SECTION I: INTRODUCTION AND OVERVIEW OF THE APPLICATION PROCESS

Introduction

The “Career and Technical Education Teaching Certificate Self-Evaluation Guide” (Guide) by the New Jersey Department of Education (NJDOE), Office of Career and Technical Education, was developed to enable individuals to evaluate their education, training, and/or employment experience for a New Jersey Career and Technical Education Teaching Certificate using the Alternate Route Program. The Alternate Route Program is the process by which individuals who have not completed a traditional teaching preparation program may obtain a New Jersey Teaching Certificate based upon their education, training, and/or employment experience.

This Guide is meant to be used for self-evaluation purposes only. It is not meant to determine actual eligibility to apply. The final determination of an applicant’s qualifications will be made by the NJDOE, Office of Licensure and Credentials.

Overview of the Application Process

Individuals will apply for an initial “Certificate of Eligibility” (CE), which is a credential issued by the NJDOE with lifetime validity to individuals who have successfully completed the initial requirements of a teaching certificate. In the case of career and technical education certificates, the CE is issued for a particular “endorsement,” which is the subject area the holder of the teaching certificate with that endorsement is authorized to teach. The endorsement name and endorsement number for the career and technical education certificate described in this Guide is identified at the top of each page.

Individuals holding a CE are eligible to be hired to teach the subject area identified in their endorsement in grades 9-12 in any New Jersey comprehensive school districts, county vocational-technical school districts, special services school districts, charter schools, and NJDOE-approved private schools for the disabled. Once hired, the individual becomes a “provisional teacher.” The hiring school will provide the provisional teacher with a school site mentor and will enroll the provisional teacher into a CTE Alternate Route Teacher Preparation Program (CTE Alternate Route Program). A PowerPoint about the CTE Alternate Route Program can be viewed here:

<http://www.brookdalecc.edu/documents/continuinged/career-technical-education-powerpoint-2013.pdf>

Upon successfully completing their provisional teaching and the CTE Alternate Route Program, the hiring school will recommend to the NJDOE that the provisional teacher be issued a “Standard Certificate,” which is a permanent certificate issued by the NJDOE to a person who has met all teacher certification requirements. For more information about this process, view the NJDOE webinar on the Alternate Route licensing process at:

SECTION II: AUTHORIZATION TO TEACH

The holder of a career and technical education (CTE) teaching certificate with the **Esthetician #4144 endorsement** is authorized to teach courses, programs, and programs of study in the following subject areas as identified on the National Center for Education Statistics’ Classification of Instructions Programs (CIP) website. Click on the program name to view the program description.

- [*Facial Treatment Specialist/Facialist, CIP Code 12.0408*](#)
- [*Aesthetician/Esthetician and Skin Care Specialist, CIP Code 12.0409*](#)

SECTION III: GENERAL REQUIREMENTS FOR ALL APPLICANTS

All applicants for career and technical education certificates using the Alternate Route Program must meet the following general requirements prior to submitting an application:

1. Complete the NJDOE course, Introduction to the “Teaching Profession -- a 24-hour Pre-service Program. Click on the following link for a list of colleges offering this course:
<http://www.nj.gov/education/educators/license/advisories/applicant.htm>.
2. Pass an examination in physiology, hygiene and substance abuse. The examination is administered at the County Office of Education in each county. In lieu of this examination, the applicant may present basic military training or college level study in areas such as biology, health, or nutrition. To obtain details regarding this test, contact a County Office of Education near you at:
<http://www.state.nj.us/education/counties/>.

3. Complete an Oath of Allegiance/Verification of Accuracy Form, which can be downloaded at: <http://www.nj.gov/education/educators/license/forms/verify.pdf>
4. Prior to September 2015, all applicants not holding a college degree must complete the Praxis™ Core Academic Skills for Educators (CORE) tests. Starting on September 1, 2015, and afterwards, all applicants must complete the Praxis™ Core Academic Skills for Educators (CORE) tests. For more information, visit <http://www.ets.org/praxis/nj/requirements> and click on Career and Technical Education. **NOTICE:** Applicants required to take the CORE tests have two options, as follows:
 - a) Individuals may take the CORE exams prior to applying for CE and submit the CORE test scores as part of their initial application; or
 - b) Individuals may delay taking the CORE tests until after a CE is issued. However, they must submit passing scores for the CORE tests by the end of their provisional teaching period before the NJDOE will issue a Standard Teaching Certificate.

SECTION IV: SPECIFIC REQUIREMENTS FOR THIS CERTIFICATE

This section provides detailed information about eligible degrees, training, and/or employment experience that may be used to apply for the endorsement identified at the top of this Guide. The Guide is to be used for self-evaluation purposes only, and is not meant to determine actual eligibility for a teaching credential.

Individuals whose credentials are not identified in this document may request the NJDOE, Office of Licensure and Credentials, to evaluate those credentials. There is a fee for this service. For more information on credential evaluations, see PART E, below.

The final determination of an applicant's qualifications will be made by the Office of Licensure and Credentials prior to issuance of any credentials. For complete application information, visit the Office of Licensure and Credentials website at: <http://www.state.nj.us/education/educators/license/cte/>

PART A: REQUIRED STATE-ISSUED OCCUPATIONAL LICENSE OR CREDENTIAL

Applicants for the **Estheticians #4144 endorsement** must hold a current skin care specialist license or a current cosmetologist-hairstylist license issued by the New Jersey Board of Cosmetology and Hairstyling as per N.J.S.A. 45:5B and N.J.A.C. 13:28 and fulfill the employment experience requirement found under **PART D**, below.
