Honorable President and Members
of the Board of Education
Monmouth-Ocean Educational Services Commission
County of Monmouth
Tinton Falls, New Jersey 07712

We have audited, in accordance with generally accepted audit standards and Government Auditing Standards issued by the Comptroller General of the United States, the basic financial statements of the Monmouth-Ocean Educational Services Commission (Commission) in the County of Ocean for the year ended June 30, 2022, and have issued our report thereon dated March 31, 2023.

As part of our audit, we performed procedures required by the New Jersey Department of Education, and the findings and results thereof are disclosed on the following pages, as listed in the accompanying table of contents.

This report is intended for the information of the Commission's management and the New Jersey Department of Education. However, this report is a matter of public record and its distribution is not limited.

**ADMINISTRATIVE FINDINGS -
 FINANCIAL, COMPLIANCE AND PERFORMANCE**

Scope of Audit

The audit covered the financial transactions of the Board Secretary/School Business Administrator, the activities of the Board of Education (the Board), and the records of the various funds under the auspices of the Board.

Administrative Practices and Procedures

Insurance

Fire insurance coverage was carried in the amounts as detailed on Exhibit J-20, Insurance Schedule contained in the School District's ACFR.

Official Bonds (N.J.S.A. 18A:17-26, 18A:17-32, 18A:13-13)

<u>Name</u>	<u>Position</u>	<u>Amount</u>
Christopher Mullins	Business Administrator	\$ 300,000
Adam Voehl	Assistant Business Administrator	300,000

P.L.2020, c.44

Our audit procedures included an inquiry and subsequent review of health benefits data required per N.J.S.A. 18A:16-13.3 (Chapter 44) submitted for the year on audit. The chapter 44 summary report was reviewed for reasonableness and timeliness.

The data submitted did include all health benefit plans offered by the school district.

The school district data certification was completed by the Board Administrator. The school district Chapter 44 data was submitted timely.

Tuition Charges

A comparison of tentative tuition charges and actual certified tuition charges was made. The actual costs were less than estimated costs. The School District made a proper adjustment to the billings to sending districts for the decrease in per pupil cost in accordance with *N.J.A.C.6A:23A-17.1(f)3*.

Financial Planning, Accounting and Reporting

Examination of Claims

A sample examination of claims paid during the period under the review did not indicate any discrepancies with respect to signatures, certification or supporting documentation.

Payroll Account

The net salaries of sampled employees of the board were deposited in the Payroll Account. Employee's payroll deductions and employer's share of fringe benefits were deposited in the Payroll Agency Account.

Sampled payrolls were approved by the Superintendent and were certified by the President of the Board and the School Business Administrator/Board Secretary.

Sampled salary withholdings were promptly remitted to the proper agencies, including health benefits premium amounts withheld due to the general fund.

Payrolls were delivered to the School Business Administrator/Board Secretary who then deposited with warrants in separate bank accounts for net payroll and withholdings.

Employee Position Control Roster

A sample inquiry and subsequent review of the Position Control Roster found no inconsistencies between the payroll records, employee benefit records (e.g. pension reports and health benefit coverage reports), the general ledger accounts to where wages are posted (administrative versus instruction), and the Position Control Roster.

Reserve for Encumbrances and Accounts Payable

A sample of outstanding issued purchase orders was made as of June 30 for proper classification of orders as reserve for encumbrances and accounts payable. No exceptions were noted.

Classification of Expenditures

The coding of expenditures was tested for proper classification in accordance with *N.J.A.C. 6A:23 A-16.29(f)* as part of our test of transactions of randomly selected expenditure items. We also reviewed the coding of a sample of expenditures included in our compliance and single audit testing procedures. In addition to randomly selecting a test sample, our sample selection specifically targeted administrative coding classifications to determine overall reliability and compliance with *N.J.A.C. 6A:23A-8.3*. As a result of the procedures performed, a transaction error rate of 0% percent overall was noted and no additional procedures were deemed necessary to test the propriety of expenditure classification.

Board Secretary's Records

Our review of the financial and accounting records maintained by the board secretary were found to be in satisfactory condition.

Other Special Federal and/or State Projects

The Commission 's Special Projects were approved as listed on Schedule A and Schedule B located in the ACFR. Our audit of the federal and state funds on a test basis indicated that obligations and expenditures were incurred during the fiscal year or project period for which the project was approved.

The financial exhibits are contained within the Special Revenue Section of the ACFR. This section of the ACFR documents the financial position pertaining to the aforementioned special projects.

Teacher's Pension and Annuity Fund (TPAF) Reimbursement

Our audit procedures included a sample test of the biweekly reimbursements forms filed with the Department of Education for district employees who are members of the TPAF. No exceptions were noted.

TPAF Reimbursement to the State for Federal Salary Expenditures

The amount of the expenditure charged to the current year's final report(s) for all federal awards for the School District to reimburse the State for the TPAF/Federal Insurance Contributions Act (FICA) payments made by the State on-behalf of the school district for those employees whose salaries are identified as being paid from federal funds was made prior to the end of the 90 day grant liquidation period required by the Office of Grants Management. The expenditure was reviewed subsequent to the reimbursement and no exceptions were noted.

School Purchasing Programs

Contracts and Agreements Requiring Advertisement for Bids

The bid thresholds in accordance with *N.J.S.A. 18A:18A-2* and *18A:18A-3(a)* are \$44,000 (with a Qualified Purchasing Agent) and \$32,000 (without a Qualified Purchasing Agent), respectively. The law regulating bidding for public school student transportation contracts under *N.J.S.A. 18A:39-3* is \$19,600 for 2021-22.

The Board has the responsibility of determining whether the expenditures in any category will exceed the statutory thresholds within the contract year. Where question arises as to whether any contract or agreement might result in violation of the statute, the Solicitor's opinion should be sought before a commitment is made.

Based on the results of our tests on sample basis, we did not note any individual payments, contracts, or agreements made for the performance of any work or goods or services, in excess of the statutory thresholds where there had been no advertising for bids in accordance with the provision of *N.J.S.A. 18A:18A-4*.

Resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services" per *N.J.S.A. 18A:18A-5*.

Application for State School Aid (ASSA)

Our audit procedures included a sample test of information reported in the October 15, 2021 Application for State School Aid (A.S.S.A.) for on-roll, private schools for the handicapped and low-income, and bilingual. We also performed a review on a sample basis of the School District's procedures related to its completion. The information on the ASSA was compared to the School District workpapers without exception. The information that was included on the workpapers was verified without exception. The results of our procedures are presented in the Schedule of Audited Enrollments

The School District maintained workpapers on the prescribed state forms of their equivalent.

The School District written procedures appear to be adequate for the recording of student enrollment data.

Facilities and Capital Assets

Our review of the financial and accounting records for capital assets indicated they were in satisfactory condition.

Follow-up on Prior Year Findings

In accordance with audit requirements prescribed by the Office of School Finance, Department of Education, State of New Jersey, our procedures included a review of all prior year findings reported in the prior year’s Auditor’s Management Report on Administrative Findings – Financial, Compliance and Performance. All prior year findings have been rectified by the Commission.

Office of Fiscal Accountability and Compliance (OFAC) Findings

There were no Office of Fiscal Accountability and Compliance (OFAC) audit reports issued during the fiscal year ended June 30, 2022.

Acknowledgment

We received the complete cooperation of all the officials of the school district and we greatly appreciate the courtesies extended to the members of the audit team.

Respectfully Submitted,
