

Stockton University Cohort Profile

The goal of this report is to share the available state data on novice teachers this Educator Preparation Provider (EPP) recommended for certification. The visual to the right describes the categories of information shared based upon data available. To create the report, the NJ Department of Education has synthesized the data from multiple sources: NJSmart, TCIS, NJSure and other state data collections. The base of the report is a **2 year cohort of teachers who were certified in 12-13 and 13-14 with a CEAS; employed in the 2015-2016 SY in a New Jersey public school as of October 15, 2015**. Throughout the report, the graphics and tables reference their data source with a 1, 2, 3, or 4. For additional details see footnotes and a data explanation on the last page.
