

Holocaust Survivors of South Jersey Project - Teaching Resources

SOAPS-Tone Worksheet

Subject	What is the main topic or function of the document? Explain in one sentence what the document is representing.
Occasion	Where and when was this document produced? What was happening at the time? Think of the historical context in which this document was created.
Audience	Who was this document produced for? Think of both who created the document and the person (or people) it was produced for, as well as how it might be received.
Purpose	Why was this document produced? Think of the intention surrounding the record and its immediate need at the time.
Speaker	Is there a speaker for this document? How might this person's background influence the development of the document?
Tone	What feeling or attitude does this document express? Use descriptive adjectives and adverbs.
