Administrative Practices and Procedures

Insurance

Fire insurance coverage was carried in the amounts as detailed on the Insurance Schedule of the statistical section in the district's Comprehensive Annual Financial Report (CAFR).

Official Bonds (N.J.S.A. 18A:17-26, 18A:17-32, 18A:13-13)

Name	Position	Amount
Eulalia Gillis	Interim Business Administrator	\$250,000

Examination of Claims

An examination of claims paid during the period under review did not reveal any material discrepancies with respect to signatures, certification or supporting documentation.

Financial Planning, Accounting and Reporting

Payroll Account

The net salaries of all employees of the Board was deposited in the Payroll Account. Employees' payroll deductions and employer's share of payroll taxes were deposited in the Payroll Agency Account

The Board has implemented and maintains a personnel tracking and accounting (Position Control) system.

Finding 2023-001 – Per review of the Payroll Agency Account balance, it was noted that an erroneous IRS Refund check was received by the District during the year. Per review of tax payments, it does not appear the District made any duplicate or extra payments.

Recommendation – The erroneous IRS refund receipt for payroll taxes be reviewed and cleared of record.

Reserve for Encumbrances and Accounts Payable

A review of outstanding issued purchase orders was made as of June 30 for proper classification of orders as reserve for encumbrances and accounts payable and it was determined that no blanket purchase orders were included in the balance of the year end encumbrances. Also, unpaid purchase orders included in the balance of accounts payable were reviewed for proprietary and to determine that goods were received and services were rendered, as of June 30.

Finding 2023-002 – Per the audit of random expenditures, it was noted that numerous purchase orders were missing the claimant signature.

Recommendation – Claimant signatures be obtained for purchase orders before payment.

Travel

The Board of Education has adopted a travel policy that complies with N.J.S.A. 18A:11-12.

Classification of Expenditures

The coding of expenditures was tested for proper classification in accordance with <u>N.J.A.C.</u> 6A:23A-16.2(f) as part of our test of transactions of randomly selected expenditure items. We also reviewed the coding of all expenditures included in our compliance and single audit testing procedures. No exceptions were noted regarding the account classification of our expenditures. In addition to randomly selecting a test sample, our sample selection specifically targeted administrative coding classifications to determine overall reliability and compliance with N.J.A.C. 6A:23A-16.2(f) as part of our expenditures.

Board Secretary's Records

The financial records, books of account and minutes maintained by the Board Secretary were in fair condition.

Acknowledgement of the Board's receipt of the Board Secretary's and Treasurer's monthly financial reports were included in the minutes.

The prescribed contractual order system was followed. Bids received were summarized in the minutes (N.J.S.A. 18A:18A-21).

Financial Planning, Accounting and Reporting (Continued)

Treasurer's Records

The Treasurer performed cash reconciliations in accordance with N.J.S.A. 18A:17-9.

All cash receipts were promptly deposited.

The Treasurers cash balances were in agreement with the cash balances of the Board Secretary.

Unemployment Compensation Insurance Trust Fund

The Board has adopted the direct reimbursement method and has established an Unemployment Compensation Insurance Trust Fund. The financial transactions of this fund are reported in the Fiduciary Fund.

Elementary and Secondary Education Act (E.S.E.A.) as Amended by the Every Student Succeeds Act (ESSA)

The E.S.E.A./ESSA financial exhibits are contained within the Special Revenue section of the CAFR. This section of the CAFR documents the financial position pertaining to projects under Title II and IV of the Elementary and Secondary Education Act as amended.

Our examination indicated that obligations and expenditures were incurred during the fiscal year or project period for which the project was approved.

Other Special Federal and/or State Projects

The district's Special Projects were approved as listed on Exhibit K-3 and Exhibit K-4 located in the CAFR.

Our examination indicated that obligations and expenditures were incurred during the fiscal year or project period for which the project was approved.

The financial exhibits contained herein represent a true statement of the financial position pertaining to the aforementioned special projects.

T.P.A.F. Reimbursements

Our audit procedures included a test of the semi-monthly reimbursement forms filed with the Department of Education for district employees who are members of the Teachers Pension and Annuity Fund. No exceptions were noted.

T.P.A.F. Reimbursement to the State for Federal Salary Expenditures

There were no TPAF employees' pensionable wages paid from federal funds during the current year. Therefore, there were no reimbursement amounts due to the state at June 30, 2023.

Nonpublic State Aid

Project Completion Reports were finalized and transmitted to the State by the due date.

School Purchasing Programs

Contracts and Agreements Requiring Advertisement for Bids

The bid thresholds in accordance with N.J.S.A. 18A:18A-2 and 18A:18A-3(a) are \$44,000 (with a Qualified Purchasing Agent) and \$32,000 (without a Qualified Purchasing Agent), respectively. The law regulating bidding for public school student transportation contract under N.J.S.A. 18A:39-3 is \$20,200 for 2022-23.

The Board of Education has the responsibility of determining whether the expenditures in any category will exceed the statutory thresholds within the contract year. Where question arises as to whether any contract or agreement might result in violation of the statute, the Board Attorney's opinion should be sought before a commitment is made.

Inasmuch as the system of records did not provide for an accumulation of payments for categories for the performance of any work or the furnishing or hiring of any materials or supplies, the results of such an accumulation could not reasonably be ascertained. Disbursements were reviewed; however, to determine whether any clear-cut violations existed.

Resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services" per <u>N.J.S.A.</u> 18A:18A-5.

The system of records did not provide for an accumulation of purchases for which the school board used contracts entered into by the State Department of Purchase and Property pursuant to Ch. 114, P.L. 1977, therefore, the extent of such purchases could not reasonably be ascertained. Our examination did reveal, however, that purchases were made through the use of State contracts.

Food Service Fund

Food service is now provided by the Parents of the district. No longer ran by the District and a Food Service Management Company. Exhibits have been removed from the report.

Student Activity Accounts

The Board has a policy which clearly established the regulation of student activity funds.

Application for State School Aid

Our audit procedures included a test information reported in the October 15, 2022 Application for State School Aid (A.S.S.A.) for on-roll, private schools for the disabled, low-income and bilingual. We also performed a review of the district procedures related to its completion. The information on the A.S.S.A. was compared to the district workpapers without exception. The information that was included on the workpapers was verified with immaterial exceptions noted. The results of our procedures are presented in the Schedule of Audited Enrollments.

The district maintained workpapers on the prescribed state forms or their equivalent. The district has adequate written procedures for the recording of student enrollment data.

Pupil Transportation

Our audit procedures included a test of on roll status reported in the 2022-2023 District Report of Transported Resident Students (DRTRS). The information that was included on the DRTRS was verified to the DRTRS Eligibility Summary Report with an immaterial exception noted. The information on the DRTRS was unable to be verified. The results of our procedures are presented in the Schedule of Audited Enrollments.

Our procedures included a review of transportation related contracts and purchases. Based on our review, the district complied with proper bidding procedures and award of contracts.
