Harrington Park, NJ - Music and song performances, poetry readings and interviews by the school TV channel and the school newspaper were on the agenda when Acting Education Commissioner Chris Cerf toured Harrington Park Elementary School on April 25, 2011. The school serves kindergarten through eighth- grade students.

"The high quality student performances in instrumental music, poetry and song are a strong testament to the dedication of teachers and staff who provide the children of Harrington Park with a top-notch, value-based education focused on leadership," said acting Commissioner Cerf.
