## **ADMINISTRATIVE FINDINGS - FINANCIAL COMPLIANCE AND PERFORMANCE**

### **Scope of Audit**

The audit covered the financial transactions of the School Business Administrator and the Treasurer of School Moneys, the activities of the Board of Education, and the records of the various funds under the auspices of the Board of Education.

### **Administrative Practices and Procedures**

#### **Insurance**

Fire insurance coverage was carried in the amounts as detailed on Exhibit J-20, Insurance Schedule contained in the district's ACFR.

#### **Official Bonds (NJSA 18A:17-26, 18A:17-32, 18A:13-13)**

<u>NAME</u>	<u>POSITION</u>	<u>AMOUNT</u>
James Craft	Treasurer	\$ 150,000
Linda Fiori	Board Secretary/ School Business Administrator	50,000

### **P.L. 2020, c.44**

Our audit included an inquiry and subsequent review of health benefit data required per N.J.S.A. 18A:16-13.3 (Chapter 44) submitted for the year on audit. The Chapter 44 summary report was reviewed for reasonableness and timeliness.

### **Financial Planning, Accounting and Reporting**

#### **Examination of Claims**

A test examination of claims paid during the period under review did not indicate any discrepancies with respect to signatures, certification or supporting documentation.

#### **Payroll Account**

The net salaries of all employees of the Board were deposited in the Payroll Account. Employees' payroll deductions and employer's share of fringe benefits were deposited in the Payroll Agency Account.

All payrolls were approved by the Superintendent and were certified by the President of the Board, the Business Administrator and the Chief School Administrator.

Salary withholdings were promptly remitted to the proper agencies, including health benefits withholding due to the general fund.

Payrolls were delivered to the treasurer of school moneys with a warrant made to her order for the full amount of each payroll.

#### Reserve for Encumbrances and Accounts Payable

A review of outstanding issued purchase orders was made as of June 30 for proper classification of orders as reserve for encumbrances and accounts payable.

#### Classification of Expenditures

The coding of expenditures was tested for proper classification in accordance with NJAC 6:23A-16.2(f) as part of our test of transactions of randomly selected expenditure items. We also reviewed the coding of all expenditures included in our compliance and single audit testing procedures. In addition to randomly selecting a test sample, our sample selection specifically targeted administrative coding classifications to determine overall reliability and compliance with NJAC 6A:23A-8.3. As a result of the procedures performed, a transaction error rate of 0% was noted and no additional procedures were deemed necessary to test the propriety of expenditure classification.

##### ***A. General Classification Findings***

None

##### ***B. Administrative Classification Findings***

None

#### Board Secretary's Records

Our review of the financial and accounting records maintained by the board secretary disclosed no issues.

#### Treasurer's Records

The records of the treasurer were in satisfactory condition.

#### Elementary and Secondary Education Act (E.S.E.A.) as amended by Every Student Succeeds Act (ESSA).

The District received no ESEA/ESSA funds during the fiscal year ended June 30, 2022.

### Other Special Federal and/or State Projects

The district's Special Projects were approved as listed on Schedule A and Schedule B located in the ACFR.

Our audit of the federal and state funds on a test basis, indicated that obligations and expenditures were incurred during the fiscal year or project period for which the project was approved.

The financial exhibits are contained within the Special Revenue section of the ACFR. This section of the ACFR documents the financial position pertaining to the aforementioned special projects.

The study of compliance for the special projects indicated no areas of noncompliance and/or questioned costs.

### T.P.A.F. Reimbursement

Our audit procedures included a test of the biweekly reimbursements filed with the Department of Education for district employees who are members of the Teachers Pension and Annuity Fund. No exceptions were noted.

### T.P.A.F. Reimbursement to the State for Federal Salary Expenditures

Not applicable.

### **School Purchasing Programs**

#### Contracts and Agreements Requiring Advertisement for Bids

N.J.S.A. 18A:18A-3 states:

- a. When the cost or price of any contract awarded by the purchasing agent in the aggregate, does not exceed in a contract year the total sum of \$32,000, the contract may be awarded by a purchasing agent when so authorized by resolution of the board of education without public advertising for bids and bidding therefore, except that the board of education may adopt a resolution to set a lower threshold for the receipt of public bids or the solicitation of competitive quotations. If the purchasing agent is qualified pursuant to subsection b. (pending C.40A:11-9) the board of education may establish that the bid threshold may be up to \$44,000. Such authorization may be granted for each contract or by a general delegation of the power to negotiate and award such contracts pursuant to the section.
- b. Commencing in the fifth year after the year in which P.L. 1999, c.440 takes effect, and every five years thereafter, the Governor, in consultation with the Department of Treasury, shall adjust the threshold amount and the higher threshold amount which the board of education is permitted to establish as set forth in subsection a. of this section or the threshold amount resulting from any adjustment under this subsection, in direct proportion to the rise or fall of

the index rat as that term is defined in NJS 18A:18A-2, and shall round the adjustment to the nearest \$1,000. The Governor shall notify all local school districts of the adjustment no later than June 1 of every fifth year. The adjustment shall become effective on July 1 of the year in which it is made. Any contract made pursuant to this section may be awarded for a period of 24 consecutive months, except that contracts for professional services pursuant to paragraph (1) of subsection a. of NJS 18A:18A-5 may be awarded for a period not exceeding 12 consecutive months.

N.J.S.A. 18A:18A-4 states, "Every contract for the provision or performance of any goods or services, the cost of which in the aggregate exceeds the bid threshold, shall be awarded only by resolution of the board of education to the lowest responsible bidder after public advertising for bids and bidding therefore, except as is provided otherwise in this chapter or specifically by any other.

The board of education may, by resolution approved by a majority of the board of education and subject to subsections b. and c. of this section, disqualify a bidder who would otherwise be determined to be the lowest responsible bidder, if the board of education finds that it has had prior negative experience with the bidder."

Effective July 1, 2010 and thereafter the bid thresholds in accordance with N.J.S.A. 18A:18A-2 and 18A:18A-3(a) are \$44,000 (with a Qualified Purchasing Agent) and \$32,000 (without a Qualified Purchasing Agent), respectively. Avalon Board of Education has a Qualified Purchasing Agent therefore the bid threshold was \$44,000 for fiscal year 2021. The law regulating bidding for public school student transportation contract under N.J.S.A. 18A:39-3 is currently \$20,200.

The board of education has the responsibility of determining whether the expenditures in any category will exceed the statutory thresholds within the contract year. Where question arises as to whether any contract or agreement might result in violation of the statute, the Solicitor's opinion should be sought before a commitment is made.

Inasmuch as the system of records did not provide for an accumulation of payments for categories for the performance of any work or goods or services, the results of such an accumulation could not reasonably be ascertained. Disbursements were reviewed, however, to determine if any clear-cut violations existed.

Based on the results of my examination, I did not note any individual payments, contracts, or agreements made for the performance of any work or goods or services, in excess of the statutory thresholds in accordance with the provision of N.J.S.A. 18A:18A-4, as amended.

Resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S.A. 18A:18A-5.

The system of records did not provide for an accumulation of purchases for which the school board used contracts entered into by the State Department of Purchase and Property pursuant to Ch. 114, P.L. 1977, therefore, the extent of such purchases could

not reasonably be ascertained. My examination did not reveal any purchases through the use of State contracts.

### **Student Body Activities**

The financial transactions of the student activity funds were maintained in a satisfactory condition. Cash receipts were promptly deposited and cash disbursements had adequate supporting documentation.

### **Application for State School Aid**

Our audit procedures included a test of information reported in the October 15, 2021 Application for State School Aid (A.S.S.A.) for on-roll, private schools for the handicapped, low-income, and bi-lingual. We also performed a review of the district procedures related to its completion. The information on the A.S.S.A. was compared to the district workpapers. The information that was included on the workpapers was verified. The results of our procedures are also presented in the Schedule of Audited Enrollments.

The district maintained workpapers on the prescribed state forms or their equivalent.

The district has adequate written procedures for the recording of student enrollment data.

### **Pupil Transportation**

Our audit procedures included a test of on-roll status reported in the 2021-2022 District Report of Transported Resident Students (DRTRS). The information that was included on the DRTRS was verified to the DRTRS Eligibility Summary Report without exception. The results of our procedures are presented in the Schedule of Audited Enrollments.

Our procedures also included a review of transportation related contracts and purchases. Based on our review, the district complied with proper bidding procedures and award of contracts. No exceptions were noted in our review of transportation related purchases of goods and services.

### **Follow-up on Prior Years' Findings**

Not applicable

### **Acknowledgement**

We received the complete cooperation of all the officials of the school district and I greatly appreciate the courtesies extended to the members of the audit team.
