FINANCIAL PLANNING, ACCOUNTING AND REPORTING

Examination of Claims

Our audit of claims paid during the period under review did not indicate any discrepancies with respect to signatures, certification or supporting documentation.

Tuition Charges

Tuition Charges A comparison of tentative tuition charges and actual certified tuition charges was made. The actual costs were compared to the estimated costs. The Board made the proper adjustment to the billings to sending districts for the increase/decrease in per pupil costs in accordance with N.J.A.C. 6A:23A-17.1(f)3.

Payroll Accounts

The net salaries of all employees of the District were deposited in the Net Payroll Account. Employees' payroll deductions and employer's share of fringe benefits were deposited in the Payroll Agency Account.

All payrolls tested were approved by the Superintendent and were certified by the President of the Board, the Board Secretary/Business Administrator and the Chief School Administrator.

Salary withholdings were promptly remitted to the proper agencies including health benefits premium amounts withheld due to the general fund.

Payrolls were delivered to the treasurer of school moneys with a warrant made to his order for the full amount of each payroll.

Position Control Roster

The Position Control Roster was reviewed and compared to payroll records, employee benefit records and charges made to the general ledger to ensure proper and consistent financial reporting and that employee benefits are only offered to current employees.

Reserve for Encumbrances Liability (Current) for Accounts Payable

A review of outstanding issued purchase orders was made as of June 30 for goods not yet received or services not yet rendered and it was determined that no blanket purchase orders were included in the balance of the reserves for encumbrances. Also, unpaid purchase orders included in the balance of accounts payable were reviewed for propriety and to determine that goods were received and services were rendered, as of June 30, 2023.

Findings – Financial and Compliance**

FINANCIAL PLANNING, ACCOUNTING AND REPORTING (Continued)

Classification of Expenditures

The coding of expenditures was tested for proper classification in accordance with N.J.A.C. 6A:23A-16.2(f) as part of our test of transactions of randomly selected expenditure items. We also reviewed the coding of all expenditures included in our compliance and single audit testing procedures. In addition to randomly selecting a test sample, our sample selection specifically targeted administrative coding classifications to determine overall reliability and compliance with N.J.A.C. 6A:23A-8.3. As a result of the procedures performed, no errors were noted and no additional procedures were deemed necessary to the test the propriety of expenditure classification.

Board Secretary's Records

The financial records, books of account and minutes of the Board Secretary were maintained in satisfactory condition and the contractual order system was fully implemented.

Treasurer's Records

The records maintained by the Treasurer of School Monies were in satisfactory condition and were in agreement with the records maintained by the Board Secretary/Business Administrator.

Elementary and Secondary Education Act (E.S.E.A.) as amended by Every Student Succeeds Act (ESSA)

The E.S.E.A. financial exhibits are contained within the Special Revenue Section of the ACFR. This section of the ACFR documents the financial position pertaining to the projects under the Elementary and Secondary Education Act, as amended and reauthorized.

Other Special Federal and/or State Projects

The District's Special Projects were approved as listed on Schedule A and Schedule B located in the ACFR.

Our examination of the State and Federal funds on a test basis indicated that obligations and expenditures were incurred during the fiscal year or project period for which the project was approved.

The financial exhibits are contained within the special revenue section of the ACFR represent an accurate statement of the financial position pertaining to the aforementioned special projects.

FINANCIAL PLANNING, ACCOUNTING AND REPORTING (Continued)

T.P.A.F. Reimbursement

Our audit procedures included a test of the bimonthly reimbursement filed with the Department of Education for district employees who are members of the Teachers Pension and Annuity Fund. No exceptions were noted.

T.P.A.F. Reimbursement to the State for Federal Salary Expenditures

Our audit procedures also included a test of the reimbursement of the employer share of pensions, group life insurance, FICA and other benefits of the Teacher's Pension and Annuity Fund for TPAF members carrying out and paid from federally funded programs in accordance with N.J.S.A. 18A:66-90. The District filled out the required form and submitted it for audit. Our test included verification of eligible employees to be included, and, if applicable, a recalculation to verify proper amounts were used. No exceptions were noted.

SCHOOL PURCHASING PROGRAMS

Contracts and Agreements Requiring Advertisement for Bids

N.J.S.A. 18A:18A-4 states, "Every contract for the provision or performance of any goods or services, the cost of which in the aggregate exceeds the bid threshold, shall be awarded only by resolution of the board of education to the lowest responsible bidder after public advertising for bids and bidding therefor, except as is provided otherwise in this chapter or specifically by any other law.

The Board of Education may, by resolution, approve by the majority of the board of education and subject to subsections b. and c. of this section, disqualify a bidder who would otherwise be determined to be the lowest responsible bidder, if the board of education finds that it has had negative prior experience with the bidder."

Effective July 1, 2021, the bid threshold in accordance with N.J.S.A. 18A:18A-3(a) and (c) is \$32,000.00. In accordance with N.J.S.A. 40A:11-9 (b) the bid threshold for all purchases made by the District's qualified purchasing agent is \$40,000.00. The law regulating bidding for public school student transportation contracts under N.J.S.A. 18:39-3 is currently \$20,200.00.

The Board of Education has the responsibility of determining whether the expenditures in any category will exceed the statutory thresholds within the fiscal year. Where question arises as to whether any contract or agreement might result in violation of the statute, the solicitor's opinion should be sought before a commitment is made.

Inasmuch as the system of records did not provide for an accumulation of payments for categories for the performance of any work or the furnishing or hiring of any materials or supplies, the results of such an accumulation could not reasonably be ascertained. Disbursements were reviewed, however, to determine whether any clear-cut violations existed.

**Independent Auditor's Management Report of Administrative
Findings – Financial and Compliance**

SCHOOL PURCHASING PROGRAMS (CONTINUED)

Contracts and Agreements Requiring Advertisement for Bids (Continued)

The results of our examination indicated that no individual payments, contracts or agreements were made "for the performance of any work or the furnishing or hiring of any materials or supplies," in excess of the statutory thresholds where there had been no advertising for bids in accordance with the provisions of N.J.S.A. 18A:18A-4.

Resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S.A. 18A:18A-5.

The system of records did not provide for an accumulation of purchases for which the School Board used contracts entered into by the State Department of Purchase and Property pursuant to Ch. 114, P.L. 1977, therefore, the extent of such purchases could not reasonably be ascertained. Our examination did reveal however, that the district made purchases through the use of state contracts.

SCHOOL FOOD SERVICE

The District has elected not to participate in the federally assisted child nutrition programs encompassing the National School Lunch, Breakfast and Special Milk programs.

STUDENT BODY ACTIVITIES

The records for the Student Body Activities were maintained in satisfactory condition.

APPLICATION FOR STATE SCHOOL AID

Our audit procedures included a test of information reported in the October 14, 2022 Application for State School Aid (A.S.S.A) for on-roll, private schools for the handicapped, and low-income. We also performed a review of the district procedures related to its completion. The information on the A.S.S.A. was compared to the district work papers with minor exceptions. The information that was included on the workpapers was verified without exception. The results of our procedures are presented in the Schedule of Audited Enrollments.

The district maintained work papers on the prescribed state forms or their equivalent.

The district has adequate written procedures for the recording of student enrollment data.

PUPIL TRANSPORTATION

Our audit procedures included a test of on roll status reported in the 2022-23 District Report of Transported Resident Students (DRTRS). The information that was included on the DRTRS was verified to the DRTRS Eligibility Summary Report with minor out exceptions. The results of our procedures are presented in the Schedule of Audited Enrollments.

**Independent Auditor's Management Report of Administrative
Findings – Financial and Compliance**

Our procedures also included a review of transportation related contracts and purchases. Based on our review, the district complied with proper bidding procedures and award of contracts. No exceptions were noted in our review of transportation related purchases of goods and services.

FACILITIES AND CAPITAL ASSETS

Facilities and fixed asset records were maintained in satisfactory condition. Records were updated for additions and disposals made during the year.
