## ADMINISTRATIVE FINDINGS - FINANCIAL, COMPLIANCE AND PERFORMANCE

#### **Scope of Audit**

The audit covered the financial transactions of the Board Secretary/School Business Administrator and the activities of the Board of Education, and the records of the various funds under the auspices of the Board of Education.

#### **Administrative Practices and Procedures**

#### **Insurance**

Fire insurance coverage was carried in the amounts as detailed on Exhibit J-20, Insurance Schedule contained in the School District's CAFR.

#### Official Bonds (N.J.S.A. 18A:17-26, 18A:17-32, 18A:13-13)

Name	<u>Position</u>	Amount

Jason Schimpf Board Secretary/School Business Administrator \$250,000

There is a Public Employee's Faithful Performance Blanket Position Bond with the New Jersey School Board Association Insurance Group covering all other employees with multiple coverage of \$100,000.00 each person/\$50,000 per loss.

#### **Tuition Charges**

A comparison of tentative tuition charges and actual certified tuition charges was made. The actual costs were less than estimated costs. The School District made a proper adjustment to the billings to sending districts for the decrease in per pupil cost in accordance with N.J.A.C.6A:23A-17.1(f)3.

#### Financial Planning, Accounting and Reporting

#### **Examination of Claims**

A sample examination of claims paid during the period under the review did not indicate any discrepancies with respect to signatures, certification or supporting documentation.

#### **Payroll Account**

The net salaries of sampled employees of the board were deposited in the Payroll Account. Employee's payroll deductions and employer's share of fringe benefits were deposited in the Payroll Agency Account.

618 Stokes Road, Medford, NJ 08055

**P:** 609.953.0612 • **F:** 609.257.0008

#### Financial Planning, Accounting and Reporting (continued)

#### **Payroll Account (continued)**

Sampled payrolls were approved by the Superintendent and were certified by the President of the Board and the School Business Administrator/Board Secretary.

Sampled salary withholdings were promptly remitted to the proper agencies, including health benefits premium amounts withheld due to the general fund.

Payrolls were delivered to the School Business Administrator/Board Secretary who then deposited with warrants in separate bank accounts for net payroll and withholdings.

#### **Employee Position Control Roster**

A sample inquiry and subsequent review of the Position Control Roster found no inconsistencies between the payroll records, employee benefit records (e.g. pension reports and health benefit coverage reports), the general ledger accounts to where wages are posted (administrative versus instruction), and the Position Control Roster.

#### **Reserve for Encumbrances and Accounts Payable**

A sample of outstanding issued purchase orders was made as of June 30 for proper classification of orders as reserve for encumbrances and accounts payable. No exceptions were noted.

#### **Classification of Expenditures**

The coding of expenditures was tested for proper classification in accordance with *N.J.A.C.* 6A:23 A-16.29(f) as part of our test of transactions of randomly selected expenditure items. We also reviewed the coding of a sample of expenditures included in our compliance and single audit testing procedures. In addition to randomly selecting a test sample, our sample selection specifically targeted administrative coding classifications to determine overall reliability and compliance with *N.J.A.C.* 6A:23A-8.3. As a result of the procedures performed, a transaction error rate of 0% percent overall was noted and no additional procedures were deemed necessary to test the propriety of expenditure classification.

#### **Board Secretary's Records**

Our review of the financial and accounting records maintained by the board secretary were found to be in satisfactory condition.

#### **Treasurer's Records**

Our review of the financial and accounting records maintained by the Treasurer of School Monies were found to be in satisfactory condition.

# Elementary and Secondary Education Act (E.S.E.A.) as amended by the Every Student Succeeds Act (ESSA)

Our audit of the federal and state funds on a sample test basis indicated that obligations and expenditures were incurred during the fiscal year or project period for which the project was approved.

The financial exhibits are contained within the Special Revenue Section of the CAFR. This section of the CAFR documents the financial position pertaining to the aforementioned special projects.

#### T.P.A.F. Reimbursement

Our audit procedures included a sample test of the biweekly reimbursement's forms filed with the Department of Education for district employees who are members of the Teachers Pension and Annuity Fund. No exceptions were noted.

#### T.P.A.F. Reimbursement to the State for Federal Salary Expenditures

The amount of the expenditure charged to the current year's Final Report(s) for all federal awards for the school district to reimburse the State for the TPAF/FICA payments made by the State on-behalf of the school district for those employees whose salaries are identified as being paid from federal funds was made prior to the end of the 90 day grant liquidation period required by the Office of Grants Management. The expenditure was reviewed subsequent to the reimbursement and no exceptions were noted.

#### **School Purchasing Programs**

#### **Contracts and Agreements Requiring Advertisement for Bids**

*N.J.S.A.18A:18A-1* et seq. regulating bidding for public school student transportation contracts under *N.J.S.A.* 18A:39-3 is \$19,600 for 2020-21.

whether any contract or agreement might result in violation of the statute, the Solicitor's opinion should be sought before a commitment is made.

Based on the results of our tests on sample basis, we did not note any individual payments, contracts, or agreements made for the performance of any work or goods or services, in excess of the statutory thresholds where there had been no advertising for bids in accordance with the provision of *N.J.S.A.* 18A:18A-4.

Resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S.A. 18A:18A-5.

#### PUBLIC HEALTH EMERGENCY

In accordance with the Governor's Declaration of Emergency pertaining to the COVID 19 Virus all Public, Charter, Non-Public schools were ordered to close effective as of March 18, 2020 for an undetermined period to limit the spread of the virus. As a result, School Food Authorities (SFA) were required to institute alternate procedures to provide meals to Free and Reduced Price eligible students during the period of school closures.

During the 2020-2021 school year the public health emergency was still applicable. As a result, School Food Authorities (SFAs) were required to provide meals in accordance with the regulations governing the National School Nutrition Seamless Summer Option (SSO) or the Summer Food Service Program (SFSP) option.

SFAs were authorized to solicit and award emergency noncompetitive procurements and contracts with Food Service Management Companies in accordance with 2 CFR 200.320 and N.J.S.A. 18A:18A-7. The SFAs were also authorized to submit contract modifications to their existing Cost Reimbursable or Fixed Price contracts as necessary to ensure the feeding of all children throughout the age of 18, as well as persons over 18 with disabilities as defined in the regulations.

SFAs were notified of the requirement to maintain and report separate meal count records and financial records of all applicable costs incurred in providing meals to all students during the emergency.

The financial transactions and statistical records of the school food service fund were reviewed. The financial accounts, meal count records were reviewed on a test basis. No Exceptions Noted.

Check receipts and bank records were reviewed for timely deposit. No Exceptions Noted.

Expenditures should be separately recorded as food, labor and other costs. Vendor invoices were reviewed, and costs verified. Inventory records on food and supply items were currently maintained and properly applied in determining the cost of food and supplies used.

#### **School Food Service (continued)**

The cash disbursement records reflected expenditures for program related goods and services. The appropriate revenue and expenditure records were maintained in order to substantiate the non-profit status of the school food service.

Net cash resources did exceed three months average expenditures.

#### Finding 2021-01 (Federal Single Audit Finding 2020-001):

It was noted during our audit that Net Cash Resources did exceed three months average expenditures.

**Recommendation** – It is recommended that the District evaluate Net Cash Resources and implement a plan to reduce to lower than three months average expenditures.

Time sheets were reviewed, and labor costs verified. Payroll records were maintained on all School Food Service employees authorized by the board of education. No exceptions were noted.

The numbers of meals claimed for reimbursement was compared to sales and meal count records. As part of the claims review process the Edit Check Worksheet was completed. Reimbursement claims were submitted/certified in a timely manner.

Applications for free and reduced price males were reviewed for completeness and accuracy. The number of free and reduced price claimed as served was compared to the number of valid applications. The free and reduced price meal and free milk policy was reviewed for uniform administration throughout the school system. Sites approved to participate in Provisions I and II were examined for compliance with all counting and claiming requirements. The required verification procedures for free and reduced price applications were completed and available for review.

USDA Food Distribution Program food and/or commodities were received and a single inventory was maintained on a first-in, first-out basis. No exceptions were noted.

#### **Student Body Activities**

Our review of the financial and accounting records for student activities indicated they were in satisfactory condition.

Our audit procedures included a sample test of information reported in the October 15, 2020 Application for State School Aid (A.S.S.A.) for on-roll, private schools for the handicapped and low-income, and bilingual. We also performed a review on a sample basis of the School District's procedures related to its completion. The information on the ASSA was compared to the School District workpapers without exception. The information that was included on the workpapers was verified without exception. The results of our procedures are presented in the Schedule of Audited Enrollments

The information that was included on the DRTRS was verified to the DRTRS Eligibility Summary Report without exception. The results of our procedures are presented in the Schedule of Audited Enrollments.
