threshold amount which the board of education is permitted to establish as set forth in subsection a. of this section or the threshold amount resulting from any adjustment under this subsection, in direct proportion to the rise or fall of the index rate as that term is defined in N.J.S.A. 18A:18A-2 and shall round the adjustment to the nearest \$1,000.00. The Governor shall notify all local school districts of the adjustment no later than June 1 of every fifth year. The adjustment shall become effective on July 1 of every year in which it is made. Any contract made pursuant to this section may be awarded for a period of 24 consecutive months, except that contracts for professional services pursuant to paragraph (1) of subsection a. of N.J.S.A. 18A:18A-5 may be awarded for a period not exceeding 12 consecutive months."

N.J.S.A.18A:18A-4 states, "Every contract for the provision or performance of any goods or services, the cost of which in the aggregate exceeds the bid threshold, shall be awarded only by resolution of the board of education to the lowest responsible bidder after public advertising for bids and bidding therefor, except as is provided otherwise in this chapter or specifically by any other law.

The Board of Education may, by resolution, approve by the majority of the board of education and subject to subsections b. and c. of this section, disqualify a bidder who would otherwise be determined to be the lowest responsible bidder, if the board of education finds that it has had negative prior experience with the bidder."

**Independent Auditor's Management Report of Administrative  
Findings - Financial and Compliance**

**School Purchasing Programs (Continued)**

**Contracts and Agreements Requiring Advertisement for Bids (Continued)**

Effective July 1, 2020, the bid threshold in accordance with N.J.S.A. 18A:18A-3(a) and (c) is \$32,000.00. In accordance with N.J.S.A. 40A:11-9 (b) the bid threshold for all purchases made by the District's qualified purchasing agent is \$44,000.00. The law regulating bidding for public school student transportation contracts under N.J.S.A. 18:39-3 is currently \$19,600.00.

The Board of Education has the responsibility of determining whether the expenditures in any category will exceed the statutory thresholds within the fiscal year. Where question arises as to whether any contract or agreement might result in violation of the statute, the solicitor's opinion should be sought before a commitment is made.

Inasmuch as the system of records did not provide for an accumulation of payments for categories for the performance of any work or the furnishing or hiring of any materials or supplies, the results of such an accumulation could not reasonably be ascertained. Disbursements were reviewed, however, to determine whether any clear-cut violations existed.

The results of our examination indicated that no individual payments, contracts or agreements were made "for the performance of any work or the furnishing or hiring of any materials or supplies," in excess of the statutory thresholds where there had been no advertising for bids in accordance with the provisions of N.J.S.A. 18A:18A-4.

Resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S.A. 18A:18A-5.

The system of records did not provide for an accumulation of purchases for which the School Board used contracts entered into by the State Department of Purchase and Property pursuant to Ch. 114, P.L. 1977, therefore, the extent of such purchases could not reasonably be ascertained. Our examination did reveal however, that the district made purchases through the use of state contracts.

**FOOD SERVICE FUND**

The financial transactions and statistical records of the School Food Services were maintained in satisfactory condition. The financial accounts were reviewed on a test-check basis.

The District does not participate in the National School Lunch Program.

Expenditures were separately recorded as food, labor and other costs. Vendor invoices were reviewed and costs verified. Inventory records on food and supply items were currently maintained and properly applied in determining the cost of food and supplies used.

**Independent Auditor's Management Report of Administrative  
Findings - Financial and Compliance**

**FOOD SERVICE FUND (CONTINUED)**

The cash disbursements records reflected expenditures for program related goods and services. The Board is depositing and expending program monies in accordance with N.J.S.A. 18A:17-34 and 19-1 through 19-4.1. The appropriate revenue and expenditure records were maintained in order to substantiate the non-profit status of the school food service.

Exhibits reflecting Food Service Program operations are included in the Exhibits B-4, B-5, and B-6.

**STUDENT BODY ACTIVITIES**

The records for the Student Body Activities were maintained in satisfactory condition.

**APPLICATION FOR STATE SCHOOL AID**

Our audit procedures included a test of information reported in the October 15, 2020 Application for State School Aid (A.S.S.A) for on-roll, private schools for the handicapped, low-income and bilingual. We also performed a review of the district procedures related to its completion. The information that was included on the workpapers was verified without exception. The results of our procedures are presented in the Schedule of Audited Enrollments.

The district maintained workpapers on the prescribed state forms or their equivalent.

The district has adequate procedures for the recording of student enrollment data.

**PUPIL TRANSPORTATION**

Our audit procedures included a test of on roll status reported in the 2020-21 District Report of Transported Resident Students (DRTRS). The information that was included on the DRTRS was verified to the DRTRS Eligibility Summary Report without exception. The results of our procedures are presented in the Schedule of Audited Enrollments.

Our procedures also included a review of transportation related contracts and purchases. Based on our review, the district complied with proper bidding procedures and award of contracts. The bid specifications for the purchase of buses were in compliance with applicable statutes.

**FACILITIES AND CAPITAL ASSETS**

The Capital Assets Inventory was maintained in satisfactory condition.

Our procedures included a review of the SDA grant agreements for consistency with recording of SDA revenue, transfer of local funds from the general or capital reserve account, and awarding of contracts for eligible facilities construction.
