SYNOPSIS

Petitioner challenged State Board of Examiners actions denying his application for two teaching certificates based on his allegedly providing false information in a comparable application to the Board of Education of the City of New York.

ALJ dismissed the petition, finding it to be out of time as it was filed well beyond the 90-day limitation period stated in regulation.

Commissioner adopted findings and determination in initial decision as his own.

The record of this matter and the initial decision of the Office of Administrative Law (OAL) have been reviewed. No exceptions were filed by the parties.

Upon a careful and independent review, the Commissioner concurs with the findings and conclusions of the Administrative Law Judge that the Petition of Appeal was filed out of time and that no relaxation or waiver of *N.J.A.C. 6:24-1.2(c)* is warranted in this instance.

Accordingly, for the reasons expressed therein, the Commissioner adopts the initial decision of the OAL that the instant Petition of Appeal be dismissed.

IT IS SO ORDERED.
