

**County Vocational School Districts  
Interested in Partnering with an IHE for the CTE CEEP Grant**

A list of county vocational school districts and contact information for the superintendents of each of these districts are provided in Appendix D. The New Jersey Department of Education cannot endorse any particular county vocational school districts as partners for this grant. However, each of the 21 county vocational school districts was asked whether it is interested in partnering with an institute of higher education for this grant. A summary of the responses, with contact information for the superintendent of each of the districts, follows.

<b>District Name</b>	<b>First Name</b>	<b>Last Name</b>	<b>E-mail</b>
