Sampled payrolls were approved by the Superintendent and were certified by the President of the Board and the Board Secretary / School Business Administrator.

Sampled salary withholdings were promptly remitted to the proper agencies, including health benefit premium withholdings due to the general fund.

Sampled payrolls were delivered to the Board Secretary who then deposited with warrants in separate bank accounts for net payroll and withholdings.

Travel

Our procedures performed on travel expenditures during the fiscal year under audit did not indicate any reportable noncompliance.

Classification of Expenditures

The coding of expenditures was tested for proper classification in accordance with N.J.A.C. 6A:23A-16.2(f) as part of our randomly sampled expenditure transactions. We also tested the coding of all expenditures included in our compliance and single audit sampling procedures. In addition, a sample was selected that specifically targeted administrative coding classifications to determine overall reliability and compliance with N.J.A.C. 6A:23A-8.3. Our samples did not indicate any reportable noncompliance with respect to classification of expenditures.

Board Secretary's Records

Our audit of the financial and accounting records maintained by the Board Secretary indicated that they were in satisfactory condition.

Treasurer of School Moneys' Records

FINANCIAL PLANNING, ACCOUNTING, AND REPORTING (CONT'D)

Pupil Transportation

Our audit procedures included a sample of on-roll status reported in the 2021-22 District Report of Transported Resident Students (DRTRS). The information that was reported on the DRTRS was verified to the DRTRS Eligibility Summary Report without exception. The results of our procedures are presented in the schedule of audited enrollments.

Our procedures also included a sample of transportation related contracts and purchases. We performed procedures over transportation related contracts and purchases. It appears the School District complied with proper bidding procedures and award of contracts.

Elementary and Secondary Education Act (E.S.E.A.) as amended by the Every Student Succeeds Act (E.S.S.A.)

The E.S.E.A. financial exhibits are contained within the special revenue section of the ACFR. This section of the ACFR documents the financial position pertaining to the projects under Titles I, II, III and IV of the Every Student Succeeds Act.

The audit of compliance for E.S.E.A. did not indicate any reportable noncompliance.

Other Special Federal and / or State Projects

The School District's other special projects were approved as listed on exhibits K-3 and K-4 located in the ACFR.

Our audit of the federal and state funds on a sample basis indicated that obligations and expenditures were incurred during the fiscal year or project period for which the project was approved.

The financial exhibits are contained within the special revenue section of the ACFR. This section of the ACFR documents the financial position pertaining to the aforementioned other special projects.

The audit of compliance for other special projects did not indicate any reportable noncompliance.

TPAF Reimbursement

Our audit procedures included a sample of the biweekly reimbursements filed with the Department of Education for School District employees who are members of the Teachers' Pension and Annuity Fund. No exceptions were noted.

TPAF Reimbursement to the State for Federal Salary Expenditures

The amount of the expenditure charged to the current year's final report(s) for all federal awards for the School District to reimburse the State for the TPAF/FICA payments made by the State on-behalf of the School District for those employees whose salaries are identified as being paid from federal funds was made prior to the end of the 90 day grant liquidation period required by the Office of Grants Management and N.J.S.A. 18A:66-90. The expenditure was inspected subsequent to the reimbursement and no exceptions were noted.

SCHOOL PURCHASING PROGRAMS

Contracts and Agreements Requiring Advertisement for Bids

N.J.S.A. 18A:18A-1 et seq. (Public School Contracts Law), the associated rules and related information on the statute, and the school contracts in general, are available on the following website:

<https://www.state.nj.us/dca/divisions/dlgs/programs/lpcl.html>

Current statute is posted on the New Jersey Legislature website at:

<http://www.njleg.state.nj.us/>

The bid thresholds in accordance with N.J.S.A. 18A:18A-2 and 18A:18A-3(a) are \$44,000.00 (with a Qualified Purchasing Agent) and \$32,000.00 (without a Qualified Purchasing Agent), respectively. The law regulating bidding for public school student transportation contracts under N.J.S.A. 18A:39-3 is \$20,200.00 for 2021-22.

The School District's Board of Education has the responsibility of determining whether the expenditures in any category will exceed the statutory thresholds within the contract year. Where question arises as to whether any contract or agreement might result in violation of the statute, the solicitor's opinion should be sought before a commitment is made.

Based on the results of our audit, we did not note any individual payments, contracts, or agreements made for the performance of any work or goods or services, in excess of the statutory thresholds where there had been no advertising for bids in accordance with the provision of N.J.S.A. 18A:18A-4.

Resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S.A. 18A:18A-5.

SCHOOL FOOD SERVICE

Public Health Emergency

In accordance with the Governor's Declaration of Emergency pertaining to the public health emergency all public, charter, non-public schools were ordered to close effective as of March 18, 2020 for an undetermined period to limit the spread of the virus. As a result, school food authorities (SFA) were required to institute alternate procedures to provide meals to free and reduced price eligible students during the period of school closures. Governor Murphy's emergency declaration ended June 4, 2021; however, the United States Department of Agriculture's federal waiver continued through June 30, 2022. Food Service Agencies operated under this federal waiver.

As a result, School Food Authorities (SFAs) were required to provide meals in accordance with the regulations governing the National School Nutrition Seamless Summer Option (SSO). SFAs could also choose to participate in the National School Lunch Program utilizing standard counting and claiming practices.

SFAs were authorized to solicit and award emergency noncompetitive procurements and contracts with food service management companies in accordance with 2 CFR 200.320 and N.J.S.A.18A:18A-7. The SFAs were also authorized to submit contract modifications to their existing cost reimbursable or fixed price contracts as necessary to ensure the feeding of all children throughout the age of 18, as well as persons over 18 with disabilities as defined in the regulations.

SFAs were notified of the requirement to maintain and report separate meal count records and financial records of all applicable costs incurred in providing meals to all students during the emergency.

SCHOOL FOOD SERVICE (CONT'D)

Public Health Emergency (Cont'd)

The school food service program was not selected as a major federal and / or State program. However, the program expenditures exceeded \$100,000.00 in federal and / or State support. Accordingly, we inquired of school management, or appropriate school food service personnel, as to whether the School Food Authority (SFA) had any Child Nutrition Program reimbursement overclaims or underclaims. No exceptions were noted.

We also inquired of school management, or appropriate school food service personnel, as to whether the SFA's expenditures of school food service revenues were limited to allowable direct and indirect costs. No exceptions were noted.

The statement of revenues, expenses, and changes in fund net position (ACFR exhibit B-5) does separate program and non-program revenue and program and non-program cost of goods sold.

We also inquired of management about the public health emergency procedures / practices that the SFA instituted to provide meals to all students, maintenance of all applicable production records; meal counts; noncompetitive procurements; modification of existing contracts and applicable financial records to document the specific costs applicable to the emergency operations.

Net cash resources did not exceed three months average expenditures.

STUDENT BODY ACTIVITIES

Our audit of the financial and accounting records for student activities indicated that they were in satisfactory condition.

APPLICATION FOR STATE SCHOOL AID

Our audit procedures included a sample of information reported in the October 15, 2021 Application for State School Aid (A.S.S.A.) for on-roll, private schools for the disabled, low-income, and bilingual. We also performed an inspection of the School District procedures related to its completion. The information on the A.S.S.A. was compared to the School District workpapers without exception. The information that was included on the workpapers was verified without exception. The results of our procedures are presented in the schedule of audited enrollments.

The School District maintained workpapers on the prescribed State forms or their equivalent.

The School District has adequate written procedures for the recording of student enrollment data.

FACILITIES AND CAPITAL ASSETS

Our audit of the financial and accounting records for facilities and capital assets indicated that they were in satisfactory condition.

MISCELLANEOUS

The School District complied with its most recent continuing disclosure agreements made in relation to prior year bond issuances.

Testing for Lead of All Drinking Water in Education Facilities

The School District complied with all the requirements of N.J.A.C. 6A:26-1.2 and 12.4 related to the testing for lead of all drinking water in educational facilities.

The School District submitted the annual Statement of Assurance to the Department of Education, pursuant to N.J.A.C. 6A:26-12.4(g).

FOLLOW-UP ON PRIOR YEAR'S FINDINGS

We have also inspected any findings contained in the audit reports issued by the Office of Fiscal Accountability and Compliance (OFAC). Corrective action had been taken on all findings in the report.
