EVIDENCE-BASED
READING
INSTRUCTION

HOW CAN IT TRANSFORM YOUR CLASSROOM?

What is RAPID?

The RAPID initiative is a groundbreaking **state-wide** program that recognizes the crucial importance of early literacy in shaping students' future academic and life outcomes. In partnership with the NJDOE, TNTP is committed to bringing high-quality virtual **professional development** rooted in **evidence-based reading research**—an approach that unlocks the full potential of **student literacy.**

For educators who register, this initiative offers **a unique opportunity** to participate in free synchronous virtual professional development. Across seven live-virtual trainings, each dedicated to **building foundational literacy** skills in K–3 students, educators will gain insights from research and engage in discussions to **transform their instruction.**

Together, we're on a mission to **transform** early **literacy** instruction and provide equitable access to excellent **literacy education** for every student in **New Jersey!**

LITERACY

What is RAPID?

The RAPID initiative is a pioneering **state-wide program**, fueled by the urgency of improving early literacy education in New Jersey. In partnership with the NJDOE, TNTP offers high-quality synchronous virtual professional development centered on evidence-based reading instruction, a research-backed approach known to unlock students' full literacy potential.
