COMMISSIONER OF EDUCATION

DECISION

SYNOPSIS

Petitioning parent challenged Board’s residency determination.

At the OAL counsel for respondent Board advised the ALJ that K.G. and K.G. had moved to Laurel Springs, New Jersey, and the children were enrolled in that district. Receiving no response from his letter to petitioner requesting notification if she objected to dismissal of this matter, the ALJ concluded that the issues in the petition are moot and dismissed the matter with prejudice.

The Commissioner affirmed the initial decision of the OAL and dismissed the Petition of Appeal.

The record of this matter and the initial decision of the Office of Administrative Law (OAL) have been reviewed. No exceptions to the initial decision were filed by the parties.

Upon his independent review of the record, the Commissioner concurs with the Administrative Law Judge, for the reasons clearly stated in the decision, that the issues raised in the instant Petition of Appeal are moot and that this matter is, therefore, properly dismissed.

Accordingly, the initial decision of the OAL is affirmed and the within Petition of Appeal is hereby dismissed.*

IT IS SO ORDERED.
