

Educator Training: Evidence-Based Reading Instruction Professional Development

Supercharge Reading Instruction in Grades K–3

Great news — NJDOE’s Reading Acceleration Professionally Integrated Development (RAPID) Initiative allows for New Jersey educators to have access to Evidence-Based Reading Instruction Professional Development.

This is your chance to access the latest strategies proven to be effective in supporting emerging readers in grades K–3. This targeted initiative includes:

- Engaging and interactive live sessions on Zoom
- Attendees will receive four (4) professional development hours

Synchronous Training — 7 Engaging and Interactive Live Sessions

- Orthography, Orthographic Processing, and Print Concepts
- Phonological Awareness and Processing
- Phonemic Awareness
- Phonics
- Fluency
- Vocabulary
- Comprehension

For questions regarding registration please contact: kparrot1@asu.edu

About RAPID

The NJDOE’s Reading Acceleration Professionally Integrated Development (RAPID) Targeted Initiative is designed to bolster foundational literacy for elementary students through targeted professional development for educators.
