

**NEW JERSEY
ALTERNATIVE EDUCATION LISTING
MARCH 2017**

INTRODUCTION

This listing is designed to provide information on public alternative education schools and programs in New Jersey. The listing contains self-reported information from principals and administrators. Therefore it is based on currently available information and is not all-inclusive. Schools in the listing are grouped by county in alphabetical order and each listing indicates the school(s)/district(s) from which its students are accepted.

If more information is needed about a school or program in the listing, please contact the school or program directly. E-mail and website addresses have been provided where available.

If your alternative school or program is not listed, please enter your information through our online submission form available at <http://www.state.nj.us/education/students/safety/edservices/ae/>. We will update this listing on a regular basis. If you have any questions regarding this listing, please contact the NJDOE alternative education unit at altd@doe.state.nj.us.
