

Appendix 6.3. Caregiver Letter Template – Tier 3

To the caregiver of [INSERT STUDENT NAME],

As you may know, [INSERT SCHOOL/DISTRICT] utilizes New Jersey Tiered Systems of Support (NJTSS), a framework used to maximize the academic, behavioral, and social-emotional success of all students. You should have received a letter from us earlier this school year that provided an overview of NJTSS for parents. You are receiving this letter because it has been determined that your child may benefit from Tier 3 interventions and supports.

In what area(s) can Tier 3 supports help my child?

Participation in Tier 3 supports means that intensive interventions may help your child to access instruction and gain a deeper understanding of the skills being taught. Specifically, your child may benefit from additional support in the following area(s):

- Academic(s), in the subject(s) of: _____
- Behavior
- Social-emotional

We would like to provide your child with the following Tier 3 supports:

- Individual instructional interventions
- Individual counseling
- Individualized behavior reward system
- [ADAPT AND ADD TO THESE CHOICES TO REFLECT TIER 3 SERVICES IN YOUR SCHOOL/DISTRICT]

We will begin to implement the intensive interventions selected above. You will receive periodic updates regarding your child's progress. Please reach out to [INSERT SCHOOL COUNSELOR] at [EMAIL/PHONE NUMBER] for more information or if you'd like to set up a time to talk further.

For more information on the New Jersey Tiered Systems of Support, you may reach out to [INSERT DESIGNATED SCHOOL PERSONNEL] and visit <https://www.nj.gov/education/safety/njtss> and/or [INSERT SCHOOL WEBSITE NJTSS PAGE].

The school-home partnership is important for your child's success. Thank you for your support and collaboration.
