Independent Auditors' Report

Honorable President and
Members of the Board of Trustees
Teaneck Community Charter School
County of Bergen, New Jersey

We have audited, in accordance with generally accepted audit standards and *Government Auditing Standards* issued by the Comptroller General of the United States, the basic financial statements of the Board of Trustees of the Teaneck Community Charter School, in the County of Bergen, State of New Jersey, for the year ended June 30, 2017 and have issued our report thereon dated September 25, 2017.

As part of our audit, we performed procedures required by the New Jersey Department of Education, and the findings and results thereof are disclosed on the following pages, as listed in the accompanying table of contents.

This report is intended for the information of the Teaneck Community Charter School Board of Trustees management and the New Jersey Department of Education. However, this report is a matter of public record and its distribution is not limited.

**ADMINISTRATIVE FINDINGS - FINANCIAL, COMPLIANCE
AND PERFORMANCE REPORTING**

SCOPE OF AUDIT

The audit covered the financial transactions of the Board Secretary and the School Business Administrator, the activities of the Board of Trustees, and the records of the various funds under the auspices of the Board of Trustees of the Teaneck Community Charter School.

ADMINISTRATIVE PRACTICES AND PROCEDURES

Insurance

Fire insurance coverage was carried in the amounts as detailed on Exhibit J-20 Insurance Schedule contained in the school's CAFR.

Official Bonds

<u>Name</u>	<u>Position</u>	<u>Amount</u>
All Board Members (Per Incident)		\$3,000,000

Tuition Charges

A review of the financial statements indicated that the charter school charged no tuition for any student attending the charter school and all proceeds for a before/after school program were accounted for in an Enterprise Fund.

FINANCIAL PLANNING, ACCOUNTING AND REPORTING

Examination of Claims

An examination of claims paid during the period under review did not indicate any discrepancies with respect to signatures, certification or supporting documentation.

Payroll Account

The net salaries of all employees of the Board were deposited in the Payroll Account. Employees' payroll deductions and employer's share of fringe benefits were deposited in the Payroll Agency Account.

All payrolls were approved by the designee in the charter school and were certified by the President of the Board, the Board Secretary and the Chief School Administrator.

Payrolls were delivered to the secretary of the board who then deposited with warrants in separate bank accounts for net payroll and withholdings.

Salary withholdings were promptly remitted to the proper agencies.

Finding

None

Employee Position Control Roster

The Board has established internal control procedures to ensure that a review of the Position Control Roster is performed to ensure proper and consistent financial reporting and that employee benefits are offered only to current employees and their eligible relations.

Reserve for Encumbrances and Accounts Payable

A review of outstanding issued purchase orders was made as of June 30 for proper classification of orders as reserve for encumbrances and accounts payable.

Finding

None

Classification of Expenditures

The coding of expenditures was tested for proper classification in accordance with N.J.A.C. 6A:23A-16.2(f) as part of our test of transactions of randomly selected expenditure items. We also reviewed the coding of all expenditures included in our compliance procedures. In addition to randomly selecting a test sample, our sample selection specifically targeted administration coding classifications to determine overall reliability and compliance with N.J.A.C. 6A:23-8.3. As a result of the procedures performed, a transaction error rate of 0.00% was noted and no additional procedures were deemed necessary to test the propriety of expenditure classification.

Finding

None

Business Office's Records

Our review of the financial and accounting records maintained by the Business Office disclosed the following items.

Finding

None

Treasurer's / Designee Records

There were no items noted during our review of the records of the chief school administrator.

Finding

None

Elementary and Secondary Education Act (ESEA) / Improving America's Schools Act (IASA) as reauthorized by the No Child Left Behind Act of 2001

The ESEA / IASA / NCLB financial exhibits are contained within the Special Revenue Section of the CAFR. This section of the CAFR documents the financial position pertaining to the projects under Titles I and VI of the Elementary and Secondary Education Act as amended and re-authorized.

The study of compliance for E.S.E.A. indicated the following areas of noncompliance and/or questionable costs.

Finding

None

Other Special Federal and/or State Projects

The charter school's Special Projects were approved as listed on Schedule A and Schedule B located in the CAFR.

Our audit of the federal and state funds on a test basis indicated that obligations and expenditures were incurred during the fiscal year or project period for which the project was approved.

The financial exhibits are contained within the Special Revenue Section of the CAFR. This section of the CAFR documents the financial position pertaining to the aforementioned special projects.

The study of compliance for the special projects indicated no areas of non-compliance.

T.P.A.F. Reimbursement

Our audit procedures included a test of the biweekly reimbursement forms filed with the Department of Education for Charter School employees who are members of the Teachers Pension and Annuity Fund. No exceptions were noted.

The amount of the expenditure charged to the current year's Final Report for all federal awards for the charter school to reimburse the State for the TPAF/FICA payments made by the State on-behalf of the charter school for those employees whose salaries are identified as being paid from federal funds was made prior to the end of the 60 day grant liquidation period required by the Office of Grants Management. The expenditure was reviewed subsequent to the reimbursement and no exceptions were noted.

SCHOOL PURCHASING PROGRAMS

Contracts and Agreements Requiring Advertisement for Bids

Effective July 1, 2010 and thereafter the bid thresholds in accordance with N.J.S.A. 18A:18A-2 and 18A:3(a) is \$40,000 with a Qualified Purchasing Agent and \$29,000, respectively. The law regulating bidding for public school student transportation contracts under N.J.S.A. 18A:39-3 is currently \$18,800.

The Charter School board of trustees has the responsibility of determining whether the expenditures in any category will exceed the statutory thresholds within the contract year. Where question arises as to whether any contract or agreement might result in violation of the statute, the Solicitor's opinion should be sought before a commitment is made.

The results of our examination indicated that no individual payments, contracts, or agreements were made for the performance of any work or goods or service in excess of the statutory thresholds where there had been no advertising for bids in accordance with the provisions of N.J.S.A. 18A:18A-4, amended.

Resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S.A. 18A:18A-5.

SCHOOL FOOD SERVICE

The financial transactions and statistical records of the school food services fund were maintained in satisfactory condition. The Charter School did not apply or receive Federal or State subsidies.

Expenditures were separately recorded. Vendor invoices were reviewed and costs verified.

The cash disbursements records reflected expenditures for program related goods and services. Charter School's with food service management companies are depositing and expending program monies in accordance with N.J.S.A. 18A:17-34, and 19-1 through 19-4.1. The appropriate revenue and expenditure records were maintained in order to substantiate the non-profit status of the school food service. Net cash resources did not exceed three months average expenditures.

Cash receipts and bank records were reviewed for timely deposits.

Exhibits reflecting Child Nutrition Program operations are included in the section entitled Enterprise Funds, Section G of the CAFR.

STUDENT BODY ACTIVITIES

During our review of the student activity funds, there were no items noted.

CHILD CARE PROGRAM

There were no items noted during our review of the records of the Child Care Program.

ENROLLMENT COUNTS AND SUBMISSIONS TO THE DEPARTMENT

Our audit procedures included a test of enrollment information reported on October 15, 2016, and the last day of school for on-roll, special education, bilingual and low-income enrollments. The Teaneck Community Charter School properly implemented and followed state mandated guidelines with regard to the two enrollment counts. The school has written internal procedures regarding the counts and attendance data, administered by Mr. Bowie, the coordinator for the fiscal year.

FOLLOW-UP ON PRIOR YEAR FINDINGS

In accordance with government auditing standards, our procedures included a review of all prior year recommendations. Corrective action had been taken on all prior year findings.

ACKNOWLEDGMENT

We received the complete cooperation of all the officials of the charter school and we greatly appreciate the courtesies extended to us during our work on the audit.

Respectfully submitted,
